EOC PAYMENT PLAN

Students who want the EOC Payment Plan must request one by contacting DeGe Eubanks, Bursar, at (405) 390-6647, or deubanks@eoctech.org. This payment plan is available to assist students and parents by spreading the School Charges over 4 payments.

The following is an **example** of the EOC Payment Plan Contract schedule for the Firefighter-EMT Academy with **\$4,741.00** in **School Charges**:

- a) \$1,185.25 (25%) due by July 8, 2026;

If circumstances occur which may cause you to be unable to comply with the terms of the EOC Payment Plan Contract, you should contact the Bursar before missing the deadline. Failure to pay your account balance by the due date according to the EOC Payment Contract will result in the student not being allowed to return to class until the account has been paid according to the payment plan, and may result in the student being withdrawn from the program. No certificates or transcripts will be issued as long as there is an outstanding obligation.

FINANCIAL AID INFORMATION

Students should complete financial assistance applications and turn in required documentation early to allow time for processing. Otherwise, students may have to sign an EOC Payment Plan Contract and pay 25% of the School Charges by **Wednesday, July 8, 2026**, in order to begin on the first day of class.

THERE ARE NO LOANS OF ANY KIND THAT A STUDENT CAN APPLY FOR THAT WILL PAY FOR ANY PROGRAM OFFERED AT EOC TECH. EOC Tech does not participate in the federal loan programs, direct loans or alternative loans. You cannot go to any lender and receive a "direct loan" through them for any program taken at EOC Tech because that is still considered as a federal student loan.

All students will have to self-pay Pre-Admission and Post-Admission Out-of-Pocket Costs, which are listed in the Program Information section at the beginning of this packet.

For more information, please email kjohnson@eoctech.org, or call Kristy Johnson, College Connection Coordinator, at (405) 390-5314. Please leave a message if you call and get voicemail.

Federal Pell Grant (2026-2027 FAFSA for the 2026-2027 School Year)

1. Go to www.fafsa.gov. This is the website to apply for financial aid. You will be asked for income information from **2024**. Use <https://studentaid.gov/help-center/answers/landing> to get answers to general questions completing the FAFSA online. If you have any technical issues while completing the FAFSA online, call 1-800-4-FED-AID.
2. Go to <https://studentaid.gov/fsa-id/create-account/launch> to create an FSA USER ID which will be used as your electronic signature. If you answer “No” to every question in Step 3 of the FAFSA, you are considered to be “Dependent” for financial aid purposes and your Parent will need an FSA USER ID to sign the FAFSA also.
3. If you have any technical issues with the online FAFSA application or User ID, please call 1-800-4-FED-AID for assistance.
4. Once you (and a Parent if applicable) have your FSA USER ID, complete the FAFSA online at www.fafsa.gov. Once you click on “Submit”, print the confirmation page and keep it for your records.
5. The federal school ID for EOC Tech is **015861**.
6. You will receive an email from the federal processors when your FAFSA has been processed. The College Connection Coordinator will receive your FAFSA electronically. Please contact Kristy Johnson, College Connection Coordinator, at (405) 390-5314, or at kjohnson@eoctech.org, once you have received your email notification from the FAFSA processors.
7. If your FAFSA is chosen for Verification, the College Connection Coordinator will need the following information to complete the Verification process:
 - a. **Tax Return Transcript:** If you do not use the Data Retrieval Tool, then go to www.irs.gov and click on “Get a Tax Transcript by Mail” and submit the request for a paper copy of your tax return transcript. This transcript is required for both the student and parents if a federal income tax return was filed. **This may take up to 10 business days.** This must be submitted to the College Connection Coordinator.
 - b. **Signed Copy of 2024 IRS Tax Form** – If you have issues with either the Data Retrieval Tool and/or the Tax Return Transcript, you may submit a signed copy of your 2024 IRS Tax Form and all 2024 W-2’s.
 - c. **Verification Worksheet** - You may request this form from kjohnson@eoctech.org. The College Connection Coordinator will indicate which section(s) of this worksheet you are required to complete.
 - d. **Non-Fileer Documentation** – Parents of Dependent students, and independent students, will need to request a Tax Return Transcript as indicated above. There should be an online PDF or a letter by mail that states no tax return was filed for the year in question. Please contact the College Connection Coordinator if you have trouble requesting the Tax Return Transcript.
8. The maximum amount of the Federal Pell Grant that can be paid to any student for the Firefighter-EMT Academy in 2026-2027 is **\$6,257.00** based on an SAI of “0” or -1500. You may be eligible for a smaller amount of the Pell Grant, i.e. it’s not all or nothing. The confirmation may show a higher amount, but \$6,257.00 is the maximum Pell Grant that can be paid for the Firefighter-EMT Academy at EOC Tech. The minimum Pell Grant for the Firefighter-EMT Academy is \$626.00.
 - a. If the amount of Pell you qualify for doesn’t cover the **school charges** of the FAC program, you will be required self-pay for any remaining **school charges** by the payment deadline. You may apply for the payment plan for the portion not covered by the Pell Grant.
 - b. Your Pell Grant will be applied to your student account in 2 equal disbursements. The first disbursement will be processed no later than end of August.
 - c. The second disbursement will depend upon if you have maintained “satisfactory academic progress” according to federal regulations and usually occurs no later than the end of October.
 - d. A progress report will be completed by your instructors and returned to the Financial Aid Office around the midway point of the program. You must be maintaining at least a cumulative 70%/GPA of 2.0, and have completed the curriculum satisfactorily up to the midway point of the program. If all of these SAP requirements have been met, the second disbursement will be processed.

9. If you need to withdraw, please contact Kristy Johnson, College Connection Coordinator, first in an effort to let you know the possible financial ramifications of an early withdrawal.
10. You do not have to repay the Pell Grant unless you withdraw from the Firefighter-EMT Academy before a certain completion point. A calculation will be done to determine how much of the Pell Grant has been “earned” up to the withdrawal date.
11. You will be held liable for any unpaid balance on your account plus any amount that has to be returned to the Federal Pell Grant program by EOC Tech due to early withdrawal.

 - d. **Students in Need of a Payment Plan:** Contact the College Connection Coordinator to set up a Payment Plan contract for the School Charges. Failure to pay the account balance according to the Payment Plan will result in the student not being allowed to return to class until the account has been paid according to the payment plan. No certificates or transcripts will be issued as long as there is an outstanding obligation.
6. To continue participating in this program, the student will be expected to maintain at least a 70%/2.0 GPA, be on target with scheduled curriculum completion, and be within the attendance policy.

Tribal Assistance

1. Students should contact their own respective tribal organization to apply for benefits. There is usually an application packet which includes a **tribal financial aid form** that has to be completed by the College Connection Coordinator and sent to them directly. Complete the top section of that form, sign and date it and bring it to the Financial Aid Office located in Student Services in the Main Building.
2. You must provide an Award Letter from your tribal organization stating that they will cover your tuition, fees and books for the school charges to the College Connection Coordinator no later than the payment deadline on the Friday before the first day of class. Otherwise, you may have to sign a payment plan contract and pay 25% of school charges by **Wednesday, July 8, 2026**.
3. You may have to self-pay all Pre-Admission and Post-Admission Out-of-Pocket Costs which are listed in the Program Information section at the beginning of this packet. You need to ask how your tribal organization handles reimbursement for out-of-pocket costs that do not go through the school.

OK Promise (OHLAP)

1. Students should have a letter from OK Promise confirming their eligibility dated July following their year of graduation from high school. Give a copy of his letter to the College Connection Coordinator. If you cannot locate your letter, the College Connection Coordinator will need your Social Security Number in order to verify the status of your eligibility. **Students must complete a 2026-2027 FAFSA in order to be eligible for OK Promise** during the 2026-2027 school year.
2. OK Promise will pay a set amount for each eligible program, as approved by the Oklahoma State Regents for Higher Education for 2026-2027. Currently, that amount is \$4.00 per clock hour for the 2026-2027 school year. The estimated amount is \$3,272.00 (818 hours x \$4.00/hr).
3. **Note: The OK Promise does not cover all of the School Charges.** Thus, the student will have to self-pay the difference in full by **Wednesday, July 8, 2026**, or sign a Payment Plan Contract with the College Connection Coordinator and make the first payment before this date.
4. See the **EOC Payment Plan** and the **Financial Aid Information** sections above for more information.

EASTERN OKLAHOMA COUNTY TECHNOLOGY CENTER WITHDRAWAL POLICY

NOTE: Students who received the VA benefits should contact the College Connection Coordinator before withdrawing from EOC Tech to discuss the ramifications of an early withdrawal from the program.

CANCELLATION OF ENROLLMENT

Cancellation of enrollment occurs when a student officially withdraws **on or before the Pre-Academy Orientation date** of the current term. Students must submit a completed Official Withdrawal Form to a Student Services Advisor on or before Day 1 of Instruction. Students who officially withdraw on or before the Pre-Academy Orientation date will receive a full (100%) refund of tuition paid. Tuition charges will be voided from the student's account.

OFFICIAL WITHDRAWAL

An **Official Withdrawal** is defined as the action taken by a student who submits a completed Official Withdrawal Form to Student Services **on or after Day 2 of Instruction** of the school year. The date the completed form is submitted will be the date used in the calculation of any possible refund according to the "REFUND POLICY" (see student handbook – www.eoctech.edu). The date of an official notice of withdrawal does not occur on weekends or holidays.

To officially withdraw, the student should inform the instructor and a Student Services Advisor. An **Official Withdrawal Form** will be available for the student to complete in order to begin the withdrawal process. An Information Update Form will be completed by the instructor to record effective date of withdrawal, reason for withdrawal and establish if there are any outstanding obligations.

UNOFFICIAL WITHDRAWAL

An **Unofficial Withdrawal** is defined when a student fails to attend, ceases to attend, or is dismissed from EOC Tech. If a student just stops attending without notifying the school, the absences may be counted against the student which may result in suspension. There are no refunds for Unofficial Withdrawals.

If a student fails to attend, ceases to attend, or is dismissed from EOC Tech, the student may be suspended for the remainder of the school year, or one semester, whichever is greater. Examples of when a student may be dismissed include, but are not limited to, not maintaining satisfactory academic progress, attendance policy violation, failing a drug test, cheating or any violation of the Student Behavior Code. Students should refer to the Adult Student Behavior Code sections located in the Student Handbook for a detailed list.

NOTE FOR VETERAN STUDENTS: If you need to withdraw, please contact the College Connection Coordinator first in an effort to let you know the possible financial ramifications of an early withdrawal. You will be held responsible for any account balance remaining on your EOCTC account, and **beneficiaries could be in debt to the VA for funds received by the student, such as book stipends, housing, etc. due to early withdrawal or dismissal. Beneficiaries could also be in debt to the school for any tuition and fees returned by the school to the VA due to early withdrawal or dismissal.**

APPEAL PROCESS

In extraordinary circumstances, such as hospitalization for an accident or illness, a student may submit a written appeal to the Director of Educational Services. The form may be requested from Student Services in the Main building. Appeal requests will be handled on a case-by-case basis to determine if the situation warrants an exception to the Withdrawal Date and Refund Policy.

I'm active military and/or a reservist. What is the policy if I'm called up for active duty during an EMT or FAC program?

- **Active Military and/or Reservists (FAC):**

If a student, who is **active military or a reservist**, is called up for active duty, the student would be allowed to withdraw from the program in good standing. Any unpaid charges would be voided. The student would be granted Advanced Standing for any fire certifications earned in the previous fire academy, if the student returns to attend a fire academy program in the future. If a student knows they will have **scheduled military training** before enrollment, then the student should enroll in the term that does not include the scheduled military training.

- **Active Military and/or Reservists (EMT):**

If a student, who is **active military or a reservist**, is called up for active duty, the student would be allowed to withdraw from the program in good standing. Any unpaid charges would be voided. The student would be granted Advanced Standing for CPR and Anatomy & Physiology, if completed successfully with at least a 70%/"C" at time of withdrawal. If a student knows they will have **scheduled military training** before enrollment, then the student should enroll in the term that does not include the scheduled military training.
