Foundations of Health Careers - HL0046001

Who can Enroll?

Juniors | Seniors

Schedule

Monday-Friday
AM Session: 8am-11am
PM Session: 12pm-3pm

Estimated Completion

HS Student: 1 Year

Program Description:

The one-year Foundations of Health program introduces students to the world of healthcare while earning a science credit through Anatomy and Physiology. Students will also learn medical terminology and explore a variety of health-related careers to help them discover their interests and strengths. This program provides a strong foundation for students who plan to pursue advanced training or careers in the healthcare field.
