ADDITIONAL INFORMATION FOR ALL FIRE ACADEMY PROGRAMS

Housing and Transportation - EOC Tech does not offer any on-campus housing. Living arrangements are the responsibility of the applicant. Transportation costs can be estimated by determining the daily, round-trip mileage between your home and EOC Tech, multiplying the daily mileage by 5, multiplying the weekly mileage by 24, and multiplying the program mileage by $.53/mile, which is the IRS reimbursement rate for 2017. Example: 15 miles daily round-trip (15 x 5 = 75 miles per week; 75 x 24 = 1,800 miles per program; 1,800 x $.53/mile = $972.00). The IRS reimbursement rate includes the total cost to operate a vehicle including gas, insurance, and maintenance, and is subject to change.

For Students Who Purchase Textbooks from Other Sources – Students may acquire the textbooks from other than the package deal list above. However, it is not recommended because the overall cost will be more in most cases. It is the student’s responsibility to acquire the exact textbook using the ISBN numbers, and to purchase their own access codes.

11. Failure to pay your account balance according to the **VA Student Payment Plan** may result in the student not being allowed to return to class until the account has been paid according to the payment plan, and may result in the student being withdrawn from the program. No certificates or transcripts will be issued as long as there is an outstanding obligation.

12. You will have to self-pay all Pre-Admission and Post-Admission Out-of-Pocket Costs which are listed in the Program Information section at the beginning of this packet.

13. **To maintain eligibility for VA benefits**, the student will be expected to maintain at least a **73%/2.0 GPA**, be on target with scheduled curriculum completion, and be within the attendance policy.

14. If you need to withdraw, please contact the Financial Aid Coordinator first in an effort to let you know the possible financial ramifications of an early withdrawal.

15. You will be held responsible for any account balance remaining on your EOC account, and beneficiaries could be in debt to the VA for funds returned by the school due to early withdrawal or dismissal.

16. You will not be able to enroll in future programs or classes at EOC Tech until the obligation is taken care of. No certificates or transcripts will be issued as long as there is an outstanding obligation.
**Tribal Assistance**

1. Students should contact their own respective tribal organization to apply for benefits. There is usually an application packet which includes a **tribal financial aid form** that has to be completed by the Financial Aid Coordinator and sent to them directly.

2. Complete the top section of that form, sign and date it and bring it to the Financial Aid Office located in Student Services in the Main Building.

3. You must provide an Award Letter from your tribal organization stating that they will cover your tuition, fees and books for the school charges to the Financial Aid Coordinator **by Wednesday, July 8, 2020**. Otherwise, you may have to sign a payment plan contract and pay 25% of school charges by the payment deadline in order to begin on the first day of class.

4. You may have to self-pay all Pre-Admission and Post-Admission Out-of-Pocket Costs which are listed in the Program Information section at the beginning of this packet. You need to ask how your tribal organization handles reimbursement for out-of-pocket costs that do not go through the school.

**WITHDRAWAL POLICY**

**NOTE:** Students who received the VA benefits should contact the Financial Aid Coordinator before withdrawing from EOC Tech to discuss the ramifications of an early withdrawal from the program.

**CANCELLATION OF ENROLLMENT**

Cancellation of enrollment occurs when a student officially withdraws **on or before the Pre-Academy Orientation date** of the current term. Students must submit a completed Official Withdrawal Form to a Student Services Advisor on or before Day 1 of Instruction. Students who officially withdraw on or before the Pre-Academy Orientation date will receive a full (100%) refund of tuition paid. Tuition charges will be voided from the student's account.

**OFFICIAL WITHDRAWAL**

An **Official Withdrawal** is defined as the action taken by a student who submits a completed Official Withdrawal Form to Student Services **on or after Day 2 of Instruction** of the school year. The date the completed form is submitted will be the date used in the calculation of any possible refund according to the “REFUND POLICY” (see below). The date of an official notice of withdrawal does not occur on weekends or holidays.

To officially withdraw, the student should inform the instructor and a Student Services Advisor. An **Official Withdrawal Form** will be available for the student to complete in order to begin the withdrawal process. An Information Update Form will be completed by the instructor to record effective date of withdrawal, reason for withdrawal and establish if there are any outstanding obligations.

**UNOFFICIAL WITHDRAWAL**

An **Unofficial Withdrawal** is defined when a student fails to attend, ceases to attend, or is dismissed from EOC Tech. If a student just stops attending without notifying the school, the absences may be counted against the student which may result in suspension. There are no refunds for Unofficial Withdrawals.

If a student fails to attend, ceases to attend, or is dismissed from EOC Tech, the student may be suspended for the remainder of the school year, or one semester, whichever is greater. Examples of when a student may be dismissed include, but are not limited to, not maintaining satisfactory academic progress, attendance policy violation, failing a drug test, cheating or any violation of the Student Behavior Code. Students should refer to the Secondary Student Behavior Code and the Adult Student Behavior Code sections located in this Handbook for a detailed list.

**APPEAL PROCESS**

In extraordinary circumstances, such as hospitalization for an accident or illness, a student may submit a written appeal to the Director of Student Services. The form may be requested from Student Services in the Main building. Appeal requests will be handled on a case-by-case basis to determine if the situation warrants an exception to the Withdrawal Date and Refund Policy.
NOTE: Students should contact Janie Prior, Financial Aid Coordinator, before withdrawing from EOC Tech to discuss the financial ramifications of an early withdrawal from the program.

OUTSTANDING OBLIGATIONS
Students will be held responsible for any remaining amount of unpaid charges on their account. The Bursar will send an invoice to the student showing the outstanding obligation and a HOLD will be placed on the student’s enrollment record until that amount has been paid.

Students will not be eligible to receive any completions certificates or transcripts from EOC Tech until outstanding obligations have been paid. Students will not be allowed to enroll at EOC Tech until outstanding obligations have been paid.

APPEAL FOR OFFICIAL WITHDRAWAL DATE
In extraordinary circumstances, e.g. hospitalization for an accident or illness, etc., a student may submit a written request to the appropriate Director to request an adjustment to the Withdrawal Date and Refund Policy. These requests will be handled on a case-by-case basis.

I’m active military and/or a reservist. What is the policy if I’m called up for active duty during an EMT program?

- Active Military and/or Reservists (EMT):
  If a student, who is active military or a reservist, is called up for active duty, the student would be allowed to withdraw from the program in good standing. Any unpaid charges would be voided. The student would be granted Advanced Standing for CPR and Anatomy & Physiology, if completed successfully with at least a 73%/"C" at time of withdrawal. If a student knows they will have scheduled military training before enrollment, then the student should enroll in the term that does not include the scheduled military training.
