## Health Science Physical Therapy Tech - HL0016014

Who can Enroll?	<i>Program Description:</i>	Cost:
Juniors   Seniors	Our one-year Physical & Occupational Therapy Technician program prepares students for an exciting career in the healthcare field. Students will learn how to assist licensed physical and occupational therapists in supporting patients as they recover from injuries, regain mobility, and develop skills for daily living. The program combines classroom instruction with hands-on training in anatomy and physiology, patient care techniques, therapeutic exercises, and rehabilitation practices. Graduates will be ready for entry-level employment as a therapy aide or technician and will have a strong foundation for further study in health and rehabilitation careers.	Tuition(adults)- N/A Est.
