

Programs @ a Glance

Sophomore Elective Program EXPLORE

Who can Enroll?

Sophomores ONLY

Schedule

Monday-Friday
AM Session: HHS, JHS, CHS
PM Session: JHS, LHS, HHS

Estimated Completion

One Semester

Program Description:

The Explore experience is an 85-minute daily class for Sophomores on the EOC Tech Center campus. Students spend one semester in the EXPLORE program and receive an initial four week orientation to the CareerTech and college connection, career assessment through OKCareerGuide.com, career planning, and general safety. After completing the orientation period, students choose up to five programs to explore for three week rotation periods at a time. Students may choose from the courses below.

Transportation

Busses provided by
EOCTech only
