EASTERN OKLAHOMA COUNTY TECHNOLOGY CENTER HEPATITIS VACCINATION DECLINATION FORM

Sign this waiver only if you have not completed the three shot series or do not desire to take the Hepatitis B vaccine.

The Hepatitis B Virus (HBV) is a serious and dangerous disease and may be contracted through the contact of blood, blood products, and other potentially infectious material.

EOCTC strongly encourages me to take the three shot series or the titer for the Hepatitis B virus. However, I **DECLINE** to be vaccinated at this time. I understand that by declining to be vaccinated I am at risk of acquiring the Hepatitis B virus.

EOCTC strongly suggests that if I going to have occupational exposure to blood, blood products, and other potentially infectious material in the future, that I should consider being vaccinated with the Hepatitis B vaccine.
