PROJECTS AND UNIQUE ATTRIBUTES⁵

With more than 30 years of service, Eastern Oklahoma County Technology Center is dedicated to serving the communities and business of Eastern Oklahoma County. Serving approximately 600 students in full-time programs a year, a growing population of adults and numerous area business leaders, EOCTC is committed to growing individuals and business by delivering services and training to promote success. EOCTC continues to grow and expand to meet the needs of a growing community and developing business sector.

EOCTC understands the influence and impact that can be made at an early age and has developed programs that reach out to students beginning in grade school. To better impact the business and industry sector, the Business and Industry Development Center continues to offer customized training and services, including a state-certified business incubator.
