

GRADUATION and RETENTION RATES

Federal regulations require that EOCTC disclose graduation and retention rates data based on a cohort group of first-time, full-time, post-secondary attendees who complete their program of study within 150% of the career major length. The 4-Year Average Student Right-to-Know Graduation/Completion Rate for the 2018 Cohort is 78%. The Overall Graduation Rate that was reported on College Navigator through the Fall 2021 Integrated Postsecondary Education Data System (IPEDS) report for the 2019-2020 Full Year Cohort is 88%. The Retention Rate for full-time students included in the Fall 2020 cohort is 72%. The Retention Rate for part-time students included in the Fall 2020 cohort is 53%. The College Connection Coordinator is responsible for calculating these statistics and disseminating them to current and prospective students.
