Architecture & Construction Electrical Assistant II -AC0036003

Who can Enroll?

Seniors | Adults

Schedule

Monday-Friday
AM Session: 8am-11am
PM Session: 12pm-3pm

Estimated Completion

FT Adult: 9 Months
HS Student: 2 years

Program Description:

Students receive instruction and guided practice to develop the necessary skills for entry-level employment in the Electrical Trades Industry. These skills include the identification, usage, and care of equipment as well as tools and meters associated with the electrical field. Students work with planning, layout, and installation of electrical circuits that conform to local and national code requirements, for both residential and commercial installations. Other areas of focus include proper safety techniques, advanced electrical theory, and National code.

Cost:

School Charges: \$2,250.00
Est. Out of Pocket:- \$35.00
