Campus Facilities

Eastern Oklahoma County Technology Center (EOCTC) was constructed in 1982 on an eighty-acre site in Eastern Oklahoma County, just north of Choctaw, Oklahoma. The facility has 101,081 square feet of floor space and hard surface parking for over 500 cars. All classrooms are air-conditioned. Complete ventilation systems and safety equipment are installed in all shops. All shops and labs are equipped with the latest models of equipment and each career program is completely equipped to handle training experiences for all students. Eastern Oklahoma County Technology Center serves the schools districts of Choctaw-Nicoma Park, Harrah, Jones, and Luther.

EOCTC's campus is comprised of 4 buildings: Main Building, Adult Day Center, Business Development Center, and Public Services. **A map of EOCTC's campus is given in the back of this Handbook.**

EOCTC has instructional, laboratory, and other physical facilities related to many career programs. The Academic Center is designed to assist all students with testing. Academic specialists provide assistance with math that may be required in a career program, and assistance with written communication and job preparedness. The EMT career programs and the Nursing Assistant career program both have labs that provide students with hands-on practice of skills necessary in these professions.

ADMISSIONS AND ENROLLMENT FOR FULL-TIME CAREER MAJORS

High School Students (In-District)

Contact your High School Counselor about enrollment at EOCTC. Juniors and seniors at Choctaw, Harrah, Jones or Luther schools may enroll during regular high school enrollment periods and receive credit toward their high school enrollment periods and receive credit toward their high school diploma. Students may choose from AM or PM class periods. There is no tuition charge for high school students. The procedure is as follows:

1. Talk to counselor at your high school.
2. Complete EOCTC pre-enrollment form with either your High School Counselor or an EOCTC Student Services Advisor.
3. Watch for postcard sent out in Spring announcing the "Summer Up" schedule for May-June.
4. Attend "Summer Up" in May-June to complete paperwork and finalize enrollment.
5. **Students are not enrolled at EOCTC until enrollment is finalized at "Summer Up".**
6. Career programs fill up quickly. Missing "Summer Up" may jeopardize being able to enroll in the career program of choice indicated on the pre-enrollment form.

Home-School Students (In-District and Out-of-District)

Students being home-schooled or attending private school must be at least 16 on or before November 1st in the year of enrollment to be admitted and allowed to enroll at EOCTC. Students may attend in the AM or PM and will be considered as high school students. Transportation is the responsibility of the individual and must be in compliance with established guidelines and policies of EOCTC.

Students will need to provide sufficient evidence of participation in a home-school situation and meet the following admission requirements:

1. Residence/Tuition Agreement – an applicant residing in the EOCTC district is not charged tuition for the duration of that residency. An applicant residing out-of-district may be accepted pending career program availability, **and may be required to pay tuition.**
2. Provide a current copy of immunization records or letter of exemption.
3. Meet the prerequisites established for the career program.
4. Provide a valid transcript; or provide a written curriculum outline for the course of study provided to the individual two years prior to application for admission or duration of home-schooled time, if less than two years.
5. Provide a report of mid-term and/or final test scores for the course of study which must include formal class hours per week in which the applicant has participated.
6. Provide standardized test results from a nationally-recognized standardized assessment administered within the last 1 year. Other assessments may be considered.
7. Once admission requirements have been met, the student will complete an enrollment application and may be enrolled in the career program of choice if there is space available.

High School Students (Out-Of-District)

An out-of-district high school student may be admitted to Eastern Oklahoma County Technology Center if their Tech Center does not have a program of interest and EOCTC does. This is referred to a Reciprocity Agreement. The admission process is as follows:

1. Make an appointment with your Technology Center's advisor about your desire to attend EOCTC. That advisor will contact Student Services at EOCTC, (405) 390-9591, to discuss the possibility of admission.
2. Go to your High School Counselor and request the following be sent or taken to: EOCTC, Attn: Student Services, 4601 N. Choctaw Rd, Choctaw, OK 73020:
 - Current Transcript
 - Attendance Records
 - Discipline Records
 - Immunization Record/Proof of Exemption
 - Proof of Residence
3. Schedule and take EOCTC Assessment Testing.
4. A phone call from your High School Counselor is required to discuss enrollment time-frame possibilities.
5. Once all the above is completed, an EOCTC Student Services Advisor will contact you to set up an appointment to discuss the possibility of admission.
6. High school students who reside outside of the EOCTC district may be charged for career major costs.

Once all materials and the interview have been completed, the Administration and Student Services personnel will determine acceptance into EOCTC. Be advised that EOCTC will admit in-district students as a priority; if space is available, out-of-district students may be admitted.

Eastern Oklahoma County Technology Center District No. 23 will not be responsible to pay student tuitions for any student to enroll in a skills program, secondary or post-secondary, at technology schools outside of District 23's boundaries (EOCTC Board Policy 527)

Full-Time, Daytime Adult Students

Note: EMT and Fire Academy have special admission and enrollment procedures. Please contact the EMT/Fire Administrative Assistant in Public Services at 405.390.5315 for more information.

The FT Adult admission and enrollment processes are as follows:

 - a. Students will need to call Student Services to schedule their Enrollment Intake appointment.
 - b. Students should finalize their financial aid paperwork before the Enrollment Intake date.
4. Students will meet with a Student Services Advisor on that date to finalize the student's enrollment and to discuss how the student will pay tuition.
5. Students will pay tuition not covered by funding agency or FAFSA.
6. Provide evidence of all previous education and/or training. All previous education and/or training is evaluated and given credit when appropriate.

Students no longer enrolled or attending high school must be at least 16 years of age and have the permission of their parent/guardian to enroll as an adult student. A signed consent from the high school principal of the school district in which they reside is also required. However, the student is not eligible for financial aid from EOCTC.

Adult Students in EMT and FAC

Students should contact the EMT/Fire Administrative Assistant in Public Services at (405) 390-5315 for more information regarding admission into either an EMT or FAC career major.

Note to Financial Aid (FAFSA) Students

Students who complete a Free Application for Federal Student Aid (FAFSA) must have a valid high school diploma, high school transcript, or GED in order to be eligible for the Federal Pell Grant.

If a student's FAFSA is assigned to the Verification Group 5 and/or if there's any reason for the school or Secretary to believe that the diploma is not valid or was not obtained from an entity that provides secondary school education, then the College Connection Coordinator is required to evaluate the validity of a student's high school diploma. Acceptable documentation will include, but is not limited to, the following:

1. A copy of the high school diploma and/or high school transcript with the graduation date.
2. Verification that the high school is accredited by the Oklahoma State Department of Education by researching the online School Site Directory at <https://sde.ok.gov/state-school-directory>. A comparable website will be researched for students who graduated high school outside of Oklahoma.
3. The URL of the high school's internet website.

Student self-certification is not sufficient documentation. There is no appeal process if the school is unable to validate the high school diploma/transcript.

The CRC is open during regular school hours.

College Connection Coordinator/Registrar/VA SCO

The College Connection Coordinator works alongside the various career majors to enhance the college readiness of students, while serving as the Financial Aid Coordinator/Registrar of EOC Tech. Cooperatively working with the classroom Instructor, as well as local employers and industry, students are taught what employers are looking for in a new hire and how to advance in position and wage in that field of work. Learning how to communicate and work in a team is an essential skill in today's workforce. This service provides students an opportunity to learn or refine those skills. From resume writing and interviewing skills to college scholarships and financial planning, this class covers many life skills that will be needed by students as they take the step into the next stage of their careers. SPECIAL ACCOMMODATIONS

Eastern Oklahoma County provides reasonable accommodations and support for students with disabilities and special education needs covered by the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1973, and Individuals with Disabilities Education Act (IDEA).

Americans with Disabilities Act (ADA)

Eastern Oklahoma County Technology Center, in compliance with Section 504 of the Rehabilitation Act of 1973 insures: "No qualified person with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any career major or activity which receives or benefits from Federal financial assistance."

- It is the policy of Eastern Oklahoma County Technology Center not to discriminate on the basis of disability in its educational career majors or activities.
- Accommodation for a disabled student is not about assuring success, but about ensuring equal access to a career major.
- A student seeking enrollment in an Eastern Oklahoma County Technology Center class, full-time or short-term, can request accommodations if they have a legitimate, documented disability (mental or physical impairment which substantially affects the student's academic achievement).
- Students must provide documentation of disability, such as doctor's statements, medical records, medical evaluations, Voc-Rehab assessments, etc.
- An adult student served by special education services in high school must provide documentation (copy of IEP, eligibility and psychological assessment) and request accommodations as an adult.
- Students requesting accommodations must meet attendance requirements and participate in the career major without being disruptive to the learning environment.
- Documentation and information about accommodation for a particular student is confidential and will be made available on a need-to-know basis only.
- Disabilities include "invisible disabilities" such as learning disabilities, chemical sensitivity, medical conditions, or temporary conditions resulting from accident or health related, etc.
- Illegal drug use, whether recreational or habitual, is not protected under ADA.
- The school will provide accommodations only if:
 - The student requests accommodations;
 - The student needs accommodation to gain equal access to a career major; and
 - Proper and sufficient documentation is presented with the request for accommodation.
- Reasonable accommodations are not appropriate for a student under these circumstances:
 - The student or the student's behavior poses a direct threat to the health and safety of others;
 - A substantial change to an essential element of the curriculum has been requested for

- consideration;
 - A substantial change in the manner in which you provide educational opportunity (separate facilities, home-based instruction, etc.) has been requested for consideration; or
 - The requested accommodation presents an undue financial or administrative burden.
- Student disagreeing with the decisions reached by school personnel for accommodations necessary for access to educational career programming and/or facilities may request a hearing before an impartial hearing officer.
- Please contact the Special Needs Advisor in Student Services for more information and/or to request special accommodations.

Job Placement (except EMT and FAC)

EOCTC will assist with job placement in a variety of ways, but does not guarantee every student a job. Although a job placement advisor is not on staff, other services are available to help students gain employment. Job vacancies are posted online on the school website at www.eoclive.com/jobboard.

Instructors assist students with placement. Since the Instructors work closely with area companies, they frequently become aware of job opportunities. Job search skills classes are taught to help students with the complex process of finding employment. Job placement assistance will be available for at least six months after graduation.

Work-Based-Learning (except EMT and FAC)

Work-Based-Learning (WBL) with an equal employment opportunity employer is available to secondary and adult students who have met the requirements set forth by their Instructor(s). The student must meet the standards established by EOCTC and home high school (for secondary students) including attendance, academic performance and discipline policies and fill out an application with employer information including which days/times the student plans to work.

Prior approval must be given by the Director of Educational Services or the Director of Instructional Services before a student is allowed to be placed. A student's placement may be revoked at any time if sub-standard performance is witnessed by the employer or is affecting school work.

Shadowing opportunities may be available to students in the first year to observe professionals in their respective occupations. This is dependent on the career major requirements. Both OJT and shadowing experiences vary with each career major.

Instructors are responsible for arranging and monitoring these experiences.

Student Organizations (except EMT and FAC)

Membership in various career student organizations offered at EOCTC is an integral part of the instruction in each career major. Students are encouraged to participate in these activities which provide an opportunity to develop leadership potential and social experiences for professional development.

Members also will have the opportunity to participate in local, state, and national skill and leadership contests. Organizations available at EOCTC include Skills USA, Health Occupation Students of America (HOSA), Family Career and Community Leaders of America (FCCLA) and Business Professionals of America (BPA).

EOCTC also participates with the National Technical Honor Society (NTHS) which recognizes outstanding career tech students. Nomination requirements for NTHS include the following: (1) "A" average for 2 consecutive nine-week periods, for the 1st and 2nd nine weeks or 2nd and 3rd nine weeks; (2) No more than 3 excused/unexcused absences combined (does not count school activities) during 2 consecutive nine-week periods; (3) Student must be a member of their Career Tech student organization; (4) Recommendation from Instructor; and (5) Student must be attending full-time.

The Career Connection Coordinator will also work closely with the Career Tech Student Organizations (CTSO) on the EOC Tech campus and will help Instructors and students to be involved.

Transfer of Credit (Advanced Standing)

Students who would like to be considered for advanced standing should present industry certifications to the Registrar when deciding which career major to enroll during the admission process. The Registrar will contact the Instructor and will evaluate previous education and/or training documentation and determine whether or not the student may receive advanced standing for EOCTC courses in the student's major of choice. Advance standing reduces the total number of career major course/hours that the student will need to complete at EOCTC.

When a student completes EOCTC courses with at least a 70%/C grade average in one major and then changes to another major, advanced standing will be given for those EOCTC courses which are duplicated in the second major. The only exception is the EMT majors, which are not eligible for partial credit if the student has to re-take an EMT major in the future.

NOTE FOR EMT AND FIRE ACADEMY MAJORS ONLY: Students applying for Veteran's Educational Benefits must have prior education and training evaluated for possible advanced standing credit. Students cannot be certified for benefits until this evaluation has been completed. Students are responsible for providing official college transcripts and the Joint Services Transcript (or the CCAF for Air Force only) to the School Certifying Official (SCO) in the Financial Aid Office which will be used in this evaluation.

Academic Contracts (College Credit)

The Cooperative Alliance Program is a partnership between Eastern Oklahoma County Technology Center and Rose State College (RSC). This partnership allows high school and adult students the opportunity to earn college credit at while still in high school. Note: The grade(s) you receive from the technology center will be transcribed on a Rose State transcript. **Cost: \$8.00 per credit hour to be paid by the student to Rose State College.**

The following career majors at EOCTC offer Academic Contracts:

- Business Management Administration/Accounting

To find out more about specific hours available for college credit, contact Trisha Christensen at tchristensen@eoctech.edu, or (405) 390-6605.

TUITION and OTHER CHARGES

Career Major Tuition Charges (except EMT and FAC)

Adults who are enrolled in full-time, daytime career majors will be charged \$2.25 per clock hour based on the length of the career major in which they are enrolled for the 2022-2023 school year. For example, if the career major has 900 clock hours, the tuition charged will be \$2,025.00.

The full-time student will be billed for half of the tuition for the fall semester and half for the spring semester. Using the example above, the student would owe \$1,012.50 for the fall semester and \$1,012.50 for the spring semester.

The half-time student will be billed for a quarter of the tuition for the fall semester and a quarter for the spring semester. Using the example above, the student would owe \$506.25 for the fall semester and \$506.25 for the spring semester. The remaining balance will be billed the same way in the following school year.

Students may apply for the **EOCTC Payment Plan** with the College Connection Coordinator. The College Connection Coordinator will prepare the Student Payment Contract and will meet with the student to review and sign. A copy of Student Payment Contract is given to the student because it includes the amounts owed and the date that each payment is due. All payments are receipted by the Bursar located across from Student Services. The payment plan allows the semester amount owed to be divided into 4 payments of 25% each, e.g. \$253.50 | \$253.00 | \$253.00 | \$253.00.

If the student has confirmed financial aid eligibility, then those amounts are deducted from the Tuition charged and the payment plan is applied to anything not covered by financial aid. Please contact Kristy Johnson, College Connection Coordinator at (405) 390-5314, or kjohnson@eoctech.edu, if you have any questions.

Career Major Payment Information (except for EMT and FAC)

All payments are receipted by the Bursar, Mrs. Self, located across from Student Services. Students may pay with cash, check or credit card.

Adult students are responsible for payment arrangements through self-pay, financial aid, EOCTC Next Step Scholarship, tribal assistance, and/or outside agencies before enrollment. Generally, payments are due no later than the first day of class. Payment plan arrangements may be requested by contacting Kristy Johnson, College Connection Coordinator at (405) 390-5314, or kjohnson@eoctech.edu. The student will sign a Payment Plan Contract. See the EOCTC Payment Plan section below or the Student Handbook for more information.

Students usually enroll in one career major at a time. Once a student completes all of the coursework within a Career Major, they may continue in a new career major. However, students must see a Student Services Advisor to be enrolled in subsequent career majors. The Registrar will determine advanced standing for courses already completed at EOCTC and amount of additional Tuition charges that may be owed at that time.

There are no tuition charges for secondary or home school students who reside in the EOCTC district. Secondary students who are out-of-district and home school students who do not reside in the EOCTC district may be charged for Tuition based on the length of the career major. However, there may be other charges, for all students, that are out-of-pocket depending on the career major. Please refer to the Program At-a-Glance sheets or contact an advisor for more information.

Pell Grant students will be granted an "extension of credit" after the College Connection Coordinator has received a valid Free Application for Federal Student Aid (FAFSA) from a student who is enrolled in a Pell-eligible career major. A valid FAFSA means that the student has satisfactorily completed the verification process and any conflicting information has been resolved as determined by the College Connection Coordinator.

Payments for tuition will automatically be deducted from student's Pell Grant disbursement checks until all career major charges have been paid in full. Any remaining Pell Grant amounts will be disbursed to the student as described in the Award Letter. Students who qualify for a partial Pell Grant that doesn't cover the career major tuition total will be required to pay the difference by the first day of class, unless a payment plan has been requested and approved by the College Connection Coordinator.

Students receiving tuition assistance from an outside agency will be allowed to defer payment of career major school charges upon receipt by the College Connection Coordinator of an authorization letter and/or contract from that agency.

Payment from Funding Sources

If a student has confirmed eligibility with more than one funding source, e.g. Pell Grant, etc., the Pell Grant is usually applied to the account charges first and any other funding sources are disbursed to the student to assist them with other educational expenses like transportation, uniforms, child care, etc. If the funding source is considered to be "tuition specific", those funds have to be applied to the student's account first and cannot be disbursed to the student, e.g. WIAO, DRS.

If there are still unpaid school charges once the Pell Grant has been applied, then other funding sources like OTAG, OK Promise, tribal, etc., are applied to the student account. Any funding in excess of the student's school charges is disbursed to the student. If there are unpaid school charges after all funding sources have been applied, the student must self-pay the remaining balance by the first day of attendance. If a student has applied for a payment plan, the student would be required to self-pay 25% of the remaining school charges by the first day of attendance, or by the deadline set for EMT and Fire Academy programs.

EOCTC Payment Plan

Students can apply for the EOCTC Payment Plan by contacting the College Connection Coordinator. Students must complete the application form, and the College Connection Coordinator will then set up the Student Payment Contract. The payment plan policy requires 25% of the school charges as the first payment, 25% as the second payment, 25% as the third payment and 25% as the fourth and final payment. If the student has confirmed eligibility with the Pell Grant, OTAG, OK Promise, VA, tribal, etc., then those deferred amounts are deducted from the school charges and the payment plan is applied to anything not covered by financial assistance.

Other Career Major Costs

For all Career Majors (except for EMT and FAC), required books, supplies and tools are included in the Tuition charge. The books, supplies and tools purchased by EOCTC remain the property of EOCTC. Students are responsible for the care of all school-owned property assigned to them. All students may be required to pay for replacements if items are lost or stolen, and for certifications.

However, there may be other charges that are out-of-pocket depending on the career major. Please refer to the Program At-a-Glance sheets or contact an advisor for more information.

EOCTC does not offer housing or board for its students. All students live off-campus and commute. Transportation on an EOCTC bus is available from each of the four district high schools for secondary students.

EMT and Fire Academy Career Majors have school charges, with books, supplies and uniforms being out-of-pocket expenses that are the responsibility of the student to acquire. Students should contact Dana Robertson, EMT/Fire Administrative Assistant at (405) 390-5315 for more information.

Add/Drop Dates

The Add/Drop Date for Full-Time Programs (except for EMT/FAC) is Day 4 of Instruction. The Add/Drop Date for EMT and Fire Academy Programs is Day 1 of Instruction.

FINANCIAL AID INFORMATION

Federal Pell Grant Program for Adult Students

Eastern Oklahoma County Technology Center (EOCTC) participates in the Federal Pell Grant program. The Pell Grant is a federally funded program which provides financial aid to post-secondary students who are seeking a diploma or certificate in an eligible career major at EOCTC. Students must enroll in an eligible career major, i.e. career majors must be at least 600 clock hours and must be approved for the Pell Grant. Eligibility is based upon meeting certain criteria and is based on financial need, as defined by the U.S. Department of Education. These grants do not have to be repaid as long as a student doesn't withdraw "too early", according to federal regulations.

Federal student loans and the other federal financial aid majors found on the Free Application for Federal Student Aid (FAFSA) are not available through EOCTC, but may be available at other schools.

The 2022-2023 FAFSA applies to any approved career major taken in the 2022-2023 school year, i.e. the School Year coincides with the FAFSA Year. The 2022-2023 FAFSA is based on 2020 income.

Students, who anticipate attending school in the 2023-2024 school year, should complete the 2023-2024 FAFSA which will be made available on October 1, 2022. The 2021 income information will be used to determine financial eligibility for career majors taken in the 2023-2024 school year. The Data Retrieval Tool should be utilized on the FAFSA, if possible. Students do not have to know which school they'll be attending at the time the FAFSA is completed. Students may list up to 10 schools on their FAFSA without obligation to any of them. Students should take advantage of submitting their FAFSAs earlier!

Completing the FAFSA

Students should complete the FAFSA that coincides with the school year in which their enrollment begins. For example, if a student is enrolling in January 2023, then the 2022-2023 FAFSA needs to be completed because their enrollment begins within the 2022-2023 school year.

Students interested in applying for the Pell Grant must complete the FAFSA. First, students need to request an FSA User ID at studentaid.gov/fsaid. A parent will be required to request an FSA User ID also. The FSA User ID serves as an electronic signature on the FAFSA. Second, it is recommended that students utilize the FAFSA Worksheet in order to gather all pertinent information that will be entered on the FAFSA. This worksheet and the online application may be found at www.fafsa.gov. Electronic processing will take approximately 24-48 hours. Paper FAFSAs are no longer available at EOCTC.

A tool on the FAFSA online application is the **Data Retrieval Tool (DRT)**. Students and parents will be asked to use

the Data Retrieval Tool (DRT) to answer the income tax return questions and it is the recommended method. This will result in a database match with the IRS and the information from the filed income tax return will automatically be downloaded onto the FAFSA. If the student's FAFSA is chosen for **Verification**, the DRT was utilized, **and no changes** were made to the data, it will simplify the Verification process.

If the student's FAFSA is chosen for **Verification** and the Data Retrieval Tool was not used, the student may request a **Tax Return Transcript from the IRS.gov website**. The Tax Return Transcript may take up 5 to 7 business days to be processed and mailed to the student. **Signed copies of the 2020 IRS Tax Forms with W-2's are also acceptable forms of documentation for Verification.**

Independent students and parents of Dependent Students who indicate that they did not file a 2020 income tax return may be required to confirm their non-filing status by requesting a Tax Return Transcript form the IRS at www.irs.gov. The College Connection Coordinator will need a copy of that IRS document.

Students and parents will be asked for sources of income that are NOT on an income tax return. Students must report any type of cash received and/or money paid on their behalf as **Untaxed Income**. Some examples include, but are not limited to, parents giving cash support, paying car insurance, making car payments, etc. Students may be asked to provide supporting documentation to verify their answers. The online FAFSA has pop-ups and links to help students with definitions.

The Number of People in the Household must be reported. This does not mean the number of people literally living under the parent's roof or the student's roof. Please read the description given on the online FAFSA of who is to be included in the Household for financial aid purposes. The **number of those reported in the Household who will be enrolled at least half time in College during the applicable school year** requires the student(s) to be enrolled at least half-time for 2022-2023 in a college program that leads to a degree or certificate.

A student may indicate up to 10 different schools that they might be interested in attending which allows the student to complete their financial aid application before they have decided where they want to attend school. Each school that participates in federal financial aid career majors has a 6-digit federal school code. You may call any school and request their federal ID code from the College Connection Coordinator, look them up on schools' websites, or look them up at www.fafsa.gov.

The schools that are listed on the FAFSA will automatically receive the processed application *electronically*. This does not obligate the student to those schools in any way; it's just a matter of convenience for the student. **The federal school code for EOCTC is 015861.**

Contact the College Connection Coordinator if you have more questions about the FAFSA or other financial aid issues. Contact a Student Services Advisor for information about the career majors and enrollment. Contact the Academic Center Assessment Assistant to make an appointment to take the assessment test (ACCUPLACER). Contact the Federal Student Aid Information Center at 1-800-433-3243 for general student aid information and for any technical issues with the online FAFSA. Title IV Programs General Conditions of Eligibility

In general, a student is eligible to participate in Title IV programs, e.g. the Federal Pell Grant program, if the student:

- Is a regular student, by definition (see below);
- Is enrolled or accepted for enrollment in an eligible program that leads to a certificate or degree as a post-secondary student, after vocational assessment has occurred;
- High School Diploma:
 - The student has a high school diploma; OR a
 - Recognized Equivalent of a High School Diploma: The student has the recognized equivalent of a high school diploma, defined in the regulations at 34 CFR 600.2 as:
 - A General Educational Development Certificate (GED);
 - A state certificate or transcript received by a student after the student passed a State-authorized examination, e.g., the High School Equivalency Test (HiSET), Test Assessing Secondary Completion (TASC), the California High School Proficiency Exam (CHSPE), or other State-authorized examination that the State recognizes as the equivalent of a high school diploma;

- An academic transcript of a student who has successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree; or
- For a person who is seeking enrollment in an educational program that leads to at least an associate degree or its equivalent and who has not completed high school, but who excelled academically in high school, documentation that the student excelled academically in high school and has met the formalized, written policies of that postsecondary institution for admitting such students.
- Homeschool: The student has completed a secondary school education in a homeschool setting that is treated as a homeschool or private school under State law and has obtained a homeschool completion credential. If State law does not require a homeschool student to obtain a homeschool credential, the student has completed a secondary school education in a homeschool setting that qualifies as an exemption from compulsory school attendance requirements under State law.
- Is not simultaneously enrolled in an elementary or secondary school;
- Is a U. S. citizen, or U.S. national (which includes natives of American Samoa or Swain's Island);
- Is a U. S. permanent resident who has an I-151, I-551, or I-551C (Alien Registration Receipt Card);
- Is a citizen of the Freely Associated States: Federated States of Micronesia, the Republic of the Marshall Islands or the Republic of Palau to be eligible for the Federal Pell Grant;
- Is an "Eligible Non-Citizen", which is defined as an individual who can provide documentation from the United States Citizenship and Immigration Services (USCIS), in the Department of Homeland Security (DHS), that she/he is in the United States for other than a temporary purpose with the intention of becoming a citizen or permanent resident. An eligible non-citizen will have an Arrival-Departure Record (I-94) from the Bureau of Citizenship and Immigration Services showing one of the following designations: "Refuge", "Asylum Granted", Cuban-Haitian Entrant, Status Pending", or "Conditional Entrant (valid only if issued before April 1, 1980)". Note: (UCIS was formerly known as the U.S. Immigration and Naturalization Service);
- Have a valid Social Security Number, except students from the Republic of the Marshall Islands, the Federated States of Micronesia or the Republic of Palau;
- Be registered with Selective Service if required;
- Certify, by signing a Statement of Educational Purpose, that s/he will use federal student financial aid only to pay for educational costs;
- Is not in default on any Federal Perkins Loan, Federal Stafford Loan, or Federal Supplemental Loan for Students; and has not borrowed in excess of the loan limits, under Title IV programs, at any institution;
- Must not owe an overpayment on a Pell Grant, Supplemental Grant or State Incentive Grant received at any institution;
- Must not have borrowed in excess of the annual or aggregate loan limits;
- Must not have property subject to a lien for debt owed to the United States;
- Is maintaining satisfactory progress in the course of study s/he is pursuing according to the standards of this institution;
- Must not have any disqualifying drug convictions; and
- Has financial need, if applicable, according to definitions established in regulations.
- In addition, a student's eligibility for Title IV aid could be affected by such factors as:
 - Prior degrees;
 - Enrollment status;
 - Remedial course work;
 - Correspondence study;
 - Study by telecommunications;
 - Incarceration; and
 - Conviction for drug offenses.

Definitions of "Regular Student" and "Special Student":

Regular Student

A student must meet the following criteria to be designated as a regular student for the purpose of receiving financial aid: (a) Have attained a high school diploma or GED; be beyond the age of compulsory school attendance; (b) Complete admission assessment including academic achievement, interest survey, and documentation of aptitude; (c) Be eligible to receive financial aid assistance.

A student granted "Regular Student" status will be enrolled for the purpose of completing the entire program and for the purpose of receiving a certificate or appropriate licensure. A regular full-time student must attend a minimum of 22 clock hours per week. A regular half-time student or part time student must attend a minimum of 11 clock hours per week. Regular students must be enrolled in an approved program.

Special Student

Enrolling students are not enrolled in any class or career program that does not meet the "eligible program" definition and/or are not enrolled with the intent to complete the entire career program, are classified as special students and are, therefore, not eligible to receive Title IV Student Financial Assistance. High school students are

considered to be “Special Students” for the purpose of financial aid and federal reports.

High School Diploma Verification

The College Connection Coordinator is required by federal regulations to verify the validity of high school diplomas if there is reason to believe that the diploma is not valid or was not obtained from an entity that provides secondary school education. Students are asked an additional question on the FAFSA, which asks the student for the name, city, and state of high school who issued their high school diploma. Since this is a primary requirement for Title IV eligibility, a student’s financial aid may be denied. The decision by the College Connection Coordinator is final and there is no appeal process with the U.S. Department of Education.

How Much is the Pell Grant?

For 2022-2023 the maximum Pell Grant award is \$6,895 for career majors that have the minimum “academic year for financial aid purposes”, which is usually 900 clock hours/30 weeks of instruction. The actual amount awarded to each student depends on various items, e.g. the Expected Family Contribution (EFC), enrollment status, the number of clock hours/weeks of instruction in the academic year for the eligible career major, and cost of attendance.

If the length of the eligible career major ranges from 600 to 899 clock hours, and/or less than 30 weeks, then the amount of Pell will be prorated accordingly. Thus, the amount of Pell a student may qualify for will be less than the estimated amount listed on the FAFSA confirmation page. If the length of the eligible career major is 900 clock hours or higher, the amount of Pell will not be prorated, plus the student may be eligible for an additional Pell Grant disbursement referred to as “Year-Round Pell”. The Year-Round Pell will be included in the student’s Award Letter along with information of how to maintain eligibility for the additional Pell Grant.

The amount of Pell that a student qualifies for will be included in the student’s Award Letter, which the College Connection Coordinator will send the student as soon after the student’s start date as possible.

Statement of Educational Purpose on the FAFSA

By signing the FAFSA, the student (and parent, if applicable) has certified the following:

- Federal and/or student financial aid will be used only to pay the cost of attending an institution of higher education;
- Student is not in default on a federal student loan or have made satisfactory arrangements to repay it;
- Student does not owe money back on a federal student grant or have made satisfactory arrangements to repay it;
- Student will notify the school if the student defaults on a federal student loan; and
- Student will not receive a Federal Pell Grant from more than one college for the same period of time.
- Student (and Parent) certifies that all of the information provided is true and complete to the best of their knowledge
- Student (and Parent) agrees to provide information that will verify the accuracy of the completed form, e.g., U.S. or state income tax forms that were filed or were required to file.
- Student (and Parent) understands that the Secretary of Education has the authority to verify information reported on this application with the Internal Revenue Service and other federal agencies.
- Student (and Parent) certifies that by signing any document related to the federal student aid programs electronically using a personal identification number (PIN), username and password, and/or other credential, you certify that you are the person identified by that PIN, username and password, and/or other credential and have not disclosed that PIN, username and password, and/or other credential to anyone else.
- Student (and Parent) understands that purposely giving false or misleading information may result in you being fined \$20,000, sent to prison, or both.

How Eligibility for the Pell Grant is Determined

The EFC is calculated by the federal processors and is listed on the first page of the processed FAFSA in the upper, right-hand corner. The EFC determines if a student is eligible *financially* and how much of the Pell Grant the student may receive. The lower the EFC, the more of the Pell Grant the student qualifies for. It is possible to qualify for a partial amount of the Pell Grant, i.e. it’s not an “all or nothing” grant.

Enrollment Status

Included in the list of eligibility requirements is enrollment in an “eligible” career major as a post-secondary student. Most of the career majors listed in this Student Handbook currently qualify for the Pell Grant. There are a few exceptions. Whether a student is enrolled full-time or half-time determines the amount of the Pell Grant that will be awarded in a given award year, e.g. if the student is enrolled half-time, then half of the Pell Grant will be paid. The length of the eligible career major will also affect how much of the Pell Grant which a student may qualify for.

If a student enrolls in a career major which takes longer than one school year to complete (August to May), the student will need to complete a new FAFSA for the following school year, which is available on October 1st. Eligibility will be determined based on the information on the new FAFSA.

If a student changes their enrollment status or takes a Leave of Absence, the amount of Pell Grant that the student qualifies for will have to be recalculated and a new Award Letter will be issued to the student showing the changes in the amount and the timing of the payment periods and estimated dates of disbursement.

Pell Cost of Attendance (COA)

The most common costs associated with attending college are tuition and books. However, there are other cost items which a student may incur as a result of attending college. Common items include room and board, transportation, child care expenses, clothing, and miscellaneous expenses. While EOCTC does not have on-campus dormitories, the room and board component is still included in the Pell Cost of Attendance.

The Pell Cost of Attendance (COA) includes the cost of the career major plus living allowances for room and board, transportation and miscellaneous expenses. The Student Budget components are defined by federal regulations and establish the limit of financial aid (from all sources) from which a student is allowed to receive in a given school year. In essence, students may not receive more financial assistance than is necessary to cover their respective Student Budgets for a school year.

There are 2 Pell COA budgets at EOCTC: (a) full-time (FTA) career majors; and (b) Firefighter-EMT Academy. Students may contact the College Connection Coordinator to request a copy.

Additional FAFSA Information

Students may view their processed FAFSA online at the FAFSA.gov website by clicking on "View Your Student Aid Report (SAR)" under Returning User. There may be an asterisk (*) beside the Expected Family Contribution (EFC) on the FAFSA. This means the student has been chosen for the **Verification** process.

The easiest way to complete (or correct) your FAFSA with accurate income and tax information is by using the IRS Data Retrieval Tool (DRT) through www.fafsa.gov. Otherwise the student (and parents) may request a Tax Return Transcript from www.irs.gov. Signed copies of 1040 forms may be considered as acceptable documentation by the U.S. Department of Education. More information on Verification is below.

There may also be a "C" beside the EFC. This means that the processors have found a "Conflict" regarding some information on your FAFSA. An example might be if the student's Social Security number and/or name on the FAFSA do not match up with the Social Security Administration. A common example is when the student is in Default on previous federal student loans. The federal processors will indicate in **bold print** any information that is conflicting or which needs clarification.

If corrections to the FAFSA are necessary, the EFC may go higher or lower and affect the amount of Pell the student may qualify for. No Pell may be disbursed until all conflicting information is resolved with the College Connection Coordinator whether the FAFSA was chosen for Verification or not.

Valid FAFSA Required

All information given on the student's FAFSA must be complete and accurate before the FAFSA is considered to be **valid** by the College Connection Coordinator, and before any financial aid will be disbursed. Cases of suspected fraud will be referred to the Inspector General in the U.S. Department Education Regional Office.

Verification

The College Connection Coordinator is required to verify all FAFSAs which have been chosen for the Verification process by the U.S. Department of Education. Certain data items on these applications must be reviewed and must be accurate, as determined by federal regulations. The College Connection Coordinator must resolve any FAFSA which appears to have incorrect and/or conflicting information. Copies of supporting documentation used to complete the FAFSA will be requested, as needed.

Forms that are required to begin the Verification process are as follows:

- Valid 2022-2023 FAFSA that shows student/parent utilized the **Data Retrieval Tool (DRT)** to automatically download their 2020 Federal IRS Tax Forms and W-2 information; or
- **Tax Return Transcript** of the student's (and parents' if applicable) 2020 Federal IRS Tax Return; or
- **Signed Copy of the student's (and parents' if applicable) 2020 IRS Federal Tax Forms with W-2's**; plus
- Completed **Verification Worksheet** given to students by the College Connection Coordinator; and
- **Other documentation** that may be requested by the College Connection Coordinator will include any documentation that will substantiate information reported by the student on the FAFSA.

Students may request a **Tax Return Transcript** from the IRS at www.irs.gov. There's a link on the home page under Tools call [Get a Tax Transcript](#). It may take 5-7 business days to be processed. Student should bring their entire **Tax Return Transcript** to the College Connection Coordinator as soon as they receive it. Both the Tax Return Transcript and the Tax Account Transcript will need to be requested if the student and/or parents filed an **amended** 2020 federal 22-23 STUDENT HANDBOOK- 060122

income tax return. Otherwise, the **Tax Return Transcript** is the only one required.

Independent Students and Parents of Dependent Students who have indicated that they did not file a 2020 IRS tax return, i.e. **Non-Fileers**, may need to request a Tax Return Transcript from the IRS at www.irs.gov. The student and/or parent should receive a notice from the IRS stating that no tax record was found. No Pell is disbursed until this is resolved.

Students must return Verification documentation to the College Connection Coordinator **within 30 days** from the date forms were requested by the College Connection Coordinator. If the student does not comply with the requests from the College Connection Coordinator, no Pell disbursements will be made and the student will be required to self-pay their tuition charges. If the student self-paid before completing the FAFSA and/or Verification, any overpayment of tuition on the student's account will be refunded to the student within 14 days once a valid FAFSA has been completed.

The student will also be alerted that another FAFSA will be processed by CPS which will reflect the corrections which may be required as a result of errors found through the Verification process. These changes will usually affect the EFC and the amount of Pell which the student is eligible to receive.

Unusual Enrollment History

The U.S. Department of Education has begun flagging student's FAFSAs with a "Conflict Code" when a student's enrollment history recorded in the National Student Loan Database System (NSLDS) is considered to be "unusual". This code is issued when the student's enrollment history shows a pattern of enrollment and withdrawal each Award Year with the student receiving either a Pell Grant payment or student loans, or both. The student is not eligible to receive any more financial aid until their Unusual Enrollment History has been researched and resolved.

At EOCTC, the student will be required to request Official Transcripts be sent from each of their previously attended schools **directly** to the College Connection Coordinator. No hand-delivered transcripts will be accepted. If a student can't receive a transcript due to an outstanding obligation at any of those schools, then Pell eligibility cannot be established.

Once all Official Transcripts have been received by the College Connection Coordinator, each transcript will be reviewed. In order to resolve the Conflict Code, the student must have earned at least one credit hour or one clock hour at **each** of the schools. If the student's transcripts show that at least one credit hour or one clock hour has been earned at each of the schools, then the student will be eligible to receive the Pell Grant from EOCTC.

If eligibility cannot be re-established, the student will be required to self-pay in order to attend EOCTC.

Special Circumstances

Federal regulations provide the College Connection Coordinator at each school the option to exercise "Professional Judgment" (PJ) if a student has extenuating circumstances which may have affected their income level due to loss of a spouse or loss of employment. Each request is handled on a case-by-case basis. The College Connection Coordinator is not required to process these special requests.

If the College Connection Coordinator believes that the student meets the PJ guidelines, the student will be advised to complete the FAFSA as it is initially. If it was chosen for Verification, the Verification Process must be completed before any PJ overrides can be processed.

The student will be given a form to complete that will ask the student for documentation of what income the student has coming in currently. The adjusted income figures will be re-submitted by the College Connection Coordinator on the student's FAFSA and the "Professional Judgment" indicator will be flagged. The student may receive financial aid based on the adjusted EFC.

How and When Financial Aid is Paid

EOCTC defines its "Academic Year" for the purposes of the Pell Grant as 900 clock hours and 30 weeks of instruction for most of the eligible career majors (except for the Fire Academy). For a few career majors, the Academic Year equals the program length in both hours and weeks. If the career major has less than 900 clock hours or less than 30 weeks of instruction, the student's Pell Grant will be prorated accordingly and the student will be eligible for a portion of their "Scheduled Award". The Fire Academy career major (Firefighter/EMT Academy) has an Academic Year defined as 818 hours, 22 weeks.

Generally, there are two payment periods per school year. The first payment is processed as quickly as possible as soon as the student begins attending class. The first disbursement could take up to 6-8 weeks from the student's class start date depending on the timing within the month. Pell checks have to be requested a month in advanced from the Business Office. For example, check requests are usually due by the 25th of the month and will be issued the following month, approved by the Board, and disbursed at the end of the month. The second disbursement is processed approximately halfway through the student's career major hours or at the halfway point in the school year, whichever

is earlier.

The first Pell disbursement will be applied to the student's account charges for the semester. Any remaining amount exceeding the semester tuition charge will be distributed by check to the student to be used for other school-related expenses. If tuition is paid by an outside funding agency, e.g. tribal assistance, Voc-Rehab, etc., the entire Pell Grant award is distributed in two disbursements directly to the student. If the student doesn't qualify for enough Pell Grant to cover the tuition cost for the school year, then all of the Pell disbursement will be applied to the student's account.

The second Pell disbursement will be made once the student has "successfully completed" the number of clock hours in the first payment period, completed the required number of curriculum hours in the first payment period, and has maintained satisfactory academic progress (SAP) meeting both the Quantitative and Qualitative requirements described below.

The Business Office Bursar will notify students through their Instructors when Pell checks are ready to be disbursed. The Pell checks are disbursed by the Bursar, not by the College Connection Coordinator.

Satisfactory Academic Progress (SAP)

Students will be evaluated at the end of each of each payment period, as indicated in the Award Letter. A "Progress Report" will be sent to the Instructor who will be asked to complete the student's academic status. After the first payment has been made, a student will be evaluated for the following SAP requirements:

- **Qualitative Requirement:** Once the payment period hours have been successfully completed, the student must have maintained at least a 70%/C cumulative grade average or higher during that payment period.
- **Quantitative Requirement:** The student must "successfully complete" curriculum equivalent to the number of clock hours in the payment period, which is usually 450 hours. The normal pace of progression is equal to the cumulative hours in the payment period divided by the total hours in the career major, e.g. Residential HVAC is 1,050 hours and the first payment period is 450 hours, thus the student would need to have 43% (450/1050) of the Res HVAC curriculum completed successfully. The student must also have completed at least 90% of the scheduled clock hours in the payment period. If absences exceed 10% of the payment period, then the payment period must be extended; the amount of curriculum completed will also increase during this extension increasing the percentage to be more than 43%.

If a student meets both of the requirements and has "successfully completed" the first payment period, the next Pell disbursement is processed for the second payment period, and issued to the student as indicated in the Award Letter. This will be repeated at the end of each payment period.

If a student does not meet both of the above SAP requirements, the student will be notified in a letter and will receive an official "Financial Aid Warning" informing the student that he/she did not meet the requirements and are receiving warning that their financial aid eligibility is in jeopardy.

Financial Aid Warning

If a student receives an unfavorable progress report that is not in compliance with the SAP requirements above, the student will be issued a "Financial Aid Warning" and informed by letter. The student will still be eligible for the Pell disbursement, but this will happen only once, i.e. there cannot be 2 consecutive "Financial Aid Warning" periods.

Appeal Process and Financial Aid Probation

If the student is not in compliance with the SAP requirements at the end of the payment period following a period in which the student received a "**Financial Aid Warning**", the student's Pell eligibility is suspended. The student will need to contact the Director of Educational Services and request the Appeal form, which the student must complete and return to the Director. The Appeal form will be evaluated by the Appeal Committee comprised of, but not limited to, the Director of Educational Services, the Instructor, a Student Services Advisor, and College Connection Coordinator.

Financial Aid Probation

On the Appeal form, the student will be required to explain what prevented he/she from complying with the SAP requirements AND what has changed that will allow the student to meet the SAP requirements when evaluated at the end of the next payment period. If the Appeal Committee determines that the student will be able to meet the SAP requirements by the end of the next payment period based on the changes the student has made OR if the student is placed on an academic plan that will ensure the student is able to meet the SAP requirements, then the Appeal will be approved and the student will be placed on "**Financial Aid Probation**" for the next payment period. The student will continue to receive financial aid.

If the student meets the SAP requirements at the end of the payment period in which he/she was on "Financial Aid Probation", the student will continue receiving financial aid and will go back to being expected to comply with the normal SAP requirements for future payment periods.

Re-Establishing Pell Eligibility after Failing Financial Aid Probation Requirements

If the student fails to comply with the SAP requirements at the end of the payment period while on "Financial Aid Probation", then the student's financial aid is cancelled and the student will no longer receive financial aid. This means that the student will be responsible for any unpaid charges on their account. The student may also be required to withdraw at that time.

A student who withdraws but returns to the career major in the same award year may receive the amount of any refund that was returned to Pell account. When the student completes the payment period, he or she would be eligible for the Pell disbursement for the next payment period.

Refunds for Pell Grant Recipients

Students who receive Title IV funds and withdraw from EOCTC will be under the Return to Title IV Funds (R2T4) regulations. Tuition refunds by EOCTC will be made in accordance with the Federal Return of Title IV Funds (R2T4) regulations. Tuition required to be repaid by R2T4 will be refunded to the Federal Pell Grant program regardless of the original source. R2T4 will also determine if the financial assistance paid directly to the student must be repaid by the student to the Federal Pell Grant program. The R2T4 process is described in detail below.

Return of Title IV Federal Pell Grant Funds

If a student receives a Pell Grant disbursement and then withdraws from classes, he/she may owe money back to the Title IV Federal Pell Grant program if he/she withdraws before completing more than 60% of their payment period hours.

A student may "officially withdraw" by initiating the withdrawal process. If a student just stops attending or doesn't return from a Leave of Absence (LOA), he/she may be withdrawn due to lack of attendance in accordance with EOCTC's attendance/LOA policies. The date on which the student officially withdraws, and the date that the school determines the student has ceased attendance or hasn't returned from a Leave of Absence is called the **date of determination**. The **last date of attendance** is the date used for the Return of Title IV Funds calculation.

The College Connection Coordinator will determine the **last date of attendance** according to the attendance record in the student accounting system, and note it on the Student Information Update Form. The **last date of attendance** will be used to calculate how much of the Pell Grant has to be returned to the Title IV Federal Pell Grant program by both EOCTC and the student. The school has 45 days from the **date of determination** to return the "unearned" Title IV funds to the Federal Pell Grant program.

Here's an example of the calculation: Full-time student receives a \$3,048.00 Pell Grant disbursement. Tuition paid to EOCTC is \$1,050.00 and the student receives the remaining \$1,998 to assist with other educational expenses, e.g. transportation. There are 450 clock hours (88 days) in this payment period. Student drops out on the 20th day of the payment period and has completed 106 clock hours, thus earning 23.6% of the Pell Grant ($106/450 = 23.6\%$). The amount "earned", i.e. does not have to be repaid, is \$719.33 ($\$3,048 \times 23.6\% = \719.33). The remaining \$2,328.67 is considered "unearned" and must be paid back to the Title IV Federal Pell Grant program.

EOCTC must pay back \$802.20 ($\$1,050.00 \times 76.4\% = \802.20), leaving an initial amount to be repaid by the student of \$1,526.47 ($\$2,328.67 - \802.20). However, the regulations provide a "protected" amount for the student which is half of the Pell disbursement that was disbursed (or could have been disbursed) or $50\% \times \$3,048.00 = \$1,524.00$. **Therefore, the amount the student must pay back is the initial unearned amount minus the protected amount would be \$804.67 ($\$2,328.67 - \$1,524.00$).**

The amount of \$804.67 would be considered an **Overpayment of Pell**, and arrangements must be made by the student with the school or the U.S. Department of Education's collection agency to repay this \$804.67. Failure to do so will mean the student is ineligible for any financial aid in the future until satisfactory payment arrangements have been made, and that income tax refunds and wages will be garnished by the U.S. Department of Education until the Overpayment of Pell has been repaid.

Students will be billed for the Pell funds that EOCTC is required to repay to the Federal Pell Grant program. In the example above, the student will be billed for the \$802.20 that EOCTC had to Return to Title IV. A Hold will be placed on the student's account, a hold will be placed on any Certificates, Grades or Transcripts and the student may not be allowed to re-enroll at EOCTC until any obligation(s) has been repaid to EOCTC.

If a student withdraws before actually receiving a Pell Grant disbursement but has completed enrollment time in a career major, the student may receive a **Post-Withdrawal Disbursement (PWD)** for the amount earned while attending. The PWD will be applied to the student's account if the student owes EOCTC for outstanding obligations. Any overpayment resulting on the account after the PWD has been applied will be returned to the student within 14 days.

Finally, if a student withdraws and has completed **more than 60% of the payment period hours**, neither EOCTC nor the student has to return any funds to the Title IV Federal Pell Grant program. The student may withdraw in good standing with EOCTC and the U.S. Department of Education meaning financial aid eligibility is intact.

Referral of Fraud Cases

If the institution suspects that an applicant, employee, or other individual has misreported information and/or altered documentation to fraudulently obtain federal funds, the institution will report its suspicions (and provide any evidence) to the Officer of the Inspector General (OIG). Appropriate actions will be taken against any student or prospective customer who misrepresents him or herself.

Misrepresentation by EOCTC

EOCTC does not misrepresent the nature of its educational program, financial charges or the employability of the institution's graduates. In addition, EOCTC does not describe its participation in the Title IV Assistance Programs in a manner that suggests the approval or endorsement by the U.S. Department of Education of the quality of its educational

programs. Concerns regarding misrepresentation should be directed to the Director of Educational Services or the Director of Instructional Services.

OTHER FINANCIAL AID INFORMATION

Student Loans

There are no loans programs available for any career major taken at EOCTC. This includes direct loans, federal student loans, and private education loans.

Even though the student is now allowed to go directly to the lender of their choice and request a federal student loan, the school that the student is attending must still participate in the Federal Direct Loan program in order for the student to be approved for a federal student loan.

The FAFSA is the application for all federal financial assistance programs and each school chooses which of these federal assistance programs they will make available to their students. EOCTC has chosen to offer only the Federal Pell Grant program since 1991.

The EOCTC Payment Plan allows students to spread school charges over 3 payments which must be paid well before the career major end date with no finance charge. More detailed information about the payment plan is below.

Oklahoma Tuition Aid Grant (OTAG)

Application for this program is automatic upon completion of the FAFSA which is submitted by the student. Certain data elements from the FAFSA are sent to the Oklahoma State Regents for Higher Education OTAG program. Generally, students must have an 2022-2023 FAFSA submitted, be eligible for the Pell Grant, and meet the Oklahoma residency requirements in order to be eligible for OTAG for the 2022-2023 school year.

The amount from OTAG for full-time students for 2022-2023 is based on a maximum, prorated amount up to \$1,000 for a full school year (up to \$500 per semester); half-time students maximum, prorated amount is up to \$500 for a full school year (up to \$250 per semester). This rate may be prorated just like the Pell Grant. Payment is sent directly to the school and will be applied to any outstanding charges on the student's account. Any remaining credit balance will be disbursed to the student within 14 business days.

Students will receive their OTAG in 2 disbursements, one in fall and one in spring. If a student loses their eligibility in the Pell Grant program, they will also lose eligibility in the OTAG program. Just like the Pell Grant, the OTAG does not have to be repaid. This grant may be used for tuition, fees, books, or any other education-related expenses.

OK Promise (aka OHLAP)

Students who have completed all of the requirements for OK Promise will have received notification of their eligibility in the summer following their high school graduation date. The OK Promise scholarship amount is based on an hourly rate, determined by the Oklahoma State Regents for Higher Education (OSRHE), multiplied by the number of clock hours in the Academic Year for the career major in which the student is enrolled. This amount is divided into 2 payments generally one payment per semester.

Students must submit and complete a FAFSA every year and meet the income level requirements as set by state statute. Students will lose eligibility for OK Promise if income is too high. For more information, please contact Kristy Johnson, College Connection Coordinator, at kjohnson@eoctech.edu, or (405) 390-5314 for more information.

Otha Grimes/Francis Tuttle Memorial Scholarships

EOCTC also offers the Otha Grimes Memorial Scholarship awarded by the Oklahoma Career Tech Foundation (Foundation). This scholarship is based upon need. Online applications are emailed to students by the College Connection Coordinator based on need that has already been documented on a student's completed FAFSA. The Foundation accepts applications from each Technology Center in both the fall and spring. Students may use this scholarship for school-related expenses, e.g. tuition, fees, books, certification tests, etc. Examples of expense not covered by this scholarship are rent, food and clothing.

The Foundation sends the money directly to the school which will be applied to any outstanding charges on the student's account. Once all charges are paid, any credit balance will be returned to the student within 14 days.

The Foundation determines the number of scholarships and the dollar amounts awarded. The number of scholarships awarded varies every term along with the dollar amounts. Since EOCTC has participated in this program, the number of scholarships has ranged from 3 to 10 and the amounts awarded have been from \$200.00 up to \$800.00.

Veterans Readiness and Employment (VR&E)

Eligibility for Veterans Readiness and Employment benefits is determined by the Federal VA-Vocational Rehabilitation Office in Oklahoma City, Oklahoma. Students should call 1-800-827-1000 for information and to apply for these Chapter 31 benefits.

Oklahoma National Guard Tuition Waiver

EOCTC will approve a tuition waiver for members of the Oklahoma National Guard who are enrolled either full-time or half-time in a Full-Time Career Major (except for EMT Academy and Firefighter/EMT Academy), as long as there is space available.

Oklahoma Veterans (SB 530)

Any veteran who meets eligibility requirements may attend a Career Tech school in the State of Oklahoma, without paying tuition charges. In order to do this, a student must provide a copy of the DD-214 form to the school and complete an application form which is located in Student Services. The Oklahoma Department of Career and Technology Education (ODCTE) will determine eligibility according to the following criteria:

- Honorable discharge from the armed forces.
- Served a minimum of 18 consecutive months between the dates of 8/10/1964 and 12/31/1976; or discharged with a service connected disability.
- Been a resident of the State of Oklahoma at the time of entry into the service.
- Accept benefits within fifteen (15) years following discharge.
- Satisfy the eligibility requirements of the institution.

Upon verification that the veteran is eligible for the Oklahoma Veterans SB 530, EOCTC will allow the veteran to defer payment of the tuition, but the veteran will be required to pay for any books/supplies at the time of enrollment in the class. The ODCTE will pay EOCTC the amount of tuition once the veteran has successfully completed the class, and the payment will be applied towards the outstanding tuition charge on the veteran's account.

If veteran student withdraws before successfully completing the class, the outstanding tuition charge will be the responsibility of the veteran.

Outside Agencies Who Offer Financial Assistance

Additional financial assistance may be available from area career majors such as Workforce Investment Act (WIA), DRS Vocational Rehabilitation (Voc-Rehab), and Private Vocational-Rehabilitation. Students should contact these organizations for more information and how to apply for their benefits.

Notice of Federal Student Financial Aid Penalties for Drug Law Violations

Federal Regulation 34 CFR 668.40 requires EOCTC to provide all students with the following notice regarding Student Financial Aid Penalties for Drug Law Violations:

"Please be advised that a conviction (for any offense, during a period of enrollment for which, you, the student, was receiving Title IV, HEA, program funds) under any federal or state law involving the possession or sale of illegal drugs will result in the loss of eligibility for any Title IV, HEA, grant, loan, or work-study assistance."

The only Title IV, HEA federal program that EOCTC participates in is the Federal Pell Grant program.

ATTENDANCE POLICY FOR FULL-TIME CAREER MAJORS

Developing good attendance habits in school will follow the student into the work environment. It is the intention of Eastern Oklahoma County Technology Center to be sensitive to student needs. EOCTC realizes that students have legitimate reasons to be absent during the school year. However, in a technical program, it is imperative that students have hands-on experience in class. This can only be accomplished if the student is attending classes on a consistent basis.

Instructors will complete the **Student Information Update Form** whenever they become aware of a change in the student's enrollment status and/or when they become aware that the student has stopped attending and has been absent more than 10 consecutive days for secondary students or 6 consecutive days for adult students.

SECONDARY STUDENT ATTENDANCE POLICY

Absences

Maximum absences allowed per 9-week enrollment period are 4 absences. Secondary students who exceed 4 absences per 9-week period may receive an administrative failure "F" for the 9-week period. Pre-approved high school activities, illness with a doctor's statement or bereavement leave for immediate family are exempted absences and do not count against the attendance requirement. Pre-approved job interviews, job orientations, and professional workshops are exempted absences and do not count against the attendance requirement and shall be documented as such on the daily attendance roster. Absences will **not** be excused for agency appointments. Appointments are to be scheduled after school hours. Documentation is to be submitted to the attendance secretary within two (2) days of the absence. Leaving school without permission may be counted as an absence. The 5th absence may result in administrative failure, "F", for the 9-weeks grading period. Attendance is prorated for students entering during the semester or who are on a non-traditional schedule. Any secondary student who misses ten (10) consecutive school days without notification will be withdrawn.

Tardiness

Three tardies count as one (1) absence. Leaving school before class is dismissed or coming in late from break counts as a tardy. Tardies will not be excused unless there is inclement weather or school administration detains the student. Maximum tardies allowed per 9-week enrollment period is 6 tardies. (6 tardies equal 2 absences.) Tardies may be made up through the discretion of the Instructors.

Appeals Procedure

The student may make a written appeal to determine if special circumstances warrant adjustment to policy. The appeal form is available in the offices of the Director of Educational Services or the Director of Instructional Services. The appeal will be reviewed by a committee comprised of (but not limited to) the Director of Educational Services, Director of Instructional Services, a Student Services Advisor, and the Instructor(s).

ADULT STUDENT ATTENDANCE POLICY

Absences

Maximum absences allowed per 9-week enrollment period are 4 absences. Adult students who exceed 4 absences in any 9-week period may receive an administrative failure "F" for the 9-week period. Absences for the AM classes and absences for the PM classes are figured separately as they reflect attendance records for specific periods of time during the school day. The two different attendance records will not be merged. Leaving campus without permission may be counted as an absence. Pre-approved jury duty, subpoenas for court appearance and military duty are "Exempt" absences and do not count against the attendance requirement (Requires documentation).

Pre-approved job interviews, job orientations, and professional workshops are considered as "School Activity" and do not count against the attendance requirement and shall be documented as such on the daily attendance roster. (Requires documentation) Bereavement leave for immediate family are "Exempt" absences and do not count against the attendance requirement. (Requires documentation) Attendance is prorated for students entering during the semester or who are on a non-traditional schedule.

Absences will not be excused for agency appointments; appointments are to be scheduled after school hours. Documentation must be submitted to the Instructor within two days of the absence. Adult students are encouraged to keep documentation from unexcused absences in the event the attendance policy is exceeded and an appeal must be filed. There is no makeup for absences except with approval by the Director of Educational Services or Director of Instructional Services. A student who misses six (6) consecutive school days without contacting the Instructor or a

Student Services Advisor will be considered as an Unofficial Withdrawal from EOCTC.

Leave of Absence

A Leave of Absence (LOA) may be granted to a student from 5 calendar days not to exceed 60 calendar days (approx. 2 months). The LOA must be approved by a Student Services Advisor or the Director of Educational Services in advance. The form is available in the Student Services office. Under extenuating circumstances, the student or relative should contact the school within two (2) class days of leaving school.

Multiple LOAs may be permitted by the Director of Educational Services or Director of Instructional Services on a case-by-case basis. Multiple LOAs may not exceed a cumulative 120 calendar days in any 12-month period. A student may apply for a LOA under the following conditions: (1) Extended illness or injury of self or child; (2) Extended Hospitalizations; (3) Maternity leave; (4) Active Military and/or Reservists (see below); and (5) Other reasons which must be approved by the Director of Educational Services prior to LOA.

For 20-21, LOAs will be used to document COVID-19 shutdowns and/or the absence of synchronous distance education in a given program. These will be determined on a case-by-case basis and must be approved by the Director of Educational Services.

Active Military and/or Reservists (Full-Time Career Majors other than EMT or FAC):

If a student, who is **active military or a reservist**, is called up for active duty, the student would be allowed to withdraw from the career major in good standing. Any unpaid charges would be voided. The student would be granted Advanced Standing for any completed courses with at least a grade of "C" if the student returns to attend the career major in the future. If a student knows they will have **scheduled military training** before enrollment, then the student would need to request a Leave of Absence (LOA) according to the policy above.

Active Military and/or Reservists (Fire Academy Career Major):

If a student, who is **active military or a reservist**, is called up for active duty, the student would be allowed to withdraw from the career major in good standing. Any unpaid charges would be voided. The student would be granted Advanced Standing for any fire certifications earned in the previous fire academy, if the student returns to attend a fire academy career major in the future. If a student knows they will have **scheduled military training** before enrollment, then the student should enroll in the term that does not include the scheduled military training.

Active Military and/or Reservists (EMT Career Major):

If a student, who is **active military or a reservist**, is called up for active duty, the student would be allowed to withdraw from the career major in good standing. Any unpaid charges would be voided. The student would be granted Advanced Standing for CPR and Anatomy & Physiology, if completed successfully with at least a "C" at time of withdrawal. If a student knows they will have **scheduled military training** before enrollment, then the student should enroll in the term that does not include the scheduled military training.

Consequences for Exceeding Attendance Policy

The fifth absence **in the morning and/or afternoon** will result in administrative failure "F" for the 9-weeks grading period. Students who receive an administrative failure "F" for the first grading period may be suspended from class for the remainder of the term. A student who makes an administrative failure "F" for a grading period due to being absent for 5 days must:

1. File an Attendance Appeal Request within 5 days of the notification of an administrative "F".
2. Meet with the Appeals Committee. The Committee will decide to allow the student to continue under a special contract (probationary status) or may suspend him/her for the remainder of the school year, or one semester, whichever is greater.
3. Failure to comply within 5 days of the notification of an administrative "F" will negate the opportunity to appeal the administrative "F" and may result in suspension for the remainder of the school year, or one semester, whichever is greater.
4. Only one Attendance Appeal is allowed per school year.

Tardiness

Three tardies count as one (1) absence. Leaving campus before class is dismissed or coming in late from break counts as a tardy. Tardies will not be excused unless there is inclement weather or school administration detains the student. Maximum tardies allowed per 9-week enrollment period is 6 tardies. (6 tardies equal 2 absences.) There is no makeup for tardies except with approval by the Director of Educational Services or the Director of Instructional Services. Excessive tardiness will affect the student's letter grade. The following is a summary of the new tardy policy for a 9-week period:

- 3 tardies = 1 absence
- 6 tardies = 2 absences
- 9 tardies = 3 absences
- 12 tardies = 4 absences

- 15 tardies = 5 absences which results in an Administrative "F" for the 9-weeks period

Attendance Appeal Procedure

The student may make a written appeal to determine if special circumstances warrant adjustment to policy. The appeal form is available in the office of the Director of Educational Services or the Director of Instructional Services. Adult students are encouraged to keep documentation from unexcused absences in the event the attendance policy is exceeded and an appeal must be filed. The appeal will be reviewed by a committee comprised of (but not limited to) the Director of Educational Services, Director of Instructional Services, a Student Services Advisor, and the Instructor(s).

If the appeal is approved, the student is granted an Attendance Probation Contract. This Contract allows the student to continue attending while on probation and to remove the Administrative "F" for the 9-week period, contingent upon adherence to the terms of the Attendance Probation Contract. **Only one appeal may be filed per school year.** If the appeal is denied, the student may be suspended for the remainder of the school year, or one semester, whichever is greater.

10% Limit for Financial Aid Students

Students receiving Pell Grants can only miss up to 10% of the clock hours in their payment period without adversely affecting their financial aid. This 10% includes all absences, excused or unexcused. Any hours over the 10% limit will have to be added to the End Date of the payment period which means the next Pell disbursement will be delayed. Students should contact the College Connection Coordinator for more information.

GRADE POLICY FOR ALL CAREER MAJORS

Effective July 1, 2022, the following grading system will be used at Eastern Oklahoma County Technology Center in awarding grades to students. Each career major will adapt this system to meet their occupational training:

A	100 - 90	GPA 4.0
B	89 – 80	GPA 3.0
C	79 – 70	GPA 2.0
D	69 - 60	GPA 1.0
F	59 - 0	GPA 0.0
I	Incomplete may be given if the Instructor feels the student needs additional time for any reason to complete requirements. Students will be given three weeks to remove the "I" except under extenuating circumstances as determined by the Instructor.	
NC	No Credit	
WP	Withdrawn Passing	
WF	Withdrawn Failing	
IP	In Progress may be given for partially completed courses at time of transcription	
AF	Administrative Failure may be given when a student exceeds the attendance policy	
AS	Advanced Standing	

Instructors will record a course grade as the student completes each course within the career major. Once the student completes all of the coursework within one career major, the Instructor will complete the Student Information Update form and recommend the student contact a Student Services Advisor to discuss enrolling in a second career major, if desired. Otherwise, the student will need to begin the withdrawal process if he/she is ready to withdraw from EOCTC.

SATISFACTORY ACADEMIC PROGRESS

All students are expected to make progress toward satisfactorily completing the course of study in order to be eligible to continue. Satisfactory progress is considered to be at least a 70%/C grade average and proceeding satisfactorily in accordance with the percentage of clock hours and attempted work completed.

If the student is not making satisfactory progress, the student may not be permitted to continue enrollment in the career major. A student who fails to comply with the attendance policy and does not make satisfactory progress in his/her course of study may be suspended from the school. The student may apply for reinstatement at the beginning of the next semester.

CHANGING CAREER MAJORS and UPDATES TO ENROLLMENT RECORDS

Students should contact a Student Services Advisor to discuss the requested changes. The Student Services Advisor

will verify available space in the desired career major, and consult with the Instructor regarding placement. If there is space available and the Instructor gives approval, an Information Update Form will be completed to document the change and when it will take effect.

Changing career majors and/or enrollment status (e.g. FT to HT) affects Pell Grant recipients and veteran students. These changes will require a new calculation and could affect the amount of Pell or VA a student is eligible for.

Any courses duplicated in the new career major will result in the student receiving advanced standing for them. Neither Pell nor VA will pay for coursework that's already been successfully completed. The total hours of the remaining courses in the new career major will be used to prorate new Pell disbursements for the new career major and a new Award Letter will be given to the student outlining these changes. A weighted GPA on the coursework completed in the original career major will be used to determine academic progress status. Veteran students will be notified by email or mail.

WITHDRAWAL POLICY

Secondary students need to notify their home school advisor before withdrawal. No credit will be given for a class that is dropped prior to the end of the grading period. Students who need to withdraw from EOCTC should also contact their Instructor and a Student Services advisor before beginning the withdrawal process.

Adult students who received the Federal Pell Grant or VA benefits should contact the College Connection Coordinator before withdrawing from EOCTC to discuss the ramifications of an early withdrawal from the program.

CANCELLATION OF ENROLLMENT

Cancellation of enrollment occurs when a student officially withdraws on or before Day 4 of Instruction of the current school year. Students must submit a completed Official Withdrawal Form to a Student Services Advisor on or before Day 4 of Instruction. Students who officially withdraw on or before Day 4 of Instruction will receive a full (100%) refund of tuition paid. Tuition charges will be voided from the student's account.

OFFICIAL WITHDRAWAL

An **Official Withdrawal** is defined as the action taken by a student who submits a completed Official Withdrawal Form to Student Services on or after Day 4 of Instruction of the school year. The date the completed form is submitted will be the date used in the calculation of any possible refund according to the "REFUND POLICY" (see below). The date of an official notice of withdrawal does not occur on weekends or holidays.

To officially withdraw, the student should inform the Instructor and a Student Services advisor. An **Official Withdrawal form** will be available for the student to complete in order to begin the withdrawal process. An Information Update Form will be completed by the Instructor to record effective date of withdrawal, reason for withdrawal and establish if there are any outstanding obligations.

Students who received the Federal Pell Grant or other financial assistance, should contact the College Connection Coordinator before withdrawing from EOCTC. Federal Pell Grant recipients who withdraw will be subject to the "Return of Title IV Funds (R2T4) or "Post-Withdrawal Disbursement" regulations. Please refer to the FINANCIAL AID section of the current Student Handbook for an example of how these are calculated.

The date of an official notice of withdrawal does not include weekends or holidays.

UNOFFICIAL WITHDRAWAL

An **Unofficial Withdrawal** is defined when a student fails to attend, ceases to attend, or is dismissed from EOCTC. If a student just stops attending without notifying the school, the absences may be counted against the student which may result in suspension. There are no refunds for Unofficial Withdrawals. Students will owe for unpaid charges on their account

If a student fails to attend, ceases to attend, or is dismissed from EOCTC, the student may be suspended for the remainder of the school year, or one semester, whichever is greater. Examples of when a student may be dismissed include, but are not limited to, not maintaining satisfactory academic progress, attendance policy violation, failing a drug test, cheating or any violation of the Student Behavior Code. Students should refer to the Secondary Student Behavior Code and the Adult Student Behavior Code sections located in this Handbook for a detailed list.

APPEAL FOR OFFICIAL WITHDRAWAL DATE

In extraordinary circumstances, e.g. hospitalization for an accident or illness, etc., a student may submit a written request to the appropriate Director to request an adjustment to their official withdrawal date and/or refund. These requests will be handled on a case-by-case basis.

GRADUATION and RETENTION RATES

Federal regulations require that EOCTC disclose graduation and retention rates data based on a cohort group of first-time, full-time, post-secondary attendees who complete their program of study within 150% of the career major length. The 4-Year Average Student Right-to-Know Graduation/Completion Rate for the 2018 Cohort is 67%. The Overall Graduation Rate that was reported on College Navigator through the Winter 2021 Integrated Postsecondary Education Data System (IPEDS) report for the Fall 2018 Full Year Cohort is 78%. The Retention Rate for full-time students included in the Fall 2019 cohort is 71%. The Retention Rate for part-time students included in the Fall 2019 cohort is 48%. The College Connection Coordinator is responsible for calculating these statistics and disseminating them to current and prospective students.

CONSTITUTION/CITIZENSHIP DAY

In 2004, Sen. Robert Byrd, (D-WV) inserted language into the Consolidated Appropriations act of 2005, requiring educational institutions receiving federal funds, as well as federal agencies, to implement an annual education program related to the United States Constitution beginning on September 17, 2005. September 17th is the date which commemorates the 1787 signing of the Constitution. However, during the years when September 17th occurs on a Saturday, Sunday, or holiday, the program must be held during either the preceding or following week. (Federal Register/Vol. 70, No. 99/Tuesday, May 24, 2005).

Constitution Day/Citizenship Day is celebrated to mark the anniversary of the ratification of the U.S. Constitution. This holiday is a means to express pride in citizenship, honor the Constitution of America and learn more about the famous piece of legislation. EOCTC honors this day by presenting an assembly and/or including lessons on the Constitution and Citizenship in the classroom, and/or performing community service activities and providing students the opportunity to register to vote.

STUDENT DIVERSITY

Information regarding EOCTC's student diversity, including the percentage of enrolled, full time students in the following categories: male, female, self-identified members of a program racial or ethnic group and Federal Grant recipients can be found under the Enrollment tab at: <https://nces.ed.gov/collegenavigator/?id=418348>.

COPYRIGHT INFRINGEMENT (225)

EOCTC does not condone, and will not allow, violations of the United States copyright laws. All employees are responsible for ensuring that their conduct does not violate copyright law. Subject to certain specific exceptions, the owner of a copyright has the exclusive right to reproduce, distribute, perform, or display the copyrighted work or to authorize such reproduction, distribution, performance, or display. Unless an exception applies, engaging in the reproduction, distribution, performance, or display of a copyrighted work constitutes unlawful copyright infringement. An exception to the exclusive rights is the Doctrine of Fair Use. The fair use of a copyrighted work for purposes of teaching, scholarship, or research is not an infringement of copyright. The following factors shall be considered in determining fair use for all works other than broadcast programming:

1. Purpose and nature of the use; whether the use is of a commercial nature or for non-profit educational purposes.
2. The nature of the copyrighted work.
3. The amount and importance of the portion used in relation to the copyrighted works as a whole.
4. The effect of the use upon the potential market for, or the value of, the copyrighted work.

Broadcast Programs

A “broadcast program” is any television program transmitted by a television station without charge to the general public.

Teachers may not record a broadcast program for classroom use, but may request that EOCTC record a broadcast program for the teacher’s one-time instructional use. The broadcast program must be used within ten (10) school days of the recording and must be destroyed within forty-five (45) calendar days of recording. Teachers may also view the program to determine whether to purchase the program and add it to the curriculum.

EOCTC will not record multiple copies of the same broadcast program for an individual teacher, and will not record broadcast programs without first receiving a request to record.

No broadcast program will be altered (but teachers are permitted to play only an excerpt), displayed without its copyright notice, or combined with other media to make an anthology.

Exceptions

A further exception to the copyright law includes the performance or display of a work by Instructors or students in the course of face-to-face teaching activities in a classroom or other place devoted to instruction.

Works that are in the public domain are no longer under copyright protection or do not meet the requirements for copyright protection.

Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504,505. Willful copyright infringement can also result in criminal penalties, including imprisonment up to five years and fines of up to \$250,000 per offense. For more information, please the website of the U.S. Copyright Office at www.copyright.gov.

VOTER REGISTRATION

Students are eligible to register to vote in elections once they reach the age of 18. To register to vote, students must fill out a voter registration application form. Voter registration applications are available online at the link listed below, and is also available at your County Election Board, post offices, tag agencies, libraries and many other public locations. Students will also be offered a voter registration application when they get their driver’s license and when they apply for assistance at some government

agencies. Per HEOA (Sec. 493(a)(1), EOCTC provides the following link to the Oklahoma Voter Registration information and form: https://www.ok.gov/elections/Voter_Info/Register_to_Vote/index.html.

STUDENT RECORDS/FERPA (530)

Purpose

This policy and the procedures included within it are intended to satisfy the requirements of the Family Educational Rights and Privacy Act (FERPA) and Oklahoma law. The EOCTC Board of Education authorizes the Superintendent or his/her designee to inform parents, students and the public of the policy and to take appropriate action to implement the policy and procedures.

Definitions

For purposes of this policy, the following definitions apply:

- A. Student - Any individual who attends or has attended a program of instruction sponsored by the Board of Education of EOCTC and for whom it maintains education records.
- B. Eligible student - A student who has reached age 18 or is attending a postsecondary school.

- C. Parent - A parent of a student, including a natural parent, a guardian or an individual acting as a parent in the absence of a parent or guardian. EOCTC will assume that either parent has a right of access to records regardless of custody orders unless EOCTC has been provided with evidence that the right of access has been revoked. Documents such as a court order or other legally binding document relating to such matters as divorce, separation or custody that specifically revoke the right to inspect and review records must be provided to EOCTC to prevent parent access to student records.
- D. Education records - Any record (in handwriting, print, computer media, video or audio tape, film, microfilm, microfiche or other method of recording information) directly related to a student and maintained by EOCTC or a party acting for EOCTC, except:
 - 1. Records that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record.
 - 2. Records of a law enforcement unit of EOCTC, but only if education records maintained by EOCTC are not disclosed to the unit, and the law enforcement records are maintained separately from education records; maintained solely for law enforcement purposes; and disclosed only to law enforcement officials of the same jurisdiction.
 - 3. An employment record made and maintained in the normal course of business that is not available for use for any other purpose and that relates exclusively to a student in his or her capacity as a District employee. (This provision does not include employment activities for which a student receives a grade or credit in a course.)
 - 4. Records on an eligible student that are:
 - a. made or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional acting in a professional capacity or assisting in a paraprofessional capacity;
 - b. made, maintained or used only in connection with treatment of the student (treatment does not include remedial educational activities or activities that are part of the program of school instruction); and
 - c. disclosed only to individuals providing the treatment
 - 5. Alumni records that relate to the student after he or she no longer attends classes provided by EOCTC that are not directly related to the individual as a student.
 - 6. Grades on peer-graded papers before they are collected and recorded by a teacher.
- E. Personally Identifiable Information (PII) - The term includes, but is not limited to, any information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community who does not have personal knowledge of the relevant circumstances to identify the student with reasonable certainty. The term also includes information requested by a person who EOCTC reasonably believes knows the identity of the student to whom the education records relates.

Personally Identifiable Information (PII) includes the student's name; the student's parents' or other family member's name; the student's or family's address; a personal identifier such as the student's social security number, student number or biometric record; and other indirect identifiers such as the student's date of birth, place of birth and mother's maiden name.
- F. Dates of Attendance - The period of time during which a student attends or attended an educational agency or institution. Examples of dates of attendance include an academic year, a spring semester or a first quarter. The term does not include specific daily records of a student's attendance at an educational agency or institution.
- G. Directory Information - Information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed.

Annual Notice

EOCTC will notify parents and eligible students annually of their rights under FERPA by means of a District newsletter, newspaper notice, school handbook or individual notice.

The notice will inform parents and eligible students that they have the right to:

- A. Inspect and review the student's education records. The notice will also identify the procedure for exercising this right.
- B. Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights. The notice will also identify the procedure for requesting amendment.
- C. Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA and its implementing regulations authorize disclosure without consent. EOCTC will also include in the notice its policy for disclosing education records to schools in which the student subsequently seeks or intends to enroll, its criteria for determining who constitutes a school official and what constitutes a legitimate educational interest.
- D. File a complaint with the U.S. Department of Education concerning EOCTC's alleged failure to comply with FERPA.

EOCTC will arrange to provide translations of its annual notice to non-English speaking parents in their native language and to effectively notify parents or eligible students who are disabled.

All rights and protections given parents under FERPA and this policy transfer to the student when he or she reaches age 18 or enrolls in a postsecondary school. The student then becomes an "eligible student."

The Right to Inspect and Review the Student's Education Records

Parents of students and eligible students may inspect and review the student's education records upon request. In some circumstances, it may be mutually more convenient for the record custodian to provide copies of records. The parent or eligible student may also provide consent to have a representative inspect and review the records. Access will be provided during school hours and within no more than 45 days of the request.

Access to a child's confidential records will be provided upon request before any IEP meeting or hearing relating to the identification, evaluation or educational placement of a child or the provision of a free and appropriate education to the child and in all cases within no more than 45 days of a request.

EOCTC will not withhold a parent's or eligible student's right to inspect and review student records because of debts owed EOCTC.

The right to inspect education records also includes the right to an explanation and interpretation of the records by school officials.

Parents or eligible students should submit to the student's school Director(s) a written request that identifies as precisely as possible the records he or she wishes to inspect. Since a student's records may be maintained in several locations, the Director should offer to collect copies of records or the records themselves from locations other than a student's school so they may be inspected at one site. However, if parents and eligible students wish to inspect records where they are maintained, the Director will make every effort to accommodate their wishes. The Director (or other custodian) will make the needed arrangements as promptly as possible and notify the parent or eligible student of the time and place where the records may be inspected.

When a record contains information about students other than a parent's child or the eligible student, the parent or eligible student may not inspect and review the records of the other students.

EOCTC is not required to give an eligible student access to treatment records (as defined by the term "education records" in the Definitions section of this policy), but the student may have those records reviewed by a physician or other appropriate professional of the student's choice.

Copies of Records (210)

EOCTC will provide the parent with a copy of the student's education records under the following circumstances:

- A. If mutually agreed by both the parent or eligible student and EOCTC.
- B. If failure to provide copies would effectively prevent the parent or eligible student from exercising the right to inspect and review the records. This may arise when a valid reason, such as working hours, the distance between record locations sites or health, prevents a parent or eligible student from personally inspecting and reviewing a student's education record.

- C. At the request of the parent or eligible student when EOCTC has provided the records to third parties by the prior consent of the parent or eligible student.
- D. At the request of the parent or eligible student when EOCTC has forwarded the records to another school where the student seeks or intends to enroll.

EOCTC will charge a fee for copies of education records. When a fee represents an unusual hardship, the record custodian may waive it in part or entirely. However, EOCTC reserves the right to make a charge for copies such as transcripts it forwards to potential employers or to colleges and universities for employment or admissions purposes.

EOCTC's fee for copies provided under FERPA will range from no cost to .25 per page (actual copying cost less hardship factor). EOCTC will not charge for the costs of search and retrieval.

All student records are kept in the Student Services offices.

Directory Information

EOCTC designates the following information contained in a student's record as "directory information," and it will disclose that information without the prior written consent of the parent or eligible student:

- A. Student's name;
- B. Student's address
- C. Student's telephone listing
- D. Student's age
- E. Student's dates of attendance;
- F. Student's grade level (i.e., junior year, senior year, etc.);
- G. Student's participation in officially recognized activities;
- H. Student's degrees, honors and awards received; and
- I. Student's electronic mail address.

EOCTC will notify parents and eligible students annually of the designated items of directory information by means of a District newsletter, newspaper notice, school handbook or individual notice. Parents and eligible students have the right to exclude directory information from public access by notifying the Superintendent's office in writing of any or all of the items they refuse to permit EOCTC to designate as directory information about that student. The student's records will be marked to indicate the items EOCTC will designate as directory information about the student. This designation will remain in effect until it is modified by the written direction of the student's parent or the eligible student.

Use and Disclosure of Student Education Records (212)

District officials may release information from a student's education record if the student's parent or the eligible student gives his or her signed and dated prior written consent for the disclosure. The written consent must Specify the records that may be disclosed; state the purpose of the disclosure; and identify the party or class of parties to whom the disclosure may be made.

EOCTC will only release information from or permit access to a student's education record with a parent or eligible student's prior written consent, except in the following instances permitted by FERPA:

- A. The disclosure is to other school officials, including teachers, within EOCTC whom EOCTC has determined to have legitimate educational interests.

A school official is a person employed by EOCTC as an administrator, supervisor, Instructor, or support staff member, including health or medical staff and law enforcement unit personnel; a person serving on the EOCTC Board of Education; a person or company with whom EOCTC has contracted to perform a special task, such as an attorney, auditor, medical consultant or therapist; or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility. EOCTC will use reasonable methods to ensure that school officials obtain access to only those education records in which they have legitimate educational interests. EOCTC will ensure that its policy for controlling access to education records is effective and remains in compliance with the legitimate educational interest requirement of the FERPA regulations.

A contractor, consultant, volunteer or other party to whom EOCTC has outsourced institutional services or functions may be considered a school official provided that the outside party performs an institutional service or function for which EOCTC would otherwise use employees; is under EOCTC's direct control concerning the use and maintenance of education records; and is subject to the requirements of FERPA regulations governing the use and re-disclosure of personally identifiable information from education records.

- B. The disclosure is to officials of another school, school system or institution of post secondary education where the student seeks or intends to enroll or where the student is already enrolled so long as the disclosure is related to the student's enrollment or transfer. (Parents and students have a right to obtain copies of the records disclosed under this provision).
- C. The disclosure is to authorized representatives of the Comptroller General of the United States, the U.S. Secretary of Education, or State and Local Educational authorities. Military services representatives shall have access to student directory information unless the parent, legal guardian or the student age 18 or older specifically denies such access in writing. Military services representatives have the same access to secondary school students as is generally provided to post-secondary institutions or prospective employers unless denied in writing by the parent, legal guardian or student age 18 or older.
- D. The disclosure is in connection with financial aid for which the student has applied or that the student has received, if necessary to determine eligibility for the aid, the amount of the aid, the conditions for the aid, or to enforce the terms and conditions of the aid.
- E. The disclosure is to organizations conducting studies for or on behalf of EOCTC to develop, validate or administer predictive tests, administer student aid programs or improve instruction in compliance with Section 99.31(a)(6) of the FERPA regulations.
- F. The disclosure is to accrediting institutions to carry out their accrediting functions.
- G. The disclosure is to parents of eligible students if the parents claim the student as a dependent as defined in Section 152 of the Internal Revenue Code of 1986.
- H. The disclosure is to comply with a judicial order or lawfully issued subpoena. EOCTC will make a reasonable effort to notify the student's parents or the eligible student before making a disclosure under this provision unless:
 - 1. the disclosure is in compliance with a federal grand jury subpoena and the court or other issuing agency has ordered that the existence or the contents of the subpoena or the information furnished in response to the subpoena not be disclosed;
 - 2. the disclosure is in compliance with any other subpoena issued for a law enforcement purpose and the court or other issuing agency has ordered that the existence or the contents of the subpoena or the information furnished in response to the subpoena not be disclosed;
 - 3. the disclosure is in compliance with an ex parte court order obtained by the United States Attorney General (or designee not lower than an Assistant Attorney General) concerning the investigation or prosecution of an offense listed in the Patriot Act or an act of domestic or international terrorism as defined by law;
 - 4. EOCTC initiates legal action against a parent or student, EOCTC may disclose to the court, without a court order or subpoena, the education records of the student that are relevant for EOCTC to proceed with the legal action as plaintiff; or
 - 5. the parent or eligible student initiates legal action against EOCTC, EOCTC may disclose to the court, without a court order or subpoena, the student's education records that are relevant for EOCTC to defend itself.
- I. The disclosure is to appropriate parties in connection with a health or safety emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals. In making this determination EOCTC may take into account the totality of the circumstances pertaining to a threat to the health or safety of a student or other individuals. If EOCTC determines that there is an articulable and significant threat, it may disclose information

from education records to any person whose knowledge of the information is necessary to protect the health or safety of the student or other individuals.

- J. The Disclosure contains only "directory information" as defined in this policy, and the parent or eligible student has not refused to allow EOCTC to designate that item as directory information for the student.
- K. The Disclosure is made directly to the parent or eligible student.
- L. If a state law adopted before November 19, 1974, allows certain specific items of information to be disclosed in personally identifiable form from student records to state and local officials or authorities concerning the juvenile justice system and the system's ability to effectively serve the student whose records are released or if a state law adopted after November 19, 1974, allows such information to be disclosed to state or local officials concerning the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records are released.

EOCTC will use reasonable methods to identify and authenticate the identity of parents, students, school officials and any other parties to whom EOCTC discloses personally identifiable information from education records.

Upon request, the student's parent or eligible student may obtain a copy of any records disclosed under this provision.

Record of Requests for Access and Disclosures Made from Education Records

EOCTC will maintain an accurate record of each request for access to and each disclosure of personally identifiable information from the education records of each student. EOCTC will maintain this record with the student's education records as long as the records are maintained.

For each request or disclosure, the record will include the name of the party who requested or received personally identifiable information from the education records; AND the party's legitimate interests in requesting or obtaining the information.

EOCTC will record the following information when it discloses personally identifiable information from education records under the health or safety emergency exception in FERPA:

- A. The articulable and significant threat to the health or safety of a student or other individuals that formed the basis for the disclosure; and
- B. The parties to whom EOCTC disclosed the information.

As permitted by FERPA, EOCTC may disclose personally identifiable information from an education record only on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the prior consent of the parent or eligible student. EOCTC will inform a party to whom such disclosure is made of this nondisclosure requirement.

In the alternative, EOCTC may disclose personally identifiable information with the understanding the party receiving the information may make further disclosure of the information on EOCTC's behalf if:

- A. The disclosures meet the requirement of the Use and Disclosure of Student Education Records section of this policy;
- B. EOCTC makes a record of the disclosure that includes the names of the additional parties to whom the receiving party may disclose the information on EOCTC's behalf and the legitimate interests each additional party has in requesting or obtaining the information; and
- C. EOCTC maintains a record of the names of State and local educational authorities and Federal officials and agencies that may make further disclosures of personally identifiable information from the student's education records without consent and maintains this record with the student's education records as long as the records are maintained.

Procedures to Seek to Correct Education Records

Parents and eligible students have a right to seek to change any part of the student's record they believe is inaccurate, misleading or in violation of student rights. EOCTC will not use this procedure to consider a request to change the grade a teacher assigns for a course.

For purposes of outlining the procedure to seek to correct education records, the term "incorrect" will be used to describe a record that is alleged to be inaccurate, misleading or in violation of student rights. The term "correct" will be used to describe a record that is alleged to be accurate, not misleading and not in violation of student rights. Also, in this section, the term "requester" will be used to describe the parent of a student or the eligible student who is asking EOCTC to correct a record.

To establish an orderly process to review and correct an education record for a requester, EOCTC may make a decision to comply with the request for a change at several levels in the procedure.

First level decision - When a parent of a student or eligible student finds an item in the student's education record that he or she believes is incorrect, he or she should immediately ask the record custodian to correct it. If the record is incorrect because of an obvious error and it is a simple matter to make the record change at this level, the record custodian will make the correction. However, if the record is changed at this level, the method and result must satisfy the requester.

If the custodian cannot change the record to the requester's satisfaction or the record does not appear to be obviously incorrect, the custodian will provide the requester a copy of the questioned record at no cost; ask the requester to initiate a written request for the change; and follow the procedure for a second level decision.

Second level decision - The written request to correct a student's education record through the procedure at this level should specify the correction the requester wishes EOCTC to make. It should at least identify the item the requester believes is incorrect and state whether he or she believes the item: is inaccurate and why; is misleading and why; or violates student rights and why. The requester must sign and date the request.

Within two weeks after the record custodian receives a written request, he or she will; study the request, discuss it with other school officials (such as the person who made the record or those who may have a professional concern about EOCTC's response to the request), make a decision to comply or decline to comply with the request and complete the appropriate steps to notify the requester or move the request to the next level for a decision.

If, as a result of this review and discussion, the record custodian decides the record should be corrected, he or she will affect the change and notify the requester in writing that he or she has made the change. Each such notice will include an invitation for the requester to inspect and review the student's education record to make certain the record is in order and the correction is satisfactory.

If the custodian decides the record is correct, he or she will make a written summary of any discussions with other officials and of his or her findings in the matter. He or she will transmit this summary and a copy of the written request to the Superintendent.

Third level decision - The Superintendent or designee will review the material provided by the record custodian and, if necessary, discuss the matter with other officials (such as the school attorney or the EOCTC Board of Education (in executive session)). He or she will then make a decision concerning the request and complete the steps at this decision level. Ordinarily, this level of the procedure should be completed within two weeks. If it will take longer, the Superintendent or designee will notify the requester in writing of the reasons for the delay and a date when the decision will be made.

If the Superintendent or designee decides the record is incorrect and should be changed, he or she will advise the record custodian to make the changes. The record custodian will advise the requester of the change as he or she would if the change had been made at the second level.

If the Superintendent or designee decides the record is correct, he or she will prepare a letter to the requester which will include:

- A. EOCTC's decision that the record is correct and the basis for the decision;
- B. A notice to the requester that he or she has a right to ask for a hearing to present evidence that the record is incorrect and that EOCTC will grant such a hearing;
- C. Instructions for the requester to contact the Superintendent or designee to discuss acceptable hearing officers, convenient times and a satisfactory site for the hearing. (EOCTC will not be bound by the requester's positions on these items, but will, so far as possible, arrange the hearing as the requester wishes.); and
- D. Advise that the requester may be represented or assisted in the hearing by other parties, including an attorney at the requester's expense.

Fourth level decision - After the requester has submitted (orally or in writing) his or her wishes concerning the hearing officer and the time and place for the hearing, the Superintendent or designee will, within a week, notify the requester when and where EOCTC will hold the hearing and who it has designated as the hearing officer.

At the hearing, the hearing officer will provide the requester a full and reasonable opportunity to present material evidence and testimony to demonstrate that the questioned part of the student's education record is incorrect, as shown in the requester's written request for a change in the record (second level).

Within one week after the hearing, the hearing officer will submit to the Superintendent or designee a written summary of the evidence submitted at the hearing. Along with the summary, the hearing officer will submit his or her recommendation, based solely on the evidence presented at the hearing, that the record should be changed or remain unchanged.

The Superintendent or designee will prepare EOCTC's decision within two weeks of the hearing. That decision will be based on the summary of the evidence presented at the hearing and the hearing officer's recommendation. However, EOCTC's decision will be based solely on the evidence presented at the hearing. Therefore, the Superintendent or designee may overrule the hearing officer if he or she believes the hearing officer's recommendation is not consistent with the evidence presented. As a result of EOCTC's decision, the Superintendent or designee will take one of the following actions:

- A. If the decision is that EOCTC will change the record, the Superintendent or designee will instruct the record custodian to correct the record. The record custodian will correct the record and notify the requester as at the second level decision.
- B. If the decision is that EOCTC will not change the record, the Superintendent or designee will prepare a written notice to the requester, which will include:
 - 1. EOCTC's decision that the record is correct and will not be changed;
 - 2. A copy of a summary of the evidence presented at the hearing and a written statement of the reasons for EOCTC's decision; and
 - 3. A notice that the requester may place in the student's education record an explanatory statement that states the reasons he or she disagrees with EOCTC's decision and/or the reasons he or she believes the record is incorrect.

Final administrative step in the procedure - When EOCTC receives an explanatory statement from a requester after a hearing, it will maintain that statement as part of the student's education record as long as it maintains the questioned part of the record. The statement will be attached to the questioned part of the record, and whenever the questioned part of the record is disclosed, the explanatory statement will also be disclosed.

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5091

Student Records Grievance Procedure (205)

Parents have the right to inspect and review their student's education records, the right to have limited control over the access of others to their student's records and the right to seek to correct the student's records.

Parents may inspect their student's records by filling a written request for access, and arrangements will be made as promptly as possible to accommodate that inspection.

In the event a parent deems that the content of a student's education record is inaccurate, misleading, or in violation of the privacy or other rights of the child, the parent may seek to correct the record. If the error is an obvious

typographical error, the Director of Instructional Services, who is responsible for student records, may make the correction immediately, noting the change by inserting a dated written memo in the student's record. If the requested correction is not made or does not satisfy the parent, the parent may appeal to the Superintendent by filing a written request for correction, setting forth the information to be corrected, the correction and the reason the information is incorrect. The Superintendent shall consider the request and within two weeks shall comply with or deny the request. If the request for correction is denied, the parents may request a hearing before the EOCTC Board of Education which shall hear the matter no later than at its next regularly scheduled meeting.

In any event, the record shall either be corrected or a written notice to the parents shall be prepared setting out the decision that the record is correct, summarizing the evidence and setting forth the reasons for the decision, and notifying the parents that they may insert in the records their own written explanation.

Under no circumstances may a student's grade be changed without the knowledge of the program Instructor. When a grade is changed, a written memorandum shall be placed in the student's record indicating that the Instructor was involved in the decision and the reasons for the change.

SCHOOL RULES

Social Media/Social Networks (256)

Social network sites are defined as web/internet-based services that allow individuals to construct a public or semi-public profile or page within a bounded system, articulate to a list of other users with whom they share a connection and/or view and traverse information to or with others within the system. The nature and nomenclature of these connections vary from site to site and

platform of the media utilized. Due to the changing nature of new technologies and social media outlets, this policy is subject to change.

School personnel participating in any social network platform, including blogs, in a professional capacity must obtain approval from district administration. Personnel participating should conduct themselves in a professional manner remembering they are representing the District in these venues. Upon approval, personnel may participate with the following restrictions:

- a. No posting of confidential or proprietary information about the District, its students, alumni or employees on social networking sites or blogs.
- b. No assuming an alias or false identity to post information about the District, students, alumni or employees.
- c. No sharing information via social networks or blogs regarding District business using personal or District equipment. Use of District equipment requires any transmitted information to be retained due to it being categorized as a public record in accordance with state and local laws.

Personnel who engage in the use of social media/networks for professional use must be cognizant that these platforms, by their nature, are not private and anything posted can remain for extended periods, and in most instances, be accessed indefinitely. Comments can be forwarded even if deleted.

School personnel participating on social network platforms, including blogs, for personal use should be aware that his/her participation should be conducted in a manner that does not adversely or negatively impact the District. As result the following is prohibited or recommended:

- a. Personnel are prohibited from communicating knowingly with current students on their personal social media/networking account. It is recommended that any messaging should be done in a group environment for general information purposes only.
- b. Posting of comments, pictures or other information that is considered defamatory, libelous, obscene, violation of District policy or federal and/or state regulation may result in discipline or termination consistent with

- District policy.
- c. Personnel should be aware that their conduct in their private lives may affect their professional standing. Others have the ability to post or communicate images with and without their consent.
 - d. Employees should refrain from participating in social media/networking during the workday to prevent misinterpretation by others. This includes breaks and lunchtime. Any postings using personal devices relating to school activities or business are best served being broadcasted through the Director of Marketing and Educational Technology on the registered District social media/network sites.

Social media/networking can be productive, improve communication, and increase the exchange of information for professional purposes. Personnel should exercise extreme caution when using District equipment or personal devices to communicate any information regarding students, the District or information that is connected to EOCTC. In appropriate use of social media/networking may expose the District and the individual to liability. Any staff member questioning the appropriateness of participation in social media/networking subject matter or audience should seek prior approval from District administration.

Dress Code

It is the consensus of the Administrative and Instructional Staff at EOCTC Tech that, in addition to teaching a marketable skill, school should help students realize that society generally demands certain personal characteristics of those who hope to succeed. Prospective employers prefer that students develop and demonstrate these characteristics during the training period in order that they may adjust more quickly to the job responsibilities following initial employment.

With this objective in mind, it is a requirement that all students enrolled in the FTA career majors must be neatly groomed at all times. They must be appropriately dressed in relation to the trade for which they are preparing as defined by the Instructor in each department and approved by the Administration of the school. Also, when deemed necessary by the Instructor that the length of hair may be hazardous or inappropriate clothing is worn, necessary personal safety precautions will be taken. Blankets are not allowed to be brought on campus and/or used during class time.

Smoking/Smokeless Tobacco Policy

Smoking and the use of tobacco products in any form, as well as the use of simulated tobacco products including vapor products, is prohibited on technology center property. This prohibition includes technology center buildings, grounds, and technology center-owned vehicles. Possession of tobacco products or simulated tobacco products by students on technology center property is, likewise, prohibited.

Medical Marijuana Policy (236)

Introduction – Regardless of a student, employee, parent or any individual's status as a medical marijuana licenses holder, marijuana is not allowed on the premises of Eastern Oklahoma County Technology Center ("EOCTC") or in any school vehicle or any vehicle transporting a student under any circumstances. While the use of medical marijuana in conjunction with the possession of a medical marijuana license is legal in the State of Oklahoma, marijuana is a prohibited controlled substance under federal law regardless of the use being for medical purposes. Accordingly, possession of marijuana by a student, employee, parent or any individual, notwithstanding the possession of a medical marijuana license, is strictly prohibited while on the premises of EOCTC and in school vehicles; going to and from and attending district sponsored functions and events, including those district sponsored functions and/or events which occur in a location other than the premises of EOCTC; utilizing district equipment or transportation; and in any other instance in connection with the district where EOCTC reasonably deems the possession of marijuana to be illegal. In the event that a student, employee, parent or any individual is found to possess or to have possessed marijuana in any of the instances stated above, EOCTC will proceed with all actions and consequences that are afforded under any state or federal law, employment contract, district policy, student handbook provision, or any other authority applicable to or adopted by EOCTC.

Definitions – The terms "marijuana" and "possession of marijuana" will be interpreted by the district in accordance with state and federal law. The term "marijuana" includes, but is not limited to, any form of marijuana; all parts of the plant *Cannabis sativa* L., whether growing or not; marijuana seeds; marijuana oil, extract, resin, or residue; cannabidiol in any form; and marijuana edibles. Any conflict between state and federal law as to the definition of "marijuana" or "possession of marijuana" will be interpreted in favor of federal law.

Nondiscrimination – There will be no discrimination in EOCTC because of an individual's status as a medical marijuana license holder.

Overlap with EOCTC Policies – EOCTC recognizes that the legal aspects and consequences of medical marijuana are new and possibly subject to change. These legal aspects and consequences of medical marijuana effect many areas of EOCTC's current policies regarding employees, students, parents and individuals on district premises or attending school events. EOCTC will continue to enforce its current adopted policies. As the need arises with changes in state and/or federal law, the district will consider and/or examine EOCTC policies in order to assess whether revisions, if any, may be needed to a district policy in order to comply with state and federal law.

Phones and Wireless Communication Devices Policy (565)

It is the policy of Eastern Oklahoma County Technology Center ("EOCTC") Board of Education that students may possess a cellular telephone while on school premises and while in transit under the authority of the school only with the written permission of their parents and the consent of EOCTC administration. The term "cell phone" includes but is not limited to cellular phones, mobile phones, VoIP, iPhones, smart phones, internet phones or similar devices. Students will keep cellular telephones turned off and out of sight during class time, passing periods and other school activities. During these times students shall be restricted from text or picture messaging, calling, electronic mailing, instant messaging, uploading, downloading, gaming, web-surfing, accessing social networking sites, or using any features or applications installed on communication devices. Students may only use cellular telephones before and after school and at lunch. Students may have pagers and cellular telephones while attending a function sponsored or authorized by the school if the sponsor gives his/her permission.

Telecommunication devices shall be turned off and out-of-sight in locations deemed "private areas." "Private areas" include but are not limited to restrooms, changing rooms, and locker rooms. The use of audio/video recording and camera features is strictly prohibited in these areas. A student who witnesses a cell phone or other telecommunication device out in a "private area" shall immediately report this behavior to a teacher or administrator.

Students shall only engage in approved and authorized contact with EOCTC employees and shall report any inappropriate contact immediately.

Students found to be using any electronic communications device for any illegal purpose, violation of privacy, to in any way send or receive personal messages, data, or information that would contribute to or constitute cheating on tests or examinations, or to harass or intimidate students or staff members shall be subject to discipline and the device shall be confiscated and not returned until a parent conference has been held. Using a phone for harassment purposes includes using a phone's features such as text to picture messaging, internet uploading and downloading, camera, audio/visual recording features. Acts such as "upskirting" or "downblousing" are prohibited and are considered harassment of an individual. Students violating this policy will not be allowed to carry any personal communication device following the incident unless a genuine health emergency exists.

WARNING: The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, emailing, and other modes of electronic communication) may constitute a CRIME under state and/or federal law. Any person taking, disseminating, transferring, or sharing obscene, pornographic, lewd or otherwise illegal images or photographs will be reported to law enforcement and/or other appropriate state or federal agencies, which may result in arrest, criminal prosecution, and inclusion on sexual offender registries.

School personnel shall have the authority to detain and search or authorize the search of any student when the student is on school premises or while in transit to or from school in a school vehicle or while attending any function sponsored or authorized by the school upon reasonable suspicion that the student is improperly using a wireless communication device. School personnel searching or authorizing the search of a student upon reasonable suspicion that the student is improperly using a wireless communication device shall have the authority to remove the wireless communication device from the student's possession.

Students improperly using a wireless telecommunications device in violation of this policy shall suffer the following disciplinary consequences:

First Offense - Confiscation of device with parent/guardian required to obtain the device from the Director of Educational Services(Director).

Second Offense - Confiscation of device with parent/guardian required to obtain the device from the Director; out-of-school suspension from school for three days.

Third Offense - Confiscation of device with parent/guardian required to obtain the device from the principal; out-of-school suspension from school for ten (10) school days; forfeiture of the privilege to have a wireless telecommunications device when the student is on school premises or while in transit to or from school in a school vehicle or while attending any function sponsored by EOCTC for the balance of the school year.

Fourth Offense - Confiscation of the device with parent/guardian required to obtain the device from the Director; suspension from school for the remainder of the current semester and all of the next semester; forfeiture of the privilege to have a wireless telecommunications device when the student is on school premises or while in transit to or from school in a school vehicle or while attending any function sponsored by EOCTC for the balance of the student's enrollment in EOCTC schools.

Visitors and Children

Visitors entering the building should report immediately to Student Services in the Main Building. Visitors will not be allowed to visit students during class time without prior approval. No loitering will be permitted in the parking lot or on the campus grounds. Children of students are not allowed in the classrooms.

Policy On Service Animals (265)

The purpose of this policy is to establish procedures for the use of service animals at Eastern Oklahoma County Technology Center ("EOCTC"), including school buildings, school vehicles and other school property. EOCTC acknowledges its responsibility to permit students and/or adults with disabilities to be accompanied by a service animal in its facilities and programs and intends to comply with all state and federal laws, rules and regulations regarding the use of service animals by district employees and students with disabilities.

Definitions:

"Service animal" is defined by the Americans with Disabilities Act (ADA) as any service dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability. Service animal is limited to the animals defined under the ADA and does not include any other species of animal, wild or domestic, trained or untrained. Service animal does not include an animal used or relied upon for crime deterrence, emotional support, well-being, comfort, or companionship.

"Employee" is defined as a person who is employed by EOCTC on a part or fulltime basis, with or without compensation, and elected or appointed members of the district's board of education.

"Student" means a child or adult who is currently enrolled at EOCTC, and includes the parents and guardians of a child or adult who is (a) under the age of 18, or (b) otherwise unable to manage their own affairs.

Procedures/Requirements:

The use of service animals by employees and students with disabilities is subject to the following procedures and requirements:

- A. The employee or student will submit a notification of the intent to use a service animal to Superintendent, Assistant Superintendent, or Director(s). The notification will identify whether the service animal is required because of the person's disability, and, if so, identify and describe the manner in which the service animal will meet the individual's particular need(s).
- B. Notifications for the use of service animals on EOCTC property will, whenever possible, be made at least one week prior to the proposed use of the service animal.
- C. As part of EOCTC's consideration of the use of a service animal, the district may require certification of proper vaccinations verified by a veterinarian.
- D. The district's review of use of a service animal may include consideration of a student's IEP or Section 504 records. EOCTC may also request a meeting with the employee or student.
- E. The use of a service animal on EOCTC property may be subject to a plan that introduces the service animal to the school environment, any appropriate training for staff and students regarding interaction with the service animal, and other activities or conditions deemed necessary by the district. EOCTC's approval of the use of a service animal on district property is subject to periodic review, revision, or revocation by EOCTC administration.
- F. Service animals will always be on a leash or other form of restraint mechanism. It is recommended that service animals have proper identification. It is the responsibility of the employee or student who uses a service animal pursuant to this policy to serve as the handler or arrange for a third party handler to provide proper handling of the service animal. Any cost incurred to handle the service animal will be the responsibility of the employee or student who uses the service animal.
- G. Service animals will be allowed in EOCTC vehicles when:
 1. The inclusion of the service animal is documented as required on EOCTC transportation forms; and
 2. The service animal is under the control of the handler at all times, including entering and exiting the vehicle.
- H. The responsibility for the care and supervision of the service animal rests solely on the employee or student. EOCTC is not responsible for providing any staff member to walk the service animal or provide any other care or assistance to the animal. Issues related to the care and supervision of service animals will be addressed on a case-by-case basis in the discretion of the building administrator.

- I. Pursuant to federal law, EOCTC retains discretion to exclude or remove a service animal from district property and transportation if:
 1. The service animal is out of control and/or the service animal's handler does not effectively control the service animal's behavior;
 2. The service animal is not housebroken;
 3. The service animal poses a direct threat to the health or safety of others that cannot be eliminated by reasonable modifications; or,
- U. Permitting the service animal would fundamentally alter the nature of the service, program, or activity.

Liability:

The employee or student will be responsible for any damage to EOCTC or personal property and any injuries to individuals caused by the service animal. The employee or student who uses a service animal on district property will hold EOCTC harmless and indemnify the district from any such damage.

Visitors:

Any visitor requiring the accompaniment of a service animal for purposes of this policy is welcome in all area of EOCTC facilities and programs that are open to the public (except in situations determined to apply under item I. In the Procedures/Requirements section, above).

Appeals and Grievances:

Any person dissatisfied with a decision concerning a service animal can file a grievance, using EOCTC's grievance procedures.

- **Licensing:** All service dogs must be licensed as may be required by state and/or local law.
- **Owner ID and Other Tags:** Dogs may be required to wear a current dog license and rabies-vaccination tag, unless the dog is permanently and uniquely identified with a microchip implant or tattoo.
- **Leash:** Service animals must be on a leash or tether at all times, unless impracticable or unfeasible due to the disability of the employee or student.

- **Grooming:** All service animals must be treated for, and kept free of, fleas and ticks. All service animals must be kept clean and groomed to avoid shedding and dander.

Personal Property

It is the responsibility of each student to safeguard all personal belongings. Cars should be locked upon arrival at school. The school is not responsible for items lost or stolen.

Parking

All students who plan to drive and park on campus, are required to register for a Parking Permit. Students need to go to Student Services to complete a parking permit application. There is no charge for the first parking permit. Subsequent parking permits are subject to a replacement fee.

Students may park in the parking lots on the East and South sides of the main school building. The parking lot on the Northwest side of the main building by Adult Day Services and Child Development Center is reserved for EOCTC staff only.

Transportation

Bus transportation will be available from each of the four district high schools. Adult students who ride these buses are expected to conform to the standards and regulations established for the general welfare and safety of the whole group.

Vehicles must be parked in the designated student parking areas. Students must observe posted speed limits at all times. All vehicles should be locked immediately upon arrival. It is the responsibility of each individual to care for and safeguard personal belongings and at no time shall the school be responsible for items lost or stolen. Students will not be allowed to go to the parking lot during class or break time without special permission and/or being accompanied by an Instructor. Students cannot remain in cars in the parking lot. Students may wait in the Break Area until classes begin.

While traveling in school transportation or in an individual vehicle (if permitted), each individual is expected to behave according to the rules and regulations of the school and the state. Passengers who do not abide by these rules and regulations may be denied the opportunity to ride. In the event that the Administration allows its students to drive individual vehicles, all regulations must be followed pertaining to the safety and welfare of all concerned. No private vehicle is to be moved from the parking area during school hours, unless permission has been granted by the Administrative Office. Damages and losses to personal vehicles will be at the risk of the owner. Failure to abide by any rules will result in the loss of driving privileges.

Possession or Usage of Dangerous Weapons (555)

In order to provide a safe environment for the students and staff of the Eastern Oklahoma County Technology Center, the EOCTC Board of Education adopts this policy prohibiting the possession and/or use of dangerous weapons, replicas or facsimiles of dangerous weapons and items or instrumentalities which are used to threaten harm or are used to harm any person.

Dangerous weapons, including but not limited to firearms, are a threat to the safety of the students and staff of EOCTC. In addition, possession of dangerous weapons, or replicas or facsimiles of dangerous weapons, disrupts the educational process and interferes with the normal operation of EOCTC.

For the foregoing reasons and except as specifically provided in the following paragraph, possession by any student of a dangerous weapon, as that term is defined in this policy or a replica or facsimile of a dangerous weapon, while on school property, as a school-sponsored activity, or on a school bus or vehicle, is prohibited. Further, use of any item or instrumentality by a student to threaten harm to any person or which is used to harm any person, while on school property, at a school-sponsored activity, or on a school bus or vehicle, is prohibited.

An exception to this policy may be granted for students participating in an authorized curricular or extracurricular activity or team involving the use or demonstration of a dangerous weapon, or replica or facsimile of a dangerous weapon. For this exception, prior written approval by the appropriate director in consultation with the Superintendent, is required.

For purposes of this policy, "possession of a dangerous weapon" includes, BUT IS NOT LIMITED TO, any person having a dangerous weapon:

1. on his person;
2. in his locker;
3. in his vehicle;
4. held by another person for his benefit; or
5. at any place on school property, a school bus or vehicle, or at a school activity.

A dangerous weapon includes, But Is Not Limited To, a pistol, revolver, rifle, shotgun, air gun or spring gun, B-B gun, stun gun, hand grenades, fireworks, slingshot, bludgeon, blackjack, brass knuckles or artificial knuckles of any kind, nun-chucks, dagger, Bowie knife, dirk knife, butterfly knife, any knife, regardless of the length or sharpness of the blade, any knife the blade of which can be opened by a flick of a button or pressure on the handle, any pocketknife, regardless of the length or sharpness of the blade, any pen knife, "credit card" knife, razor, dart, ice pick, explosive smoke bomb, incendiary device, sword cane, hand chains, firearm shells or bullets, garrottes, choking devices, mace, pepper spray, and any item whose principal purpose is for use as a weapon, whether offensive or defensive, and any replica or facsimiles of any of the foregoing items, or any item or instrumentality which is used to threaten harm or is used to harm any person or any chemical, material or substance which can cause an irritation to or reacts with human tissue or any chemical, material or substance used, given, applied to or administered to another person without that person's consent.

THE FOREGOING LIST OF "DANGEROUS WEAPONS" IS DESCRIPTIVE AND BY WAY OF EXAMPLE ONLY AND IS NOT TO BE CONSIDERED AN EXCLUSIVE OR LIMITING LIST OF DANGEROUS WEAPONS. IT WILL NOT BE A DEFENSE TO ANY DISCIPLINARY ACTION UNDER THIS POLICY THAT THE STUDENT POSSESSING THE DANGEROUS WEAPON DID NOT KNOW THAT IT IS A DANGEROUS WEAPON, BUT SUCH CLAIM OF A LACK OF KNOWLEDGE MAY BE CONSIDERED IN MITIGATION OF ANY DISCIPLINARY PENALTY.

Any student in possession of a dangerous weapon, or replica or facsimile of a dangerous weapon, in violation of this policy or who uses any item or instrumentality to threaten harm to any person or is used to harm any person may be placed under emergency suspension from school, pending an investigation of the incident by the appropriate school or legal authorities. Students who violate this policy may be suspended from school, barred from school property and all school activities for any period of time up to the maximum period authorized by law. Additionally, appropriate school staff members may seek to file criminal charges against the student.

If a teacher or other school employee has a reasonable suspicion to believe that a student is in possession of a dangerous weapon, or a replica or facsimile of a dangerous weapon, the teacher or employee shall immediately

investigate the matter and shall confiscate any such weapon found if this can be accomplished without placing any students or staff in jeopardy, and shall immediately notify the appropriate director or his/her designee. If the teacher or employee does not believe that the weapon can be confiscated safely, the teacher or employee shall immediately notify the director or his/her designee of the situation.

If the director or his/her designee learns that a student is believed to be in possession of a dangerous weapon or replica or facsimile thereof, the director or his/her designee shall observe the following procedure:

1. Immediately investigate the matter and contact the police or campus security, of appropriate.
2. If not already confiscated by an employee of EOCTC and if it can be accomplished without risk of injury, the principal or designee should take possession of the dangerous weapon or replica or facsimile.
3. Notify the superintendent or designee.
4. If the student is under age eighteen (18), notify the student's parent or guardian.
5. Cooperate fully with the police.
6. Transfer confiscated weapon to the police department, if feasible.

A student who has been suspended from another technology center because of the possession of a dangerous weapon, or replica or facsimile of a dangerous weapon, shall not be accepted as a student into EOCTC.

A student's inadvertent or unintentional possession of a dangerous weapon or replica or facsimile thereof on school property, a school bus or vehicle, or at a school activity is no defense or excuse to compliance to this policy, but may be considered in determining the length or severity of any punishment for violation of this policy.

Notwithstanding any of the foregoing provisions, rights of due process for all students and rights of secondary students with disabilities must be observed in accordance with applicable law and EOCTC Board of Education policies.

Gun-Free Schools Student Suspension Policy (560)

It is the policy of the Eastern Oklahoma county Technology Center that any student who is determined to have brought a weapon to a school under the jurisdiction of EOCTC shall be suspended out of school for a period of not less than one year.

Any out-of-school suspension imposed under this policy may be modified for any student on a case-by case basis by the chief administrative officer of EOCTC.

For the purposes of this policy, the following definitions shall control:

1. The term "weapon" means a firearm as such term is defined in Section 921 of Title 18 of the United States Code.
2. The term "chief administrative officer" means the Superintendent or the EOCTC Board of Education of EOCTC.
3. The term "determined to have brought a weapon to a school under the jurisdiction of EOCTC" means any student being in possession or control of a weapon on property owned, leased or rented by EOCTC, including but not limited to, school buildings, parking lots and motor vehicles and any student who is in possession or control of a weapon at any EOCTC sponsored function regardless of whether such function is conducted on EOCTC property.

Enforcement of this policy shall be consistent with state and federal laws dealing with discipline of secondary students with disabilities.

It is the policy of EOCTC to refer to the appropriate criminal justice or juvenile delinquency system any student who violates this policy. Any firearm seized from a student by any school employee shall immediately be delivered to a law enforcement authority for disposition pursuant to applicable law.

Any out-of-school suspension initiated pursuant to this policy shall be subject to the procedural safeguards set forth in EOCTC's policy on Adult Student Behavior and Policy on Secondary Student Behavior and Discipline.

This policy applies only to students who are determined to have brought a weapon to a site under the jurisdiction of EOCTC, as defined above; current EOCTC policy on student suspensions for non-weapon violations are unaffected by this policy.

Carrying of Handguns (556)

No person in possession of a valid handgun license issued pursuant to the provisions of the Oklahoma Self-Defense Act shall be authorized to carry the handgun on Eastern Oklahoma County Technology Center property except for the following:

- Any property set aside for the use of parking any vehicle, whether attended or unattended, provided the handgun is carried or stored as required by law and the handgun is not removed without consent from the Superintendent.

No individual may “open carry” a handgun on District property without the written consent of the Superintendent. Any individual desiring to open carry a handgun on District property must obtain written consent through the following:

- Submit a written request to the Superintendent stating any reason for desiring to open carry a handgun along with a copy of the individual’s license.
- Superintendent will reply within five (5) days with written approval or disapproval of the request. Any approval may be subject to restrictions including remaining in vehicle according to State law regarding storage or limited to concealed carry.
- Superintendent may at any time revoke an individual’s permission to open carry or concealed carry on District property.

Any violation of this policy will result in notification of the OSBI within ten (10) days of the violation. The individual is then subject to procedures through the OSBI.

Students under the Influence of, or in Possession of any Beer, Alcoholic Beverages or Controlled Dangerous Substances

Any Administrator, Instructor, or counselor who has reasonable cause to suspect that a student may be under the influence of or may be in possession of low-point beer, alcoholic beverage, controlled dangerous substances or paraphernalia as those items defined by law, will immediately notify Administration. If the student is under 18, the Administrator shall immediately notify the student’s parent or legal guardian and shall schedule a conference to discuss the situation.

Any student suspected of being under the influence of a low-point beer, an alcoholic beverage, or a controlled dangerous substance may be required to seek counseling from a counselor qualified to treat chemical abuse if it is determined that counseling might be beneficial to the student. The student may also be subject to suspension from Eastern Oklahoma County Technology Center. No employee of Eastern Oklahoma County Technology Center shall be subject to civil liability for any student, report or action taken in assisting or referring to any medical treatment, social service agency or facility, or prevention or treatment program, any student reasonably believed to be abusing or incapacitated by the use of low point-beer, alcoholic beverages or controlled dangerous substances, unless the assistance or referral was made maliciously or in bad faith.

STUDENT SEARCH and SEIZURE POLICY (545)

The Superintendent or his/her designee is authorized to detain and search any student and any property in the student’s possession while on EOCTC premises, at EOCTC Activities, or in transit under authority of EOCTC, for any item possession of which by the student is illegal or prohibited by school rules, or for property believed to have been stolen from another student, an employee, or EOCTC. The search shall be conducted according to the following guidelines:

Reasonableness:

- A. The decision to search must be based upon a reasonable suspicion that
 1. a violation of the law or school rules has occurred or is occurring;
 2. the student to be searched has committed the violation; and
 3. particular evidence of the violation will be discovered in the search.
- B. In deciding whether a suspicion is reasonable, all the circumstances surrounding the case should be considered, including:
 1. the student’s age, history, and record in school;
 2. the prevalence and seriousness of the suspected violation;
 3. the school officials’ prior experience in detecting the problem or recognizing suspicious behavior;
 4. the need to make a search without delay and further investigation;

5. the specificity and source of the information used as justification for the search; and
6. the particular teacher or school official's experience with the student.

Scope:

- A. The scope or extent of the search shall be reasonably related to the kind of objects being searched for, and not excessively intrusive in light of the student's age and sex and the nature of the suspected violation.
- B. A search commenced to discover a particular kind of item may be expanded or continued for additional items if circumstances warrant.

Discovered items:

- A. Illegal items or other possessions or substances reasonably determined to be a threat to the safety or security of others may be seized by school authorities. These items will immediately be turned over to law enforcement officials for disposition as they see fit.
- B. Items which are used to disrupt or interfere with the educational process may be temporarily removed from student possession.

Refusal to submit to search:

A student who refuses to peaceably submit to a search based on reasonable suspicion or who refuses to turn over items discovered as a result of a search may be suspended for such refusals.

Reports:

The person conducting the search shall prepare a report to be maintained by the principal including the date, time, place, names of witnesses, purpose, basis, and result of the search.

No student has any reasonable expectation of privacy toward technology center administrators, instructors or security personnel in the contents of a locker, desk, or other school property, any of which may be opened and examined at any time and with no reason.

Vehicle Search:

Students who drive a vehicle on EOCTC property do so as a privilege afforded them by EOCTC and not as a right. Accordingly, any student who drives a vehicle of any kind to EOCTC and parks such vehicle on EOCTC property is deemed to authorize a search of such vehicle by the Superintendent or his/her designee at any time and for any reason deemed appropriate by the Superintendent or his/her designee. Any student who refuses to peaceably submit his/her vehicle to a search when requested to do so may be suspended out of school for such refusal and shall have his/her parking privileges revoked.

SECONDARY STUDENT BEHAVIOR CODE (540)

All students are expected to conduct themselves as ladies and gentlemen at all times and will refer to their Instructor as Mr., Mrs., and Ms. As applicable. Students will not run or be boisterous in the hallways, rest rooms, or the student break area. Instructors will be expected to assist with this regulation. If conduct becomes unacceptable, the student will be dismissed from EOCTC and returned to the home school. The Board of Education recognizes that students do not surrender any rights of citizenship while in attendance at EOCTC.

The school is a community with rules and regulations. Those who enjoy the right and privileges it provides must also accept the responsibilities that inclusion demands, including respect for the obedience to school rules.

Conduct occurring outside of the normal school day or off school property that has a direct and immediate negative effect on the discipline or educational process or effectiveness of the school, will result in disciplinary action, which may include, but is not limited to, short or long-term removal from a program, dismissal, or placement in a different course or program.

School Bullying (573/574)

The Oklahoma Legislature established the School Bully Prevention Act with the express intent of prohibiting peer student harassment, intimidation, and bullying. This includes, but is not limited to, any gesture, written or verbal expression, or physical act that a reasonable person should recognize will:

1. Harm another student;
2. Damage another student's property;
3. Place another student in reasonable fear of harm of the student's person or damage to the student's property;
4. Insult or demean any student or group of students in such a way as to disrupt or interfere with the Technology Center's education mission of the student or other students.

5. Probation;
6. Referral to counselor;

SECONDARY STUDENT SUSPENSIONS

"SUSPENSION" refers to removal OUT-OF-SCHOOL for a period not to exceed one calendar year for offenses involving firearms and the remainder of a current semester and the succeeding semester for all other offenses. Alternative in-school placement, detention, and similar disciplinary options or correctional measures are not considered by law to be a suspension and do not require or involve the due process procedures of this policy.

Pre-Suspension Conferences

When a student violates board policy or a school rule or regulation or has been adjudicated as a delinquent for an offense that is not a violent offense, the Administrator shall conduct an informal conference with the student to determine action to be taken.

Immediate Suspension Without a Pre-Suspension Conference

1. A student may be suspended without a pre-suspension conference with the student in situations where the conduct of the student reasonably indicated to the Administrator that the continued presence of the student in the building will constitute an immediate danger to the health or safety of the students, school employees, or to school property, or cause a continued substantial disruption of the educational process.
2. In such cases a suspension conference with the student and the parent or guardian will be scheduled as soon as possible after the student has been removed from the building.

Short-term Suspension

1. Suspension for a period of ten (10) or fewer school days.
2. A pre-suspension conference will be held in which the Administrator will discuss the evidence with the student.
3. The Administrator will make reasonable effort to contact the student's parents or guardian by telephone and inform them of the rule violated, the evidence and the reason for the suspension.
4. If the parent(s) or guardian cannot be contacted by telephone, they shall be notified in writing.
5. Suspensions should have a definite commencement and ending date.
6. A student who has been given a short-term suspension and that student's parents have a right to appeal a suspension decision to a committee composed of administrators and/or Instructors.

Long-term Suspension

1. Suspension of more than ten (10) school days.
2. Before a long-term suspension is imposed, the Administration shall send a written notification of a pre-suspension conference to the student's parent(s) or guardian.
3. The pre-suspension conference shall be held within 72 hours of the alleged violation, if possible. Notice of the conference shall contain the date, time and place of the hearing, the intent to place the student on long-term suspension and the specific charges.
4. The conference will be held during regular school hours, Monday through Friday, with consideration given whenever possible to the hours of working parents.
5. At the conclusion of the conference, the school official shall state whether he/she will terminate or modify the suspension. If the parent is in agreement with the administrator's decision, he/she will be requested to sign a Waiver of Review.
6. Suspensions should have a definite commencement and ending date.
7. The parent will be advised of his/her right to have the suspension reviewed by the Superintendent, the Board of Education, or the suspension review committee.

Student Privileges While Under Suspension or Under Other Disciplinary or Correctional Measures

Participation in the extracurricular activities of the school is a privilege and not a right. Accordingly, when a student's behavior results in a determination by the Administrator of a suspension, the student immediately, notwithstanding the filing of an appeal, forfeits the privilege of participating in all extracurricular activities of the school. In addition, when an Administrator decides to impose alternative in-school disciplinary or other correctional measures on a student, then the student will not be permitted to participate in extracurricular activities offered by the school during the term of the

discipline unless, in the sole judgment of the Administrator, such participation is appropriate given the nature of the offense committed by the student.

ADULT STUDENT BEHAVIOR CODE AND SUSPENSIONS (544)

The Board of Education recognizes that students do not surrender any rights of citizenship while in attendance at EOCTC. The school is a community with rules and regulations. Those who enjoy the right and privileges it provides must also accept the responsibilities that inclusion demands, including respect for the obedience to school rules. All students are expected to conduct themselves as ladies and gentlemen at all times and will refer to their Instructor as Mr., Mrs., and Ms. As applicable. Adult students are held to standards of conduct that are no less than those which attach to secondary students attending EOCTC. Educational opportunities available to adult students may be cut short or terminated in instances where an adult student's conduct violates the approved standards or when a student, for other reasons, cannot fulfill program requirements essential to successful course completion.

This policy explains EOCTC's standards of conduct and describes the procedure that will be used when it is necessary to remove a student from a course or program. Removal may involve a short or long period or may involve a permanent removal.

As a student at EOCTC, you are expected to be aware of and accept your responsibilities for the following

Conduct Occurring Outside of the Normal School Day or Off School Property

Conduct occurring outside of the normal school day or off school property that has a direct and immediate negative effect on the discipline or educational process or effectiveness of the school, will result in disciplinary action, which may include, but is not limited to, short or long-term removal from a program, dismissal, or placement in a different course or program.

School Bullying

The Oklahoma Legislature established the School Bully Prevention Act with the express intent of prohibiting peer student harassment, intimidation, and bullying. This includes, but is not limited to, any gesture, written or verbal expression, or physical act that a reasonable person should recognize will:

- harm another student;
- damage another student's property;
- place another student in reasonable fear of harm of the student's person or damage to the student's property;
- insult or demean any student or group of students in such a way as to disrupt or interfere with the Technology Center's education mission of the student or other students.

This conduct shall be subject to the same disciplinary consequences as other misconduct identified in the Adult Student Behavior Code and other school policies.

Dismissal of Students Because of Failure to Meet or Comply with Essential Course Requirements (595)

EOCTC's course offerings include those that incorporate requirements essential to successful completion of the course. An example is the clinical hours, a part of and, necessary to completion of many health care courses. When a student cannot complete essential course requirements, the student may be dismissed from a program for a variety of reasons, including, but not limited to, conduct, behavior, or other inability to meet mandatory parts of the career program. Students dismissed for reasons falling within this part of the policy will have the same rights with regard to dismissal as adult students who violate the district's disciplinary code.

ADULT STUDENT SUSPENSIONS

"SUSPENSION" refers to removal OUT-OF-SCHOOL for a period not to exceed one calendar year for offenses involving firearms and the remainder of a current semester and the succeeding semester for all other offenses. Alternative in-school placement, detention, and similar disciplinary options or correctional measures are not considered by law to be a suspension and do not require or involve the due process procedures of this policy.

Short-term Suspension

Suspension for a period of ten (10) or fewer school days. Suspensions should have a definite commencement and ending date.

Long-term Suspension

Suspension for more than ten (10) school days. Suspensions should have a definite commencement and ending date.

Immediate Removal of a Student

Whenever an alleged violation of the Adult Student Behavior Code is reported to an Administrator, he or she will ascertain whether the immediate removal of the student is required. This determination will be based on whether the student's continued presence on campus would create, in the Administrator's judgment, a dangerous and/or disruptive situation with regard to the continued operation and management of the school system. If dismissal is found necessary, the Administrator shall document the justification in a report and immediately forward it to the Superintendent, and also immediately contact the student.

Evidentiary Hearing

Upon notice of an alleged violation, the Administrator will review the evidence relevant to the violation. If dismissal of the student is necessary before a hearing can be conducted, the hearing must be held as soon as possible, but not later than 72 hours of the dismissal. In case of waiver or non-attendance of the hearing by the student, summary disposition of the matter will be indicated in letter form and forwarded to the student with a copy to the Superintendent. If the student is unable to attend the original time and day specified by the Administrator for the evidentiary hearing, the matter may be continued only once and in such case will be reset to be conducted within the next 24 hours. Any further request for continuance will result in immediate disposition of the matter with notification in writing sent to the student.

Decision

Once the evidentiary hearing has been held, the Administrator will summarize the findings in a written report, which will include the decision as to the student's innocence or guilt and recommended discipline, if applicable. This decision will be announced orally at the conclusion of the hearing with a written report to follow, or within three business days of the conclusion of the hearing, by issuance of the written report. The imposition of discipline will commence following announcement of the decision or issuance of the written report, whichever occurs first. Should the punishment be one of short or long-term removal or dismissal, the Administrator will notify the Superintendent of the action.

Appeal

If all or any portion of the Administrator's decision is not agreed to, the student has the right to appeal the decision to the Superintendent. An appeal is commenced by letter to the Superintendent delivered within 72 hours of the decision rendered by the Administrator. The Administrator, upon receipt of notice of the appeal, will forward the report of the hearing to the Superintendent for decision. The Superintendent shall have the authority to sustain, overrule or modify the Administrator's decision. If the student desires an appeal to the Superintendent, he or she may be permitted to remain in school unless the circumstances delineated under the "Dismissal" section, above, are met. At the hearing, the Administrator shall first present his/her evidence and be subject to cross examination by the Superintendent. This

will be followed by the student's evidence. The decision of the Superintendent shall be final. Such decision shall be communicated orally after the hearing or in writing to all parties, within three (3) business days following the decision. An oral decision, when rendered immediately following the hearing, shall be followed by issuance of the Superintendent's written decision, which shall be placed in the mail within three (3) business days of announcing the decision.

Modification of Corrective Action

The imposition of corrective action is subject to modification upon the recommendation of the Administrator at any time prior to the hearing before the Superintendent. The discipline imposed by the Administrator is based on one or more of the following guidelines:

- Seriousness of the offense;
- Student's disciplinary record during the course of the school year or in prior years;
- Any final action by civil authorities. (However, action by authorities, in criminal or civil matters, is not a condition precedent to disciplinary action by the school.);
- Cooperation and assistance of student during the disciplinary proceedings;
- Other circumstances as the Administrator may deem relevant.

Readmission

A dismissed student is eligible to be readmitted upon proper application for readmission. However, the administration may consider the student's prior disciplinary and incident record in determining whether to grant a student's request for readmission.

POLICY PROHIBITING HARASSMENT, INTIMIDATION and BULLYING (573)

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Bullying Protection Act, 70 Okla. Stat. § 24-100.2. The Oklahoma Legislature requires Technology Centers to adopt a policy to prevent harassment, intimidation, and bullying in an effort to "create an environment free of unnecessary disruption" and also requires Technology Centers to actively pursue programs for education regarding bullying behaviors.

EOCTC's student conduct code prohibits harassment, intimidation and bullying. This policy further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Statement of Board Purpose in Adopting Policy

The EOCTC Board of Education recognizes that intimidation, harassment and bullying of students causes serious educational and personal problems, both for the student-victim and the initiator of the intimidation, harassment, and bullying. The Board observes that this conduct:

1. Has been shown by national and state studies to have a substantial adverse effect upon school operations, the safety of students and faculty, and the educational system at large;
2. Substantially disrupts school operations by interfering with EOCTC's mission to instruct students in an atmosphere free from fear, is disruptive of school efforts to encourage students to remain in school until graduation, and just as disruptive of the school's efforts to prepare students for productive lives in the community as they become adults;
3. Substantially disrupts healthy student behavior and thereby academic achievement. Research indicates that healthy student behavior results in increased student academic achievement. Improvement in student behavior through the prevention or minimization of intimidation, harassment, and bullying towards student-victims simultaneously supports EOCTC's primary and substantial interest in operating schools that foster and promote academic achievement;
4. Substantially interferes with school compliance with federal law that seeks to maximize the mainstreaming of students with disabilities and hinders compliance with Individualized Educational Programs containing objectives to increase the socialization of students with disabilities. Targets of bullying are often students with known physical or mental disabilities who, as a result, are perceived by bullies as easy targets for bullying actions;
5. Substantially interferes with EOCTC's mission to advance the social skills and social and emotional well-being of students. Targets of intimidation, harassment, and bullying are often "passive-target" students who already are lacking in social skills because they tend to be extremely sensitive, shy, display insecurity, anxiety, and/or distress; may have experienced a traumatic event; may try to use

gifts, toys, money or class assignments or performance bribes to protect themselves from intimidation, harassment, or bullying; are often small for their age and feel vulnerable to bullying acts; and/or may resort to carrying weapons to school for self-protection. Passive-target victims, who have been harassed and demeaned by the behavior of bullies, often respond by striving to obtain power over others by becoming bullies themselves, and are specifically prone to develop into students who eventually inflict serious physical harm on other students, or, in an effort to gain power over their life or situation, commit suicide;

6. Substantially disrupts school operations by increasing violent acts committed against fellow students. Violence, in this context, is frequently accompanied by criminal acts;
7. Substantially disrupts school operations by interfering with the reasonable expectations of other students that they can feel secure at school and not be subjected to frightening acts or be the victim of mistreatment resulting from bullying behavior.

Bullying, harassing and intimidating behavior often involves expressive gestures, speech, physical acts that are sexually-suggestive, lewd, vulgar, profane, or offensive to the education or social mission of EOCTC, and at times involves the commission of criminal acts. This behavior interferes with the curriculum by disrupting the presentation of instruction and also disrupts and interferes with the student-victim's or by-stander's ability to concentrate, retain instruction, and study or to operate free from the effects of intimidation, harassment, and bullying. This results in a reluctance or resistance to attend school.

Definition of Terms

Statutory definition of harassment, intimidation, and bullying:

70 Okla. Stat. § 24-100.3(C) of the School Bullying Protection Act defines the terms "harass, intimidate, or bully," as including, but not limited to, any gesture, written or verbal expression, or physical act that a reasonable person should recognize will:

- A. Harm another student;
- B. Damage another student's property;
- C. Place another student in reasonable fear of harm to the student's person or damage to the student's property; or
- D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of any student.

The "Reasonable Person" Standard:

In determining what a "reasonable person" should recognize as an act placing a student in "reasonable" fear of harm, staff will determine "reasonableness" not only from the point of view of a mature adult but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self-esteem of the victim; and the discipline history, personality of and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

General Display of Bullying Acts:

Bullying, for purposes of this section of the policy, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be but is not limited to physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

- A. Physical Bullying includes harm or threatened harm to another's body or property, including but not limited to, what would reasonable be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

- B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.
- C. Social Bullying includes harm to another's group acceptance, including but not limited to harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that result in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement or statements about another student that exposes the victim to contempt or ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious or loathsome disease, or similar egregious representations.
- D. Sexual Bullying includes harm to another resulting from, but not limited to, making unwelcome sexual comment about the student; making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment - also prohibited by EOCTC.

PROCEDURES APPLICABLE TO THE UNDERSTANDING OF AND PREVENTION OF HARASSMENT, INTIMIDATION AND BULLYING OF STUDENTS

Student and Staff Education and Training:

All staff will be provided with a copy of this policy. All students will be provided a summary of the policy and notice that a copy of the entire policy is available on request. EOCTC is committed to providing appropriate and relevant training to staff regarding identification of behavior constitution harassment intimidation, and bullying of students and the prevention and management of such conduct.

Students, like staff members, shall participate in an annual education program which sets out expectations for student behavior and emphasizes an understanding of harassment, intimidation, and bullying of students, EOCTC's prohibition of such conduct and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

Student Reporting:

Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying.

Staff Reporting:

An important duty of the staff is to report acts or behavior that the employee witnesses that appears to constitute harassing, intimidation, or bullying. Employees, whether certified or non-certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying, to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the employee designated by the principal to receive them. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment intimidation or bullying, are to report all relevant information to the appropriate director or his/her designee.

Parental Responsibilities:

Parents/guardians of secondary students will be informed in writing of EOCTC's program to stop intimidation, harassment, and bullying. An administrative response to a reported act of intimidation, harassment or bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to

report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a victim of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

ANTI-BULLYING POLICY (574)

Eastern Oklahoma County Technology Center ("EOCTC") believes all students have a right to a safe and healthy school environment.

The District will not tolerate behavior that infringes on the safety of any student. A student shall not harass, intimidate, or bully another student through words or actions. Such behavior includes: direct physical contact; verbal assaults including teasing or name calling; social isolation or manipulation. The use of technology for such purpose is considered a violation of this policy.

Any student found to be in violation of this policy is subject to disciplinary action up to and including expulsion.

Students and/or parents are to immediately report any incidents of bullying to the Director of Educational Services. This policy is applicable to campus grounds, district vehicles, and all district sponsored activities.

EOCTC will discipline or take appropriate action against any student, employee, agent or representative of EOCTC who is determined to have engaged in such retaliatory behavior.

The Sexual Assault Program Information, including rape, acquaintance rape, and other forcible and non-forcible sex offenses will be discussed in Student Orientation. The policy and information will be included on the website. Students will be informed that EOCTC personnel will assist the student in notifying the authorities if the student requests assistance.

Students are informed of the existence of a counselor on campus to assist them in crisis counseling. They are given this information in Student Orientation and informed of the information on the website under counseling which also gives them toll-free counseling helplines.

POLICY PROHIBITING HAZING (570)

"Hazing" means any activity which recklessly or intentionally endangers the physical or mental health or safety of a student, required as a condition of membership in an organization, regardless of willing participation, including but not limited to physical brutality such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of food, alcohol. Drugs, or other substances, and activities which would induce extreme mental stress

such as prolonged sleep deprivation, prolonged isolation, and conduct which could cause extreme embarrassment or humiliation.

No organization having student members which is sponsored by EOCTC or which is permitted to hold meetings or other events on EOCTC property (a "Student Organization") and no student member of a Student Organization shall engage or participate in or directly or indirectly condition membership on participation in or submission to a hazing activity.

Students violating the prohibition in paragraph 2 shall not be permitted to participate in any extra-curricular activity sponsored by EOCTC for the remainder of the school year, shall be subject to disciplinary measures which may include suspension and shall be referred to local law enforcement authorities for prosecution.

Student Organizations which violate the prohibition in paragraph 2 shall forfeit all rights, privileges, and recognition from EOCTC for a minimum of one year, and shall be referred to local law enforcement authorities for prosecution.

This policy shall be considered to be a part of the by-laws or other organizational rules of all EOCTC-sponsored Student Organizations.

HEALTH and CLASSROOM SAFETY (580)

Eastern Oklahoma County Technology Center is committed to providing safe learning and working environment and to complying with all local, state and federal regulations pertaining to the safety of the facilities and equipment and materials. The Superintendent shall be responsible for insuring compliance with all applicable health and safety regulations and will see that procedures are established, as necessary, to accomplish compliance.

Classroom/Shop Safety

Classroom/shop safety must be given utmost consideration and is tied very closely with school conduct. Each area of instruction shall follow safety practices which are appropriate to the activities scheduled. State school laws require that goggles must be worn under certain conditions. Teachers should familiarize themselves with laws of this nature and strictly adhere to them. A safety test must be given to each student and placed in the student's file. Teachers or their designees should be in their respective classrooms and/or labs at all times when they are in session. All offices, classrooms and shops should be locked unless the Instructor or designee is present. A teacher may be found liable by the courts if found negligent. Any personal injury should be reported to the Director of Operations immediately, and a personal injury should report made as soon as possible on the day of the injury.

Accidents

In the event a student is injured while in class, the following procedure should be taken:

1. Notify the Director(s).
2. In case of minor injuries, first aid will be given at the school.
3. If medical treatment is necessary beyond the school's capabilities, the Director will make reasonable efforts to immediately notify the student's parents or guardians that additional assistance has been requesting and that permission be granted by the parent or guardian to transport the injured student by emergency vehicle to a hospital.
4. The Instructor will fill out an accident report form and return it to the Director(s).
5. Regardless of the injury sustained by a student, the Director will notify the parents or guardians of the student about the extent of that injury.

Conduct While Traveling to and from EOCTC

While traveling in school transportation or in individual vehicle (if permitted) each individual is expected to behave according to the rules and regulations of both the school and the state. Passengers who do not abide by these rules and regulations may be denied the opportunity to ride.

In the event that the administration of the school allows its students to drive individual vehicles, all regulations must be followed pertaining to the safety and welfare of all concerned. All enrolled secondary students will complete and have on file the student transportation form which may be obtained from the administrative office. No private vehicle is to be moved from the parking area during school hours unless permission has been granted by the Administrative office. Damages and losses to personal vehicles will be at the risk of the owner. Failure to abide by any rules set forth will result in the loss of driving privileges.

Contagious or Communicable Disease or Condition (575)

Any student with a contagious or communicable disease or condition shall be prohibited from having contact with others at the Eastern Oklahoma County Technology Center when such contact should result in communicating the disease or

condition. The prohibition shall continue until such time as the student is not a risk to others.

If the Superintendent has cause to believe a student has a contagious or communicable disease or condition, the Superintendent shall require the individual to be examined by a physician chosen by the school district to determine if the individual does have the contagious or communicable disease or condition. The Superintendent shall require the individual to have the results of the examination forwarded immediately to the Superintendent by the examining physician.

If the individual refuses to have an examination or to have the results of the examination forwarded to the Superintendent, the Superintendent shall place the individual on suspension until the examination is accomplished and its results sent to the Superintendent by the licensed physician. Appeal of the decision to suspend the student shall be up to the Board of Education.

If the results of the examination show that the student has a contagious or communicable disease or condition and that contact with other students or employees creates an unreasonable risk of communicating the condition, the Superintendent shall suspend the individual with home study provisions until the student satisfactorily demonstrates that he/she is no longer a risk to others. The District shall bear the cost of the initial examination. The student will bear the cost of demonstrating that he/she is no longer a risk to others.

The district shall bear the cost of the initial examination. The student will bear the cost of demonstrating that he/she is no longer at risk to others.

EOCTC will implement this policy in compliance with the requirements of the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act and the Americans with Disabilities Act.

EMERGENCY and EVACUATION INFORMATION (580)

Each classroom shall have a posted copy of rules, evacuation signals, evacuation routes, and procedures for both fire and tornado emergencies. Each Instructor should thoroughly explain the fire and disaster evacuation procedure to each student and have an evacuation route on display in the classroom.

Emergency Response and Evacuation Procedures

EOCTC follows NIMS guidelines and the Incident Command System (ICS) when responding to emergencies. Detailed Functional Protocols and Incident Specific Procedures are maintained as a part of the Emergency Operations Plan (EOP). Updated copies of the Emergency Operations Plan are also provided to all EMS, Fire and Law Enforcement agencies with jurisdiction for any campus. The information in the Emergency Operations Plan itself are reviewed at least annually by the Director of Operations and Administration, and updated as necessary.

EOCTC understands the importance of training, drills and exercises in the overall emergency management program. To ensure that the school personnel and community first responders are aware of their duties and responsibilities under the school plan and the most current procedures, the detailed evacuation procedures are located in Appendix D of the EOP.

Timely Warnings and Activity Information

When Administration is notified of an emergency, Incident Command is established and the Incident Commander will determine if there is a need to issue a threat warning. If the Incident Commander determines that there is an ongoing or continuous threat to campus personnel, a warning will be issued.

These warnings include, but are not limited to, notification to Lock Down, Shelter-In-Place, take Severe Weather precautions, or Evacuate a Building (situation other than fire). EOCTC may also use the warning system when an outside threat is detected, not directly affecting a campus, but which could spread onto the campus in the near future.

These warnings may be given in a variety of different formats including audible announcements through the handheld radios issued to all faculty and staff, email messages, text messages, and voice messages to cellular and / or home telephones. In most cases, multiple methods will be utilized to improve communication reliability. Fire alarms are sounded through a separate, specialized fire alarm system on a building or zone basis.

Employees and students are encouraged to update EOCTC whenever their email, phone or cell phone information changes to help assure timely receipt of messages. These warning systems are tested periodically as part of the emergency drills (see more information under "Emergency Response and Evacuation Procedures" below).

Emergency Operations Plan (EOP)

Up-to-date copies of the Emergency Operations Plan (EOP) are available electronically to all Faculty / Staff. When

significant changes are made, Faculty and Staff are notified by email. In addition, they receive annual training highlighting any changes which occur to the EOP and participate in tabletop exercises on utilizing the procedures and protocols in the EOP.

Students enrolled in career track instruction receive information about campus security procedures during New Student Orientation and in the Student Handbook. Students are informed about the EOCTC Emergency Operations Plan and participate in all state and school required emergency drills. As an emergency response training tool, EOCTC conducts a minimum of 5 emergency drills as specified by Oklahoma School Law each semester including: 1) intruder drills, 2) lockdown drills, 3) fire drills, 4) severe weather drills, and 5) a drill to be determined by the Emergency Operations Planning Team based on need. These procedures are included in the information below.

Training and Exercises

Eastern Oklahoma County Technology Center understands the importance of training, drills and exercises in the overall emergency management program. To ensure that school personnel and community first responders are aware of their duties and responsibilities under the school plan and the most current procedures, the following training, drill and exercise actions will occur.

Training and refresher training sessions shall be conducted for all school personnel. In case of academic staff, training should coincide with in-service days. Training for the remainder of the support staff shall be held at a time during the school year that will allow for maximum attendance. Records of the training provided including date(s), type of training and participant roster will be maintained.

Information addressed in these sessions will include updated information on plans and/or procedures and changes in the duties and responsibilities of plan participants. Discussions will also center on any revisions to additional materials, such as annexes and appendices. Input from all employees is encouraged.

Eastern Oklahoma County Technology Center will plan for a minimum of 10 drills annually (2 Fire, 2 Severe Weather, 2 Lockdown, 2 Intruder and 2 Bus Evacuation drills).

Eastern Oklahoma County Technology Center will participate in any external drills or exercises sponsored by local emergency responders. Availability of school personnel and the nature of the drill or exercise shall govern the degree to which the school will participate as it relates to improving the school's ability to respond to and deal with emergencies.

Notification Procedures

In the event of a fire, anyone discovering the fire shall activate the building alarm system. Unless there is a lockdown incident or a shelter-in-place incident in progress, the building shall be evacuated. In the event that a lockdown or shelter-in-place incident is in progress, the evacuation shall be limited to the area immediately in danger from the fire. In the event the District is in receipt of information, such as a weather warning that may affect the school, the information shall be provided to the School Campus Emergency Contact. Information will broadcast through our Emergency Notification System.

Class/building rolls will be called during and at the evacuation site.

CAMPUS SECURITY POLICY

Eastern Oklahoma County Technology Center (EOCTC) understands its responsibility to provide a safe and secure learning environment and workplace. EOCTC is committed to social justice and the well-being of the total community, as indicated by its educational offerings and open-door policy. The maintenance of a crime-free campus is part of this commitment.

History and Purpose

In April 1986, Jeanne Clery was a 19-year old and was a freshman attending a 4-year university. She was raped and murdered in her dorm room. Her assailant, who is spending life behind bars without parole, was also a student at the school whom Jeanne did not know prior to the attack. Her parents were alarmed by the lack of information provided students and families about the rapid increase of violent and non-violent incidents on campuses. They realized that while crimes were being reported to campus authorities, administrators often failed to provide adequate warnings about those incidents. There were no uniform laws mandating them to do so at that time.

In 1990, Congress approved the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1990 (aka Clery Act) and the Student-Right-To-Know Act. Later renamed in Jeanne Clery's memory, the Clery Act took effect in 1991. **It requires colleges and universities to disclose their security policies, keep a public crime log, publish an annual crime report and provide timely warnings to students and campus employees about a crime posing an immediate or ongoing threat to students and campus employees. The law also ensures certain basic rights for victims of campus sexual assaults and requires the U.S. Department of Education to collect and disseminates campus crime statistics.**

The new Violence Against Women Reauthorization Act of 2013 (aka VAWA) requires institutions to compile additional statistics for incidents of domestic violence, dating violence, sexual assault, and stalking, and to include certain policies, procedures, and programs pertaining to these incidents in their Annual Security Report (ASR). Finally, this report outlines drug and alcohol policies, and sex offense and offender policies.

EOCTC Campus

Institutions must disclose statistics for *Clery Act* crimes that occur: (1) on campus; (2) in or on a non-campus building or property; and (3) public property. EOCTC's "Clery Geography" includes the "on campus" and "public property" areas. The "on campus" property includes a fence around the southern, western and northern boundaries. The street (Choctaw Road) is the eastern boundary is considered as public property. The "on campus" definition includes the Main Campus Building, the Adult Day Services Building, the Business Development Center, the Public Services Building, and the fire

training facilities located behind the Public Services Building. The building on Westminster owned by EOCTC does not currently meet any of the Clery geography definitions.

Campus Security Authorities (CSAs)

EOCTC utilizes specially-trained School Resource Officers from the Oklahoma County Sheriff's Department. These officers are sworn deputies with full arrest authority as provided by Oklahoma state statutes. Resource Officer is on campus during daytime hours of operation.

The Resource Officer keeps the Daily Crime Log and the Director of Instructional Services reports the statistics for reported crimes in the "Clery geography" in the Annual Security Report (ASR) and in the annual Web-based data collection.

A CLEET-certified security officer will be on duty for night classes from 5:00 p.m. to 10:00 p.m. These security officials report to the Assistant Superintendent.

In addition to the Resource Officer and Security Officer, the following individuals have significant responsibility for student and campus activities and are considered as "Administration":

• School Resource Officer (daytime)	390-5330
• Security Officer (evenings)	390-9591
• Director of Community Outreach & Communications	390-5326
• Director of Educational Services	390-5304
• Director of Instructional Services	390-5309
• Director of Business & Industry Services	390-6606
• Business Manager	390-6603
• Assistant Superintendent	390-6610
• Superintendent	390-6604

Reporting Emergencies

EOCTC encourages all persons on campus to promptly report any emergency condition as quickly as possible. If the situation requires outside resources such as EMS or Fire Department response, **first call 9-1-1 to reach the local emergency operations center**. Notifying 9-1-1 expedites emergency services reaching the campus.

Then, notify someone in Administration. Notifying Administration sets into motion internal procedures that help guide outside resources to the emergency in a timely manner.

Reporting Criminal and Alleged Criminal Activities

EOCTC encourages all persons on campus to promptly report all criminal activity or suspected criminal activity as quickly as possible.

Such reports should be made to the School Resource Officer, or to someone in Administration. Phone numbers to reach these officials are located in the Campus Security Authorities section above.

If a forcible or non-forcible sex offense or rape occurs, persons involved should report immediately to the Assistant Superintendent or the Director of Instructional Services located in the Main Building. The law enforcement officials will then be contacted. Upon completion of a full investigation, students will receive on-campus counseling with referral to community services on an as-needed basis.

Criminal incidents and alleged criminal incidents that are reported to the Resource Officer are recorded in a Daily Crime Log. The Daily Crime Log includes: the nature of the incident; case number date/time reported; date/time occurred; general location; and disposition/resolution. The Clery Act requires the confidentiality

To report a crime confidentially, students and employees may contact the Director of Instructional Services at (405) 390-5309, and email the Resource Officer at report@eoctech.edu.

Criminal activity that does not warrant a timely warning or outside resources should be reported to anyone in Administration. Administration will analyze and investigate the incident and then report to the appropriate local

authorities, if warranted. The law enforcement agencies will then gather information and make an official report.

Access Control & Building Security

EOCTC uses a combination of physical security and electronic security to secure buildings, classrooms, labs and offices. Generally, these tasks are performed by a CLEET-certified Security Officer who will be on duty for night classes, is under the direction of the Director of Operations or the Assistant Superintendent. In addition, EOCTC employees are issued keys that provide them access to the areas that they are required to be in to perform their duties.

No building keys will be issued to students nor will employees loan building keys to a student or a non-employee. Employees are encouraged to check in with the building security personnel if they are going to be in the building after normal working hours. Students may be authorized to be in the building after normal hours if under the direct supervision of a faculty member or other employee.

Law Enforcement Agency Cooperation

EOCTC also maintains an open working relationship with the local law enforcement including the Choctaw Police Department and the Oklahoma County Sheriff's Department. The Resource Officer requests crime statistics annually from the both of these law enforcement agencies. Any information reported is kept in the Resource Officer's files.

Counseling and Confidential Crime Reporting

Student Services and the Academic Center offer a variety of services to facilitate student development in the academic, career, and personal/social areas. The staff includes a certified and licensed professional counselor. Services include community referrals and crisis intervention.

All information disclosed to counselors is confidential with the exception of immediate threat of serious or foreseeable harm to self or identified others or court ordered disclosure. Students are encouraged to report crimes and threats to an Administrator and Resource Officer. All Instructors are also trained in this process. Students are informed of the process during Student Orientation in August and January each school year.

Crime Prevention Education

Students are informed about crime prevention during New Student Orientation. Information will also be given in the Student Handbook about where to obtain that information. EOCTC has initiated several practices aimed at reducing and preventing campus crime. Such notable efforts include: (1) Building and parking lot monitors; (2) Student assemblies; (3) Employee in-service; (4) a School Resource Officer; and (5) Accessibility to alcohol and drug counseling from a local agency.

Monitoring Off-Campus Criminal Activity

At this time, EOCTC has no identified off-campus student locations related to student organizations or off-campus student housing. EOCTC does not actively monitor criminal activity involving students that occurs off-campus. However, if information is brought to the attention of EOCTC personnel, then appropriate action will be taken in accordance with the Student Handbook.

Registered Sex Offender

EOCTC policy requires applicants for admission to report felony convictions or dismissals from another educational institution for disciplinary reasons.

In addition, **Title 57 Prisons and Reformatories, Chapter 8B – Sex Offenders Registration Act, Section 583** – Procedure for Registration states that any person who becomes subject to the provisions of the Sex Offenders Registration Act on or after November 1, 1989, shall register, in person with the police or security department of any institution of higher learning within this state if the person:

- (1) enrolls as a full-time or part-time student,
- (2) is a full-time or part-time employee at an institution of higher learning, or
- (3) resides or intends to reside or stay on any property owned or controlled by the institution of higher learning.

Oklahoma School Law Section 1118 – School Safety Zones

This law defines a 500-foot "School Safety Zone" around elementary, junior high and high schools, permitted or licensed child care centers, playgrounds and parks. A person who has been convicted of a crime that requires them to register pursuant to the Sex Offender Registration Act is prohibited from loitering inside the School Safety Zone except when they are the custodial parent or legal guardian of a child who is an enrolled student at the school and the person is enrolling, delivering or retrieving such child at the school or for school-sanctioned extracurricular activities.

Based on these statutes, EOCTC prohibits registered sex offenders from attending daytime classes on any campus with high school or day care students. For evening adult education classes, enrollment decisions are made on a case-by-case basis.

Missing Student

EOCTC does not have student residential housing. Any report of a missing student or employee will be immediately referred to the Choctaw Police Department (CPD). EOCTC officials and security will assist the CPD when possible in their investigation.

Reporting the Annual Security Report (ASR) and Campus Crime Statistics

All current students and employees will be emailed a PDF of the Student Handbook, the Annual Security Report, as reported on October 1st of each year, along with the Annual Notice of Consumer Disclosures and Drug and Alcohol Abuse Prevention and Education information. Current employees will also sign off on an acknowledgement receipt as part of their online contract renewal documentation. Current students will also sign off on the Intake form at the time of enrollment.

Prospective students will receive a notice informing them that the Annual Security Report and Annual Notice of Consumer Disclosures, and the Drug and Alcohol Abuse Prevention and Education information is available to them upon request. Prospective employees will receive the same notice that will appear in the instructions to them when completing the online employment application.

The Director of Instructional Services prepares the Annual Security Report (ASR) in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics. The Crime Statistics Report can be located in the tables below. The data is also available at the following website: <https://ope.ed.gov/campussafety/#/institution/details>. Enter "Eastern Oklahoma County Technology Center" in the Name field and click on Continue to see the report.

The following section contains information on crimes and incidents occurring during the past 3 calendar years at EOCTC concerning the number of each of the crimes that occurred on or within its Clery geography, and that are reported to local police agencies or to a Campus Security Authority. Definitions of the terms used in these tables are listed following these statistics.

DRUG AND ALCOHOL ABUSE PREVENTION and EDUCATION (599)

In recognition of its responsibility as an employer and as an institution of career education, which promotes a productive learning and work environment, EOCTC is committed to social justice and the well-being of the total community, as indicated by its educational offerings and open-door policy.

The maintenance of a drug-free campus is part of this commitment. The drug-free policy is designed to provide a drug-free environment for students and employees wherein intellectual, physical, and social activities may occur. The long-term, well-being of students and employees is the objective of the policy. This program is adopted to and in compliance with the Drug Free Schools and Communities Act of 1989. This policy is reviewed by EOCTC administration biennially as required by federal regulations.

EOCTC prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol or controlled substances by any students or employees on its property or as part of any of its activities except as they may be prescribed by a qualified physician or other person licensed, registered, or otherwise permitted to distribute, dispense, or administer a controlled substance to treat an individual's physical or mental condition. Controlled substances are listed in Schedules I through V of Section 202 of the Controlled Substances Act found in 21 U.S.G.S. 812 and as further defined by regulations found at CFR 1300.11 through 1300.15.

Drug-Free Policy and Referral for Counseling, Treatment and Rehabilitation

The illegal manufacture, distribution, possession, or use of illicit drugs or alcohol by students or employees on the campus of EOCTC or anywhere else as any part of the Technology Center activities is strictly forbidden. Employees are forbidden to perform safety-sensitive, security-sensitive, or image-sensitive functions for EOCTC while a prohibited drug is in his/her system or possession.

A referral service for drug or alcohol counseling and treatment is available to students and employees through Student Services. Treatment and rehabilitation programs will be conducted at the direction and the expense of the student or employee; however, sick leave or other appropriate benefits as identified in the Student Handbook and Employee Policy and Procedures Handbook may be available for treatment or rehabilitation services. Satisfactory completion of a treatment or rehabilitation program may entitle the student or employee to re-entry to a campus program of study or employment.

Drug testing of safety-sensitive and security-sensitive employees will be conducted prior to employment and before returning to duty after refusing to take a drug test or after not passing a drug test. (Safety-sensitive employees are defined in CFR Vol. 32, Part 280 and CFR Vol. 49, Part 653. This legislation is available for review in the Business Office.)

Employees and students are required to abide by the terms of this policy as a condition of employment or matriculation. Employees and students will receive notification annually of the EOCTC policy, applicable legal sanctions, and a description of the health risks associated with the use of illicit drugs and the abuse of alcohol.

EOCTC Sanctions

Disciplinary sanctions for violations of the standards of conduct required by this policy will be imposed on students and employees as identified in the Student Handbook (for students) and the Employee Policy and Procedures Handbook. Courts do not excuse individuals convicted of these offenses from a prison sentence to go to college or work. A conviction for such an offense could seriously affect one's record and prevent entry into many careers. EOCTC requires students and employees to abide by the terms of this policy.

A violation of the drug-free policy will be considered a program offense which can result in immediate dismissal of an employee or expulsion of a student. Employees may be required to demonstrate satisfactory participation in a drug rehabilitation program. A criminal conviction is not required for sanctions to be imposed upon an employee or student for violations of this policy.

An employee must notify his/her supervisor in writing of a criminal conviction of a drug-related or alcohol-related offense occurring in the workplace no later than five calendar days following the conviction.

Legal Sanctions

Local, state, and federal laws provide for a variety of legal sanctions for the unlawful possession and distribution of illicit drugs and alcohol. These sanctions include, but are not limited to, incarceration and monetary fines.

The Comprehensive Drug Abuse Prevention and Control Act of 1970, as amended and adopted by the United States Congress, provides penalties including imprisonment ranging up to life in prison, fines up to four million dollars, and forfeiture of property for the unlawful possession or distribution of controlled substances.

Oklahoma law provides that any person convicted of distributing, dispensing, or possessing with intent to manufacture, distribute, or dispense a controlled substance or a counterfeit substance shall be guilty of a felony and may be imprisoned up to 20 years and fined up to \$100,000 depending on the type of controlled substance involved. Subsequent convictions shall be punishable by twice the imprisonment and info otherwise authorized.

EOCTC cooperates with all police authorities and may employ all methods of drug detection available to eliminate illegal trafficking and use of controlled substances. Enforcement agencies may be enlisted to thwart illegal drug activity by the use of agent investigations, canine (dog) searches, and sophisticated means of electronic surveillance, photography and recording.

County and city laws are similar to federal and state laws. If drugs are involved, the city will most likely defer to the state or federal authorities because their penalties are more severe. If alcohol is involved, you may be convicted of violating both local and state law and punished according to both laws.

Drug and Alcohol Prevention and Abuse Education

You hear about drugs on TV and in the movies, on the radio, in books and magazines, on the Internet, and in daily conversation with friends and peers. Some of the information is accurate, but a lot of it is not.

Here are a few realities to consider:

- You can't predict the effect that a drug can have on you—especially if it's the first time you try it, and even if it's a small amount or dose. Everyone's brain and body chemistry are different. Everyone's tolerance for drugs is different.
- Using drugs can lead to abuse, addiction, serious health problems, and even death.
- Drugs that are legal—prescription and over-the counter (OTC) medications—can be just as dangerous as illegal drugs.

Find out as much as you can about illegal and legal drugs and their effects on your body and brain. The more informed you are, the more confidently you can make the right decision about drugs. Read DEA's Drug Fact Sheets for the latest information on the following substances:

EMT AND FIRE ACADEMY POLICIES & PROCEDURES

1. GENERAL INFORMATION AND POLICIES

1. Clinical experience, skills participation, and subject matter proficiency are regarded as essential elements in the development of a Fire and EMS student. Students will be expected to **maintain a 70% weighted grade average and have completed and turned in all necessary paperwork**. Failure to maintain a 70% weighted grade average on all required work will result in the student not being allowed to attend any scheduled clinical rotations or internships until the student's grade is at 70% or above.
2. When the application packet is turned in and the Enrollment Paperwork is completed with the Student Services Administrative Assistant, students are expected to disclose to a Student Services Advisor any academic difficulties, special arrangements, or accommodations needed to facilitate the student's learning and testing success and provide any and all required documentation (i.e. IEP, physician's diagnosis, etc.).
3. Students must possess a current EMT Basic License and will be required to take Anatomy and Physiology prior to enrolling into a Paramedic class, or concurrently enroll in an Anatomy and Physiology class.
4. Students will not be given advanced placement, nor be allowed to transfer credits from another institution, nor be given credits for any experiential learning for any Paramedic class.
5. All complaints regarding the Fire/EMS program, Instructors, staff, or clinical affiliates shall be submitted in writing to the Public Services Coordinator within 5 business days of the alleged incident so that all parties can be addressed concerning the issue.
6. All Fire/EMS students will have at least one (1) "no-notice" drug screen conducted during the class. Any student absent for the drug screen will have 24 hours to submit and appear for testing. Any deviation from this policy must have approval by the Public Services Coordinator and the Director of Business and Industry Services (BIS Director). Any evidence of illegal or illicit drug use will result in immediate dismissal from the enrolled program. Please see the Substance Abuse Policy located in this document for further information.
7. Students are required to notify the Public Services Coordinator if they receive a Felony conviction while attending the EMT program. The student will be immediately dismissed from the program.
8. Cell phones, pagers, and other unauthorized electronic equipment are to be left in student/cadet vehicles, unless authorized by the Instructor or Public Services Coordinator. Students will be allowed to use cell phones and pagers, outside of the building and at the appropriate times (i.e. during breaks, lunch, etc.). Students who possess or use their cell phone or any other unauthorized electronic equipment anytime during the training day, other than breaks, will be subject to the disciplinary process. This also applies to internship rotations.
9. The use of authorized electronic equipment (laptop computers and tablet devices) is a privilege. They may be used in the classroom, at the Instructor's discretion, for the purpose of taking notes or material supplementation. Any use of the electronic equipment, other than the purposes allowed by the Instructor, may result in the forfeiture of the privilege. The use of the equipment for cheating or other dishonest acts will be considered "falsification of a document" and "conduct unbecoming", and will be subject to disciplinary action, which may result in dismissal from the program.
10. Students are required to adhere to all program policies. These include academic and behavioral guidelines that are outlined in the syllabus and/or the program Policies and Procedures. He/she is also required to sign the FIRE/EMS Student Agreement in this document, which will be distributed on or before the first day of class and acknowledges that they have read, understand, and agree to abide by all program policies, and academic and behavioral guidelines.

14. Using, possessing, or being under the influence of illegal drugs on or off campus during any phase of any Fire/EMS program is grounds for immediate dismissal from the program and shall be reported to the proper authorities.
15. Any student who has been prescribed and is taking a medication that may impair their cognitive abilities under the care of a physician shall notify the Public Services Coordinator. Proper documentation of prescribed drugs must be presented to the Public Services Coordinator.
16. Students are expected to conduct themselves in a reasonable, prudent, courteous, and professional manner at all times. They should avoid conduct that would reflect unfavorably on themselves and/or the EOCTC, EMT, or Fire Academy programs.

1.1 Uniforms

All personnel will maintain a high standard of dress and appearance. Uniforms will fit properly; trousers/pants should not fit tightly; and personnel must keep uniforms clean, serviceable, and pressed as is necessary. Students must project a professional image that leaves no doubt that they live by a common academy standard. Students will ensure that articles carried in pockets do not protrude from the pocket or present a bulky appearance.

1.1.1 Fire Academy Student

The Fire Academy student may wear the following; Fire Academy Blue polo, Blue short or long sleeve t-shirt, Fire Academy Blue sweatshirt or hoodie, Fire Academy Blue job shirt, Navy Blue uniform work pants or BDU style pants, black belt with silver buckle, and black tactical style boots. Physical fitness clothing consists of; Navy Blue workout shorts, Navy Blue sweat pants, Academy Blue short or long sleeve t-shirt, Academy Blue hoodie style sweatshirt, and athletic shoes.

1.1.2 EMT Student

That includes, but is not limited to, taking a shower daily, brushing teeth, and making sure all classroom and clinical attire is neat, clean, and freshly ironed. Showers will be taken after morning PT before morning inspection. Students must maintain grooming standards to meet safety and regulatory mandates.

2. CONDUCT

Professional conduct and attitudes will be expected of all students at all times, on and off campus. Unprofessional conduct or attitudes toward program faculty, staff, fire department personnel, classmates, patients, or the public in general may constitute grounds for dismissal from the program.

2.1 Conduct Unbecoming of a Student

Any student, while performing skills training or in the classroom, on or off the EOCTC campus, who impacts or reflects negatively on themselves, their classmates, their enrolled program or the Technology Center, will be subject to disciplinary action. Students are reminded that conduct unbecoming is a serious offense and violators will be subject to harsh discipline. For definition of disciplinary action refer to the Disciplinary Procedures section listed on page 88.

Examples of conduct unbecoming include, but are not limited to: Violating grooming standards, disrespect to an EOCTC staff member or Instructor, disrespect to a member of an adjunct agency, disrespect to a Cadet Company Officer or Cadet Class Commander, any violence towards another student or staff. (Violence is defined as: threats, threatening gestures, repeated disrespectful language, physical contact or a creation of a

hostile learning environment). Fire Cadets using tobacco products or vaping products on or off campus while wearing a program uniform is regarded as conduct unbecoming.

2.2 Falsification of a Document

Falsification of any document, including misrepresentation, cheating, or making a false statement to any staff member or Instructor of the EOCTC, in any manner, will not be tolerated. Violators of this policy will be subject to disciplinary action.

2.3 Social Media (256)

Students are **NOT** permitted, for any reason, to post any information about EOCTC, the coursework, or a clinical patient at any time to any social media network. Doing so will result in immediate dismissal from the Fire or EMS Programs.

2.4 Insubordination

Students who commit ANY act, during skills training or in the classroom, which is construed to be insubordination towards any EOCTC staff member, EMS or Fire program Instructor, or class officers, will be subject to disciplinary action. Students are reminded that to receive respect, respect must be given. The EMS and Fire programs operate as a para-military organization. Students should address Instructors, staff, and visitors by rank, "sir or ma'am," or their proper name at all times.

2.5 Abuse of Equipment

Abuse of equipment beyond normal limits incurred during training will not be tolerated. These limits shall be as determined by the Instructor or Public Services Coordinator. Willful disregard of equipment is grounds for disciplinary action. Any damage or abuse of equipment should be reported to an Instructor. Abuse of equipment is not limited to damage. Any student found using equipment in a manner not intended, or that would defame, disgrace, or dishonor an EOCTC program will be considered abuse of equipment.

2.6 Safety Violations

The Instructor shall immediately address ANY act, during skills training or in the classroom, which jeopardizes the safety of an EOCTC student or staff member. Students should watch for and report any act that jeopardizes the safety to themselves or others.

2.7 Dismissal

If a student is dismissed from any EMS or FIRE program, the student will be expected to empty their locker and gather all personal items. They will be directed to the BIS Director to determine whether a payment or refund is due. The student will be asked to leave campus, and will not be allowed to return to the class. If they are an EMT student, they will be listed on the Final Roster with the OSDH EMT Division as a "fail". If they are allowed to return in the future, they will have to retake the entire FIRE or EMT program, unless special arrangements are made by the BIS Director and the Public Services Coordinator.

3. ATTENDANCE

Attendance is mandatory and tardiness will not be tolerated. Students are required to maintain a minimum attendance to be eligible to take certification exams, complete the EMS program, and graduate.

All students will be responsible for using the Time Clock daily. The Time Clock will be the attendance log and must be used properly to be counted present for the day. Students are to clock in when they arrive, clock out for lunch, clock in after lunch, and then clock out when leaving for the day. If a student is late, absent, or leaves early, the hours will be counted against them. If the student forgets to clock in/out at any of the designated times the student will be counted absent. If the student is tardy, they must clock in when they arrive or they will be charged with a half-day's absence instead of a tardy.

Students will be updated every two weeks on their attendance standings. Once the student reaches 2 Days of absence they will receive a written statement. Once the student exceeds the maximum allowed number of absences the student will be sent to a Review Board who will decide if the student shall be dismissed from the program.

Students are to submit any paperwork dealing with their absence, if any is available (i.e. doctor's notes, department application process requirements, etc.)

Students may not miss more than three (3) days or 24 hours throughout the entire course; this includes clinical hours. An accumulation of time equaling more than 3 days absent may be grounds for dismissal from the program.

3.1 Absences

3.1.1 Class Day Hours

When this document refers to a “class day”, the “class day” represents 8 hours for Firefighter/EMT Academy students and 7 hours for EMT Academy students. Therefore, a half (½) day represents 4 hours for Firefighter/EMT Academy students and 3.5 hours for EMT Academy students. Missing an entire day of class will constitute one (1) absence. Missing a half day will constitute a half (0.5) absence.

3.1.2 Tardy

Inside one (1) minute outside the expected time to clock in will be counted as a tardy. Students are expected to be in class and ready to learn (not walking through the door) at the scheduled time unless otherwise directed. This includes the beginning of class, morning and afternoon breaks, and lunch break. All Fire Academy students shall clock in each day by 0700 hours unless otherwise directed. EMS students shall clock in each day by 0825 hours unless otherwise directed. Three tardies will equal one (1) full day absence; individual tardies will be counted a 0.33 absence.

3.1.3 Specialized Certification Training

Specialized training may include those classes that are required to receive certain certifications. These may include:

- Haz Mat Awareness
- Haz Mat Operations
- FLAG
- Auto Extrication
- CPR

A student that is found to be absent for any portion of these classes may be required to obtain certification on their own from an outside source. The student will be required to provide proof of course certification to the Public Services Coordinator in a timely manner.

3.2 Attendance: Paramedic Students

Paramedic students may not miss more than 3 days per semester, the semesters for Paramedic will be 08/01 to 1/31 and 02/01 to end of program. This represents 10% of the course hours required by the Oklahoma Department of Health, EMT Division. The students are required to attend 100% of the clinical hours for completion in the course.

Paramedic students who have three (3) consecutive absences during any module will be required to meet with a Review Board to determine whether or not to dismiss the student from the program.

3.2.1 Notification Process

Students are to call or text their Lead Instructor if they plan on being absent, or provide prior notification in advance for absences, if the student does not notify the Instructor of an absence or tardy before the class start time they will be given a Letter of Reprimand for their file, if it occurs a subsequent time they will be given a Review Board and face possible dismissal from the program.

3.3 Attendance: Fire Academy Students

Fire Academy students will be allowed to be absent a combined total of 3 days or 24 hours for each discipline (Fire & EMTB/EMTA) throughout the entire academy; this includes clinical rotations and internships. An accumulation of time equaling more than 3 days absent may be grounds for dismissal from the program.

If a student must leave class early for an appointment, an interview, etc., the student shall advise the Lead Instructor for the day, as well as his/her Company Officer and Class Commander, of when they will be leaving and how long they intend to be gone. The student must clock out at the time of their departure or they will be charged with a half/full day absence depending on the time of the last clock in/out.

3.3.1 Notification Process

When making notification of being absent or the likelihood of being tardy, the preferred method of notification is to text the Company Officer, Class Commander, and Lead Instructor. If there is no reply within five (5) minutes, notify the Public Services Coordinator or the Public Services Administrative Assistant. If the student does not notify the Instructor of an absence or tardy before the class start time they will be given a Letter of Reprimand for their file, if it occurs a subsequent time they will be given a Review Board and face possible dismissal from the program.

4. INJURIES and ILLNESS (580)

All injuries, no matter how small, sustained by an EOCTC, EMT or Fire Academy student, while on campus or during training off campus, must be immediately reported to Instructional Staff. A determination will be made as to the extent of the injury by EOCTC Instructional Staff. A decision regarding seeking further medical attention will be made at that time. An Incident Report Form shall be completed whenever a student has been injured no matter the severity of the injury. This form is to be submitted to the Public Services Coordinator upon completion.

If an injury occurs off campus and after class hours, the student must notify Brian Stanaland (405-471-2387) and the Lead Instructor as soon as possible. A decision will be made whether the student may continue the program. Not reporting an injury will be considered insubordination and conduct unbecoming of a student, and may result in dismissal from the program.

An injury, or the monitoring of a medical condition, that causes an absence, whether sustained on or off campus, will require a doctor's release before the student is allowed to continue training. Absences incurred because of injuries due to off campus, non-program related activities, will be counted against the student's attendance record. The Public Services Coordinator reserves the right to require any student who has suffered an injury or prolonged illness to provide a medical release within 10 working days in order to determine whether he/she will be allowed to return and continue within the training program.

Skills performance is mandatory. Students who are present for class but are unable to perform the required skills due to an injury or illness are subject to program dismissal. An evaluation of the amount of skills missed will be assessed on a case-by-case basis. A determination will be made as to whether the student will be allowed to continue in the program or whether he/she must withdraw from the program.

If a student must withdraw from the current program due to an excess of allowable absences or missed skill days due to an injury or illness, he/she may have the option to return to a future program for completion at the discretion of the Public Services Coordinator. The option to return will only be allowed with approval of the Public Services Coordinator, BIS Director, and EOCTC staff.

If a student is released from the program, the student's official withdrawal date will determine if a refund is due to the student as well as the amount according to the Refund Policy. Students should refer to the "EMT AND FIRE ACADEMY REFUND POLICIES" section of the Student Handbook for more information. If the student has questions about the amount of refund wants to file an appeal, the student should refer to the Appeal portion of the Refund Policy and submit the appeal to the BIS Director. These requests will be handled on a case-by-case basis.

5. ACADEMIC REQUIREMENTS

Students are expected to maintain an overall 70% weighted grade average. Failure to do so may result in dismissal from their enrolled program.

5.1 EMT Programs

5.1.1 CPR Course Completion

Students must obtain and maintain a current American Heart Association Basic Life Support Course for Health Care Provider card.

5.1.2 EMT Exams

Examinations are designed to test the student's mastery of course objectives for blocks of related course content. Exams will be given at the times indicated on the course schedule or will be announced by the Lead Instructor at least one class session prior to being administered. Student will only be allowed to take up to three (3) "B" tests, which may be used to retest EMT content. The score recorded for a given exam will be obtained by the higher of either the "A" or "B" test. The scores of all recorded tests will be used to calculate the 70% weighted grade average. Any student who misses an exam due to absence is responsible for making test arrangements with the Lead Instructor or the Academic Records Manager by the end of the next business day.

A "B" test is a second attempt to show competency of the subject content. If a student wishes to take a "B" test, it must be taken within the same quarter grade benchmark (appx. Every 6 weeks) in which the "A" test was originally taken. A "B" Test Request Form must be filled out by the student and given to the Academic Records Manager. A "B" test may not be taken the same day as an "A" test from the same subject content.

5.1.3 Quizzes

Quizzes will be given to allow the student and Instructor to assess the student's mastery of the course objectives on an ongoing basis. Quizzes may be either announced or unannounced. They may

include material from the previous class meetings and/or reading assignments. However, any material covered to date is subject to being tested.

5.1.4 **Practical Exams**

Practical examinations will be held in conjunction with scheduled written exams. Students will be permitted one retest per skill. A skill retest must be scheduled with the Lead Instructor. **Students will not be permitted to schedule clinical rotations until ALL pertinent skills have been tested and successfully completed.**

5.1.5 **Final Exam**

The final exam will cover all program material. Students must have at least 70% overall average after the final exam. Otherwise, the student will fail the course and will not be permitted to take the National Registry Exam. Students must make a 70% or above on the EMT program final exam, and the exam will count for 25% of the final grade.

Successful completion of the course is contingent upon: (1) the student making a 70% or above on the final exam; (2) the student's **final grade** consisting of a 70% weighted grade average (derived from the average of exams, workbook, quizzes, and final exam); (3) **clinical packet** turned in to the Clinical Coordinator by the designated due date; and (4) the student's successful performance of the **practical skills** competencies.

5.1.6 **Homework**

Homework will be assigned to encourage out-of-classroom study including reading assignments. Frequency and type of homework will be left to the discretion of the Lead Instructor. A final grade for the student's homework, will be given at the end of the class. Homework must be completed by the date set to receive full credit. Failure to do so could result in failure of that portion of the course, which could result in a failing grade, and unsuccessful completion of the EMT Program.

5.1.7 **Class Participation**

Students are expected to contribute to classroom discussions and participate fully in practical sessions. Students will also be expected to attend program-related field trips.

5.2 **Fire Academy Students**

5.2.1 **Fire Fighting Exams**

Examinations are designed to test the student's mastery of course objectives for blocks of related course content. Exams will be given at the times indicated on the course schedule or will be announced by the Lead Instructor at least one class session prior to being administered. Students will only be allowed to take three (3) "B" tests to be used on Fire Training content. The scores of all tests taken will be used to calculate the GPA. The score recorded for a given exam will be obtained by the higher of either the "A" or "B" test. Any student who misses an exam due to absence is responsible for making test arrangements with the Academic Records Manager by the end of the next business day.

A "B" test is a second attempt to show competency of the subject content. If a student wishes to take a "B" test, it must be taken within the same quarter grade benchmark (appx. Every 6 weeks) in which the "A" test was originally taken. A "B" Test Request Form must be filled out by the student and given to the Academic Records Manager. A "B" test may not be taken the same day as an "A" test from the same subject content.

Failure to have a 70% weighted grade average at any grade check (appx. Every 2 weeks) will result in a written counseling to determine the need for remedial training. An overall class average below 70% weighted grade average at a quarter grade benchmark will result in a Review Board hearing at the discretion of the Public Services Coordinator, which may result in dismissal from the program.

Successful completion of the course is contingent upon: (1) A passing grade for all fire training exams of 70%; (2) the student's final grade consisting of a 70% weighted grade average derived from the average of exams, workbook, quizzes, homework, final exam and (3) completion of subject skills. The formula used to determine the 70% weighted grade average will be as follows:

Basic Auto X – 4%
Emergency Vehicles Operation – 2%
Fire Dept. Practicum – 2%
Firefighter 1 general study – 35%
Firefighter 2 general study – 18%
Firefighter Safety and Survival – 2%

Firefighting Physical Training – 2%
FLAG – 2%
Flashover – 2%
Haz Mat Awareness – 8%
Haz Mat Ops – 15%
NIMS – 2%
Orientation – 2%
Pump Operations / Water Supply – 2%
Skills Lab – 2%

For Firefighter 1 IFSAC Certification testing purposes ONLY, the grade will be determined by the following test scores: Basic Fire Behavior and Extinguishers; Firefighter 1 general study (textbook chapter tests); Firefighter Safety and Survival; Haz Mat Awareness; Haz Mat Ops; and NIMS.

For Firefighter 2 IFSAC Certification testing purposes ONLY, the grade will be determined by the following test scores: Basic Auto X; Firefighter 2 general study (textbook chapter tests); and FLAG.

An “A” test that is missed will be given a grade of “0”. A student who misses an “A” test may use a “B” test to receive a grade. Exceptions to this policy may be made on a case-by-case basis by the Public Services Coordinator.

The total grade for students that are enrolled in Firefighter/EMT Academy will be based on their accumulative grades in both EMT and Fire content.

5.2.2 IFSAC Certification Exam

IFSAC Certification Exams are provided through OSUFST and are considered an additional certification that is provided through the Fire Academy program. The ability for a student to take the IFSAC certification exam is a privilege that is obtained through the successful completion of the class studies and practical skills required within the Fire Academy program. These requirements include a 70% weighted grade average and a completion of all skills pertaining to the studies required for each certification:

- Fire Fighter 1
- Haz Mat Awareness (required for Fire Fighter 1)
- Haz Mat Operations (required for Fire Fighter 1)
- Fire Fighter 2
- FLAG (required for Fire Fighter 2)
- Auto Extrication Basic (required for Fire Fighter 2)

A student that does not successfully meet the requirements, as set forth within the Fire Academy program will not be eligible to take the IFSAC certification exam.

5.2.3 Homework

Homework will be assigned to encourage out of classroom study. Frequency and types of homework will be left to the discretion of the Lead Instructor.

6. DEMONSTRATION OF PROFICIENCY

6.1 EMT Programs

A student who demonstrates a lack of proficiency or an unwillingness to participate during clinical rotations may be required to complete additional instruction and clinical experience or be prohibited from taking the National Registry EMT-B/A/P exam.

6.2 Fire Academy Students

A student who demonstrates a lack of proficiency or an unwillingness to participate during clinical rotations/skills testing may be required to complete additional instruction or be prohibited from taking the certification test.

Throughout the Fire Academy program, students will have an opportunity to take IFSAC or other industry certification tests. Many fire departments require these certifications to be eligible to apply for the position of firefighter. At the very least, these certificates may increase a student's opportunity of employment if they are listed on a resume. These tests are offered at the completion of each module. For a student to be eligible to

take the industry certification test, he/she must pass the end-of-course test with a grade of at least 70% weighted grade average.

7. CLINICAL ROTATIONS AND FIELD INTERNSHIPS

Students will be expected to attend all scheduled clinical rotation and field internship shifts. Any attempt by a student to schedule a clinical rotation or field internship shift without the permission of the Clinical Coordinator is a serious offense and may result in dismissal from the program.

If a student is absent from a clinical rotation or field internship shift, he/she will be required to meet with the Public Services Coordinator or designee for a formal explanation. Whether the absence is deemed excused or unexcused, the student will be required to reschedule the missed hours. An unexcused absence is a serious offense, and will result in the discipline process.

If a student incurs a second unexcused absence from a clinical rotation or field internship shift, he/she will automatically fail and be dismissed from the program.

If a student arrives late for a clinical rotation or field internship shift, leaves before the end of the assigned shift, or fails to meet their objectives, the student must notify the Public Services Coordinator.

Any student dismissed from a clinical rotation shift or field internship for misconduct, inappropriate attire, or poor hygiene, which results in missed hours, must meet with the Public Services Coordinator, or designee for a formal explanation. This is a serious offense and may result in dismissal from the program.

7.1 Expectations for Clinical and Internships Rotations

1. The student will park in the visitor parking areas of each facility or fire station.
2. The student is expected to be punctual, and should report to their assigned facility or fire station at least 15 minutes before the beginning of their rotation or internship. Shift change at the emergency service agency is a busy time, so the student should not expect an orientation to the facility or department until the shift change duties have been completed.
3. If you are asked to perform a skill for which you have not yet been trained, respectfully advise the clinical site authority or on duty officer that the skill is beyond your scope of training. **PERFORMING DUTIES BEYOND YOUR LEVEL OF TRAINING CONSTITUTES GROUNDS FOR DISMISSAL FROM THE PROGRAM.**
4. Eating or drinking is only allowed in designated areas.
5. The use of tobacco products in any form is prohibited.
6. Do not enter EMS or Fire Apparatus vehicles without the permission of one of the crewmembers.
7. Driving any EMS or Fire apparatus is absolutely prohibited!
8. Do not give out telephone numbers of the Medical facility or Fire Station, and do not use these telephones for personal calls. If the student must make a phone call, get permission, and limit the amount of time on the phone.
9. When a student meets the EMT or Fire crew they will be working with, they should make it known that they are willing to learn and actively participate. The student should find out what may be expected of them on a call. Some crews want the student to do only what they are instructed to do, while others prefer the student to take more initiative.
10. The student should ask to look through the EMS or fire apparatus. The student may be asked to get things for the crew, so they should become familiar where items are located **BEFORE** responding on a call.
11. The student shall not use their mobile phone while attending clinical rotations or fire internships unless they are granted permission by the host/staff. The student should limit the amount of time spent on the phone. The student should remember that they are at the site to look, listen, learn, and participate. The student should leave pagers, mobile phones, and other electronic equipment in their personal vehicle or turned off. This type of equipment often disrupts specialized equipment within the facilities and stations.

12. Observe the accepted rules of confidentiality while doing clinical and internship rotations. Discuss a patient's condition or treatment only with the personnel responsible for the patient's care. Any such discussions should be private, out of hearing of the patient and family members, and limited to medical aspects of the case. Classroom discussion of patient cases may be appropriate; however, the patient's name and any other identifiable information must not be disclosed. VIOLATION OF PATIENT CONFIDENTIALITY IS GROUNDS FOR DISMISSAL FROM THE PROGRAM.
13. Students must follow the Uniform and Hygiene policy outlined in the EOCTC Policies and Procedures. Repeated or flagrant violations of the clinical dress code WILL result in dismissal from the EMT Program.
14. Any shift to be scheduled or requests for rescheduling or cancellations must be submitted to the Clinical Coordinator for approval at least 72 hours in advance.
15. Late data entry in FISDAP will result in point deduction from your clinical grade.
16. All questions from the patient, family members, friends or others, regarding the patient's condition or treatment should be referred to the appropriate staff members.
17. DO NOT QUESTION THE CARE OF A PATIENT IN THE PRESENCE OF THE PATIENT, FAMILY MEMBER, OR FRIENDS. Methods of treatment may vary depending on the patient's condition or medical history, the setting, or the preference of the individual responsible for the patient's care. Accordingly, any questions must be asked with due respect.
18. The student SHOULD NOT SEEK FREE MEDICAL ADVICE for themselves, their family, or friends during clinical rotations.
19. **Proper safety precautions must be taken at all times to avoid potential injury or infections. The student must use personal protective equipment (gloves, etc.) on all incidents.**
20. If you are asked to perform a procedure for which you have not been trained, respectfully advise the clinical staff that the task is beyond your scope of practice/training. PERFORMING DUTIES BEYOND YOUR LEVEL OF TRAINING CONSTITUTES GROUNDS FOR DISMISSAL FROM THE PROGRAM.
21. If a student is injured during a clinical rotation, or has close contact with a patient who may be suffering from a communicable disease, notify the clinical site authority or the on-duty officer for the appropriate procedure to follow. Also, advise the Clinical Coordinator, Instructor, Public Services Manager, and the Public Services Coordinator immediately following the exposure.
22. If a problem of ANY kind arises during a clinical rotation or internship shift, the student should document, in writing, the event(s), any individuals involved, and any other pertinent information, then contact the Clinical Coordinator. The student SHOULD NOT ATTEMPT TO SOLVE THE PROBLEM OR RESOLVE DIFFERENCES ON THEIR OWN.
23. It is the student's responsibility to ensure that their paperwork is completed and signed as instructed. Failure to do so will result in the clinical hours not counting towards the student's overall required contact hours. The student will be required to reschedule those hours with the Clinical Coordinator. Points will be deducted from their final clinical grade.
24. Disciplinary action may be warranted for any student who demonstrates improper behavior in regard to clinical rotations to include, but not limited to:
 - Failing to meet an established deadline or course requirement without valid reason and without advance approval
 - Attending a scheduled clinical shift, orientation session, or field trip late and without advance approval
 - Attending an improperly scheduled clinical shift
 - Failing to follow the established advance notification procedures when late or unable to attend a scheduled clinical shift, orientation or field trip
 - Attending a clinical shift in improper attire, or without required supplies, clinical packet, or EOCTC EMS student photo ID badge
 - Attending a clinical shift with an expired: (a) BLS/CPR card, (b) TB/PPD skin test or other "negative status" verification record, and/or (c) Background/Criminal History Record Check

- Attending a clinical shift that is not approved in advance by the EMS Program Office
- Rescheduling more than three (3) clinical shifts during the semester
- Behavior in the clinical setting which is disruptive to the learning process of others, or which would jeopardize contractual relationships established by EOCTC

NOTE: Failure to abide by any of these standards may result in an invalid clinical shift, which will result in the related hours and competencies not counting toward course completion. Additionally, one exception alone in this category can result in administrative withdrawal.

7.2 Expectations for Field Internship

1. When you are assigned to an apparatus, ask questions about your assignment and familiarize yourself with all the equipment and its location.
2. When an alarm is received and the apparatus that you are assigned to has been dispatched to a call, you are responsible for being on that apparatus in a timely manner so as to not delay the apparatus departure from the station.
3. Be prepared to dine with the station that you are assigned. It is appropriate for the student to bring money (\$10.00) to assist with the cost of the meals.
4. The student shall bring an additional EOCTC uniform to the station that they are assigned. This uniform is to be used in the case that their uniform becomes soiled or dirty. You must remember that you are a representative of the EOCTC fire academy and that the student policy hygiene rules still apply.
5. Photos are not allowed during any internship. The taking of "selfies," apparatus, stations, incident scenes, or responses is prohibited.
6. Interior fire attack operations are not allowed. Students are prohibited from entering any IDLH atmosphere.
7. Students may engage in defensive operations from the exterior of the structure. This may include retrieving equipment from the apparatus, manning a hose line, pulling supply hose, etc. Under no circumstances is a student to enter the fire building.

NOTE: This is only a partial set of standards of conduct and is not intended to be all-inclusive. The student is expected to exercise discretion and common sense, behave as a guest of the site, and represent EOCTC in a professional manner.

8. DISCIPLINARY PROCEDURES

Any situation involving conduct, attendance, or academic progress will be managed through the use of the following disciplinary process. *The outcomes of the Disciplinary Process will be determined on a case-by-case basis. Offenses will be judged by their severity. The Public Services Coordinator reserves the right to enter any student into the disciplinary process at any point, which may include the listed disciplinary action and/or dismissal. The final decision is at the Public Services Coordinator's Discretion.* Notation of any event will be placed in the student's file.

8.1 Documented Oral Counsel

Oral Counseling may be used for a first time simple offense or to notify the student about their grade point average, absenteeism, and missed skills. **The Oral Counsel will be accompanied by a written document stating that the student understands what was discussed. The Oral Counsel will occur for attendance and academic purposes as well; the first grade check, either 2 weeks after the start of the course or 2 weeks after the previous 6 week benchmark, will have an accompanying Oral Counsel for all students who either have 2 or more absences or have a grade of 70% or lower. This will serve as a time for the student to relay any needs or problems with the program.**

8.2 Written Counsel

Depending on the situation, Written Counseling may be the first step in the disciplinary process. Written Counseling will be used for identifying solutions from staff and student and may be given at the discretion of the Public Services Coordinator. **For the purposes of academic and attendance issues the second grade check, either 4 weeks after the start of the program or 4 weeks after the previous 6 week benchmark, will have an accompanying Written Counsel for students who either have 2 or more absences or have a grade of 70% or lower. This Written Counsel will serve as a reminder of the policies and procedures pertaining to academics and attendance.**

8.3 Letter of Reprimand

The Letter of Reprimand typically identifies a serious situation. Depending on the situation, Written Counseling may be the first step in the disciplinary process. A Letter of Reprimand may be used for a third offense, excessive absences, insubordination, conduct unbecoming, safety violation, etc.

8.4 Review Board – Probation, Dismissal and Re-Admission

The function of the Review Board is to review all pertinent documentation concerning a student's performance and make a recommendation concerning the continuation of the student in their enrolled program with EOCTC. **A Review Board will be given to the students who are in violation of the Policies and Procedures pertaining to grades and attendance. At the cessation of each 6-week period, or the Benchmarks, the student is to be in compliance with the attendance and grade parameters. If the student has more than 3 absences in Fire or EMS they will be sent to Review Board to make an appeal as to why they should continue in the program. Students whose overall grade is below the minimum of 70% will be sent to a Review Board; students with an overall grade between 70-72.9% will be placed on Academic Probation of 2 weeks. If the student does not achieve a passing grade at the end of the two weeks, then the student will be immediately dismissed without another Review Board. Students with a grade of 69.9%, or below, will be released from the program and will be eligible to apply for the next academy or program.**

Any student who has shown a sustained disregard for the program, academics, and/or the disciplinary process without conformity may, at the discretion of either the Public Services Coordinator, be called before a Review Board. The student may request a Review Board hearing to review a given counseling or reprimand if the student does not feel it was fairly administered. The last step in the appeals process for a student is to request an appeal consult with the BIS Director. The BIS Director's decision is final.

Members the Review Board:

- EOCTC Instructor
- Academic Records Manager
- Public Services Coordinator or designee
- Independent EOCTC Staff Member
- Independent EOCTC Staff Member

9. APPEAL

If all or any portion of the Administrator's decision is not agreed to, the student has the right to appeal the decision to the Superintendent. An appeal is commenced by letter to the Superintendent delivered within 72 hours of the decision rendered by the Administrator. The Administrator, upon receipt of notice of the appeal, will forward the report of the hearing to the Superintendent for decision. The Superintendent shall have the authority to sustain, overrule or modify the Administrator's decision. If the student desires an appeal to the Superintendent, he or she may be permitted to remain in school unless the circumstances delineated under the "Dismissal" section, above, are met. At the hearing, the Administrator shall first present his/her evidence and be subject to cross examination by the Superintendent. This will be followed by the student's evidence. The decision of the Superintendent shall be final. Such decision shall be communicated orally after the hearing or in writing to all parties, within three (3) business days following the decision. An oral decision, when rendered immediately following the hearing, shall be followed by issuance of the Superintendent's written decision, which shall be placed in the mail within three (3) business days of announcing the decision.

12. STUDENT COMPLAINT AND GRIEVANCE POLICY

Students who wish to file a complaint or grievance should refer to the GRIEVANCE PROCEDURES section of the Student Handbook.

13. SUBSTANCE ABUSE POLICY

The safety of the public and the patients served by the EMT and Fire Academy programs is of paramount concern to the EOCTC. Students who use drugs or alcohol pose serious safety risks to patients, as well as to other students, and the employees of EOCTC, clinical facilities, fire departments, and sites at which students engage in clinical rotations and internships. The use of alcohol and illegal chemical substances has a direct and adverse effect on the safety, personal health, attendance, productivity, and the quality of work of all students. Recent scientific studies demonstrate that the use of alcohol and/or illegal chemical substances reduces an individual's ability to perform beyond the time period of immediate consumption or use.

13.1 Policy

Due to the devastating impact the use of alcohol and/or illegal chemical substances can have on the safety of patients, students, and the employees of EOCTC, clinical facilities, fire departments, and sites at which students engage in clinical rotations and internships, EOCTC will not tolerate students who use, possess, distribute, purchase, sell, or are under the influence of alcohol and/or illegal chemical substances.

All students who are enrolled in any program will be tested for drugs and alcohol, prior to their participation in either EMT clinical rotations and/or fire internships. Additionally, students may be tested for drugs and alcohol, at any time, on a random selection basis, while enrolled in any portion of the Fire Academy programs or any EMT program. Finally, reasonable suspicion testing will be performed as needed, at the discretion of the Public Services Coordinator. All drug and alcohol testing will be conducted in compliance with applicable law.

Upon receiving notification from the staff of EOCTC, students must present themselves for drug and alcohol testing. Any student who tests positive for drugs and/or alcohol may ask for review by scheduling a one-on-one appointment with the Public Services Coordinator. On a case-by-case basis, after conferring with the MRO of the drug testing company and the student, the Public Services Coordinator may allow the student to take another drug test at the student's expense.

Any student who tests positive for the presence of undocumented drugs and/or alcohol, or refusing or failing to participate in or cooperate with any part of the testing process is a direct violation of EOCTC policy and **will be immediately dismissed from the EMT or FIRE Academy program.**

EMT AND FAC WITHDRAWAL POLICY

To officially withdraw, the student should inform the Instructor and the Student Services Office. An **Official Withdrawal form** will be available for the student to complete in order to begin the withdrawal process. An Information Update Form will be completed by the Instructor or Coordinator for the student to record effective date of withdrawal, reason for withdrawal and establish if there are any outstanding obligations. If a student just stops attending without notifying the school, the absences may be counted against the student which may result in suspension. Non-attendance does not constitute a drop or withdrawal. The student will not receive a refund.

If an adult student is dismissed from the career major, the student may be suspended for the remainder of the school year, or one semester, whichever is greater. Examples of when a student may be dismissed from the career major include, but are not limited to, not maintaining satisfactory academic progress, attendance policy violation, failing a drug test, cheating or any violation of the Student Behavior Code. Students should refer to the Secondary Student Behavior Code and the Adult Student Behavior Code sections located in this Handbook for a detailed list.

Federal Pell Grant recipients who withdraw will be affected by the Return of Title IV Funds (R2T4) regulations. The R2T4 regulations and an example of how it's calculated are located in the Financial Aid Information section of the Student Handbook.

CANCELLATION OF ENROLLMENT

Cancellation of enrollment occurs when a student officially withdraws on or before Day 1 of Instruction. For the Fire Academy (FAC), the Pre-Academy Orientation class occurs before the official start date of the Fire Academy program.

Students must submit a completed Official Withdrawal Form to a Student Services Advisor on or before Day 1 of instruction. Students who officially withdraw on or before Day 1 of Instruction will receive a full (100%) refund of tuition paid. Tuition charges will be voided from the student's account.

OFFICIAL WITHDRAWAL

An **Official Withdrawal** is defined as the action taken by a student who submits a completed Official Withdrawal Form to Student Services on or after the official start date (Day 1) of instruction of the student's program. The date the completed form is submitted will be the date used in the calculation of any possible refund according to the "REFUND POLICY" (see below). **NOTE:** Students who received the Federal Pell Grant should contact the College Connection Coordinator before withdrawing from EOCTC.

UNOFFICIAL WITHDRAWAL

An **Unofficial Withdrawal** is defined when a student fails to attend or ceases to attend their program without "officially withdrawing" from EOCTC (see "OFFICIAL WITHDRAWAL" section above). Non-attendance does not constitute a drop or withdrawal. The student will not receive a refund.

Students who need to withdraw from EOCTC should contact their Instructor. It is recommended that a student talk with a Student Services Advisor before beginning the withdrawal process too, including the College Connection Coordinator.

Once a student has withdrawn from EOCTC, a Student Information Update form will be completed and given to Student Services. This form will include the last date of attendance and the official date of withdrawal. The refund will be calculated based on the latest date.

If an adult student is dismissed from the program, the student may be suspended for the remainder of the school year, or one semester, whichever is greater. Examples of when a student may be dismissed from the program include, but are not limited to, not maintaining satisfactory academic progress, attendance policy violation, failing a drug test, cheating, or any violation of the Student Behavior Code. Students should refer to the Secondary Student Behavior Code and the Adult Student Behavior Code sections located in this Handbook for a detailed list.

NOTE FOR VETERAN STUDENTS: If you need to withdraw, please contact the Financial Aid Coordinator first in an effort to let you know the possible financial ramifications of an early withdrawal. You will be held responsible for any account balance remaining on your EOCTC account, and **beneficiaries could be in debt to the VA for funds received by the student, such as book stipends, housing, etc. due to early withdrawal or dismissal. Beneficiaries could also be in debt to the school for any tuition and fees returned by the school to the VA due to early withdrawal or dismissal.**
